

# DEPARTMENTS

**The College has highly qualified & dedicated faculty members comprising 10 Ph.Ds, 5 CAs and 1 CS, CA.**

## **Accountancy Department**

'Accountancy and Financial Management' is one of the core subjects in B.Com. It caters to one major subject in F.Y.B.Com. & S.Y.B.Com., whereas in T.Y.B.Com. it covers three major papers viz., Advance Accounts - Paper I, Auditing & Costing - Paper II and Management Accounts - Paper III. Further Paper IV - Direct & Indirect Tax is an optional subject, which is taught by Accountancy Department.

The syllabus is framed by the University. The students are given latest information and taught current developments, so that they can be readily absorbed by the industry.

This year the department of Accountancy has introduced a Basic & Advance Level Course on Accounting with Tally, which will be conducted during Summer & Winter Vacations. Each student will get to work on a separate computer in the accounting lab. Prior knowledge of accountancy not required. No. of Students: 15 per batch. Admissions will be on first come first served basis. No. of Sessions: 10 – of 2 hours each.

## **Commerce Department**

The Commerce Department is one of the core departments of the College.

The department offers, in addition to the compulsory Commerce papers, Advertising and Export Marketing (Ancillary Component Group Papers) as optional subjects at S.Y.B.Com / S.Y.B.A. and T.Y.B.Com. respectively.

The department will conduct tutorial sessions for those students appearing for the NET/SET examination in Commerce. These sessions will be held four times in a year.

## **Economics Department**

The Economics Department is a core department for both the faculties of Commerce as well as Arts and gives the students an opportunity to major in the subject of Economics at T.Y.B.A. level. Now we also offer M.A. in Economics in our College.

## **Geography Department**

The Geography Department offers an opportunity to the students to major in the subject of Geography at T.Y.B.A. level. The study of Geography is made interesting through the use of technological aids like audiovisual equipments, surveying instruments, topographical maps, NATMO,

thematic maps, GIS Remote Sensing and Arial Photographs amongst a host of other equipments and techniques with a well equipped Laboratory.

The Department of Geography-(Six papers), established in 1995, offers courses in First Year, Second Year and Third Year B.A. classes, Environmental Studies in F.Y.B.Com class, Travel and Tourism Management (Add-on Course) for B.A. And B.Com. and has started Master's Degree from the academic year 2006-07.

The Department prepares students from the Arts faculty for the B.A. and M.A. Degrees of the University.

This year onwards, the department will conduct a course in GIS Remote Sensing during summer and winter vacations.

The department will conduct tutorial sessions for those students appearing for the NET/SET examination in Geography. These sessions will be held four times in a year.

## **Psychology Department**

The Psychology Department of the College is the only department in this part of the western suburbs that gives the students an opportunity to major in the subject of Psychology. The subject is keenly sought after and only students with good grades are able to procure a place.

An experienced faculty with specialisation in diverse fields of Psychology and excellent infrastructure facilities in the form of a well-equipped laboratory and a spacious classroom has made the study of Psychology a joy for the students. This is reflected in the excellent results over the years.

The Department also offers counseling and guidance services to other students in the College.

## **English Department**

Communication in English is essential in the modern age. Hence members of the Department of English are shouldering the responsibility of developing the communication skills of students in Commerce and Arts stream as well as in other professional courses. The Department conducts tutorials and gives assignments & projects to students for the development of skills in the English language.

## **Department of Law**

Business Law is one of the compulsory subjects at S.Y.B.Com. level covering business laws such as The Indian
