

Department of Master of Science (Information Technology)

Title: Poster Making Competition

Date of Event: 23/8/2023

Venue: Ground Floor Lab

Time of Event: 12:00 – 1:00 pm

A captivating Poster Making Competition, centered around the theme "AI Unleashed: Crafting the Future of IT," drew enthusiastic participation from a diverse pool of 12 talented individuals. The event's judging was graced by the presence of the esteemed Mrs. Elizabeth Leah George, a distinguished faculty member hailing from the Department of Computer and Information Science. After a remarkable display of creativity and innovation, Ms. Sania Khan from Royal College clinched the coveted first position, showcasing her exceptional talent and artistic prowess in conveying the transformative potential of AI in the realm of IT.
