

ISO REPORT FOR THE YEAR 2016-2017

The Ninth and Tenth Internal Audit were held 30th & 31st January 2016 and 4th & 5th August 2016. The Eleventh and Twelfth Management Review Meeting were conducted on 17th February, 2016 and 16th September, 2016 respectively.

The ISO **Re-certification Audit** was conducted by Mr Patil and Mr. Maulikon 26th, 27th & 28th September 2016 from TUV Nord. We were conferred the ISO certificate without any Non-Conformity.

The ISO committee has conducted five programmes for the teaching staff. Feedback for each of these training programmes was taken and its effectiveness was measured. As the college was awarded Autonomous status in the year 2016-17 a new clause was added in the ISO manual. With autonomy the college will have to adhere to these fresh standards mentioned in the new clause.
