

Nagindas Khandwala College (Empowered Autonomous)

Green Club

Organizes

Certificate Course on Living with Climate Change and Water Management.

Course provided by UNICEF

Date: 7th August 2025

Mode: Online

Number of Participants: 163

Description:

The Green Club organized an engaging online awareness activity in collaboration with UNICEF, where students were encouraged to log in and complete an online course on *Living with Climate Change and Water Management*. A large number of students actively participated in the initiative and successfully completed the course through the digital platform.

The activity aimed to educate students about the growing challenges of climate change, responsible water usage, and the importance of sustainable environmental practices. After completing the course, participants received certificates, which they submitted as proof of completion. The event witnessed enthusiastic participation and helped spread awareness about environmental protection, encouraging students to become more responsible and informed citizens committed to building a sustainable future.

Attendance

Name of Activity: Certificate course on Living with Climate change & water management
Date: 15/7-10/8 Venue: Online
