एम् के ई एस् विद्यालय गीत

दे मुझे स्वर भारती दे, गीत देश जगा सकूँ ।
दे विधाता ज्ञान वह, भारत भविष्य बना सकूँ ॥
दे मुझे स्वर भारती

सत्य की ही राह पर, चलने की शक्ति दे मुझे,
झूठ, भ्रष्टाचार से, लड़ने की शक्ति दे मुझे,
मात-पितु, गुरु बड़ों का, मैं नाम जग में बढ़ा सकूँ ।
दे विधाता ज्ञान वह, भारत भविष्य बना सकूँ ॥
दे मुझे स्वर भारती

भावना राष्ट्रीय हो, रहें भाई-चारे से सभी,
दूसरे के दर्द-दुख से, मुँह नहीं मोड़ें कभी,
मदद की दे भावना, दूजे के दुख को मिटा सकूँ ।
दे विधाता ज्ञान वह, भारत भविष्य बना सकूँ ॥
दे मुझे स्वर भारती

एम.के.ई.एस. विद्यालयों से प्राप्त शिक्षा महान हो,
जो भी शिक्षित हो यहाँ, वह नेक इक इंसान हो,
भेद-भाव न उपजे मनमें, सब को मैं अपना सकूँ ।

APPEAL TO THE STUDENTS

ACADEMICS

- Students must be ready to switch on their camera anytime during the lecture.
- Students must have an appropriate attire and maintain an appropriate posture during the lecture.
- Students must strictly abide by the deadlines given by teachers for submission of assignments and presentations.
- Students must login for lectures at least 5 mins prior.
- Students failing to attempt assignments, presentations and internal class test will get an Internal ATKT.
- Students must have laptop with latest software.

DISCIPLINE

- A student found in a tutorial batch or a division or a class, which is not meant for him/her, will be liable for punishment.
- No fund raising activity should be undertaken by any student without prior written permission from the Principal.

detrimental to the interest of the College, the Principal may expel such a student from the College. The decision of the Principal in this regard will be final.

- Students with poor academic performance and conduct, may not be admitted to the next semester/subsequent year as the case may be, and the admission of such students shall be solely at the discretion of the Principal

ATTENDANCE

- Ordinance - 0.6086 Relating to Attendance for granting the terms in each subject, a minimum attendance of 75% of the average of the total number of theory lectures, practicals and tutorials (wherever prescribed), and a 50% attendance for each subject will be required out of the total number of lectures, practicals and tutorials in the subject conducted during the term/semester.
- A student who is not able to attend his/her classes regularly and/or who is not able to complete his/her tutorial/project/assignments properly may not be permitted to appear for the examinations as per the University rules.

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education” – Martin Luther King

- Students are warned that they should not indulge in any form of ragging. Any student found involved or abetting in ragging, will be dealt with as per provisions of law.
 - The Principal has the power to determine suitable disciplinary action in case of indiscipline and improper conduct of the students.
 - Parents/Guardians/Students are requested to read and acquaint themselves with the rules of conduct and discipline. Students must ensure strict compliance with these rules.
 - If, for any reason, in the opinion of the Principal, the continuance of any student in the College is deemed
- Ordinance - 0.6086 relating to the keeping of terms to the satisfaction of the Principal of the College:- To keep a term at a college or recognised institution, an undergraduate or post graduate student must complete, to the satisfaction of the Principal or the Head of the Institution, the course of study at the college or institution, prescribed for such a term for the class to which such an undergraduate or post graduate student belongs.
 - If students are not able to attend lectures and/or tutorials for a period exceeding a week in a term, they should take prior permission from the College Principal, for such absence.

- Absence on medical ground, may be considered a satisfactory reason for absence from lectures or tutorials. Yet at the time of granting the terms to a student, his/her class work and other academic inputs will be considered to be of paramount importance. Hence, a student may not be granted his/her terms even if he/she explains his/her absence on medical or other grounds. Absence should be with prior permission; in case it is due to unforeseen circumstances, an application duly supported by a medical certificate in the case of illness or duly supported by other satisfactory evidence in the case of other reasons, must reach the Principal within a week of such occasion of absence.

Attendance Requirement

A student whose attendance in both the terms is not satisfactory below 75% may not be allowed to appear for the examination. Besides, a student who is irregular in attendance in the First Term may not be permitted to attend the Second Term of the academic year.

Tutorials

Tutorials and practicals are a means to supplement lectures in certain subjects. Attendance in these tutorials is compulsory.

Absence at Tests/Examinations

If a student is unable to appear for any examination / test, his/her application duly supported by a medical certificate should reach the Principal within a week from the date of such absence.

Unfair Means at Examinations

A student who is found copying or using any unfair means during a test/an examination will be instantly expelled from the examination hall and be also subject to disciplinary action.

The decision taken by the Examination Committee in this matter will be final.

Extra Curricular Activities

We at B.S.G.D.S Junior College believe in promoting the overall personality of every student. We offer the students a fairly extensive range of extra curricular activities. These activities are conducted by the following associations.

Students' Council

Students' Council is an important association of the college and is managed by the Students' Council Incharge and assisted by Members from all classes of F.Y.J.C. and S.Y.J.C. This association organizes various entertaining programmes, which are competitive as well as non-competitive in nature and are spread throughout the year. It motivates students to participate in various events, celebration of Days and Inter-Collegiate cultural competitions.

English Literary Club

It organizes competitions, writing of short stories, poems, etc. and other literary activities based on English Language and Literature and General Knowledge. The aim of such

competitions is to develop the communication and debating skills of students.

Hindi Sahitya Parishad

It conducts programmes and competitions like essay writing, competitions, elocution debates and other activities or the improvement of students vocabulary.

Gujarati Sahitya Sabha

The programmes and competitions conducted by the Gujarati Department are on similar lines as that of English and Hindi Departments. This association also has a unique feature of organizing competitions in vocal music, which is very popular among students.

Marathi Wangmaya Mandal

The Marathi Department organizes and conducts various programmes. Apart from Essay-writing, debates and elocution competitions, this association also organizes Magic Shows, small plays and such other programmes by inviting dignitaries from the Marathi Natya Jagat.

Commerce Association

Different activities, programmes, lectures, seminars and competitions are organized by this association, to develop various skills and commercial awareness in the students.

Mathematics Association

It conducts competitions and quiz programmes based on Mathematics to improve analytical and quantitative skills of students.

Geography Association

This association organizes Educational field tours to different places of geographical importance, in and around Maharashtra. It also conducts exhibitions based on geographical phenomena and environmental issues.

Gymkhana

It aims at encouraging students to participate in both indoor and outdoor games and enhancing their skills. It conducts various tournaments, organizes the Annual Athletic Meet at the Collegiate level and sends students to represent the college at various Inter-Collegiate district, state and national level competition. Our college also conducts various Inter-Collegiate tournaments to encourage students.

Students' Aid Fund

1. Book Bank Facility
2. Fees Concession

Above facilities has been extended to the economically backward students to enable them to continue their education.

N.S.S.

The NSS unit in the college enrolls students as per NSS guidelines and directions of the Maharashtra State Board of Higher Secondary Education. The unit provides an opportunity to students to develop organizational skills and leadership qualities and a sense of social consciousness. Various projects are undertaken by its volunteers. Camps to nearby places are also arranged for them during the academic year.

Guidance and Counseling Cell

This cell helps students identify, understand their personal and psychological problems and guides them to find solutions. Any student from Arts, Commerce and Science faculty can avail of this service provided by a qualified counselor. With its help, students also learn to identify their own potential and set goals to achieve self-actualization and better adjustment in today's competitive world. The Cell is run with the help of a qualified counselor.

Tutor System

We, in our institution, have a unique system known as the Tutor System. In this System a class consisting of 120 students are divided into 3 batches of approximately 40 students each.

Each batch of 40 students is in charge of a tutor a teacher who teaches in that particular division. The tutors maintain the personal data of the students.

Parent-tutor meetings are held regularly. Performance in the Examination or Test and General behaviour of the student are also discussed in this meeting. Feedback forms are provided in which Student / Parents write more about their difficulties and give their suggestions for improvement. The tentative dates of the Tutor Meetings for the Academic year are mentioned in the academic calendar provided to the students in the month of July.

Details of students attendance are displayed on the notice board and college website every month. Parents or Student having less than 75% are intimated to meet the college authorities and thus they become aware of the regularity of their wards in the college.

This system has been a great success and parents too have appreciated it.

The College Magazine: 'Sankalp'

The college magazine 'Sankalp' is published annually. Contributions in the form of essays, short stories, poems, articles, riddles, sketches, cartoons, jokes, etc. are invited from the students as well as teachers. Due weightage is given to all languages taught in the college.

Departments

Accountancy Department

'Accountancy and Financial Management' is one of the core subjects in B.Com. It caters to one major subject in F.Y.B.Com. & S.Y.B.Com., whereas in T.Y.B.Com. It covers three major papers viz., Advance Accounts - Paper I, Auditing & Costing - Paper II and Management Accounts - Paper III. Further Paper IV - Direct & Indirect Tax is an optional subject, which is taught by Accountancy Department.

The syllabus is framed by the University. The students are given latest information and taught current developments, so that they can be readily absorbed by the industry. The department also introduced a Basic & Advance Level Course on Accounting with Tally.

Commerce Department

The Commerce Department is one of the core departments of the College. The department offers, in addition to the compulsory Commerce papers, Advertising and Export Marketing (Ancillary Component Group Papers) as optional subjects at S.Y.B. Com/ S.Y.B.A. and T.Y.B.Com. respectively.

Economics Department

The Economics Department is a core department for both the faculties of Commerce as well as Arts and gives the students an opportunity to major in the subject of Economics at T.Y.B.A. level. We also offer M.A. in Economics in our College.

Geography Department

The Geography Department offers an opportunity to the students to major in the subject of Geography at T.Y.B.A. level. The study of Geography is made interesting through the use of technological aids like audio-visual equipments, surveying instruments, topographical maps, NATMO, thematic maps, GIS Remote Sensing and Arial Photographs amongst a host of other equipments and techniques with a well-equipped Laboratory.

The Department of Geography-(Six papers), established in 1995, offers courses in First year, Second year and Third year B.A. classes, Environmental Studies in F.Y.B. Com class, Travel and Tourism Management (Add-on Course) for B.A. and B.Com. and has started Master's Degree from the academic year 2006-07.

The Department prepares students from the Arts faculty for the B.A. and M.A. Degrees of the University. The department also conducts a course in GIS Remote Sensing.

Psychology Department

The Psychology Department of the College is the only department in this part of the western suburbs that gives the students an opportunity to major in the subject of Psychology. The subject is keenly sought after and only students with good grades are able to procure a place.

An experienced faculty with specialisation in diverse fields of Psychology and excellent infrastructure facilities in the form of a well-equipped laboratory and a spacious

classroom has made the study of Psychology a joy for the students. This is reflected in the excellent results over the years.

The Department also offers counseling and guidance services to other students in the College.

English Department

Communication in English is essential in the modern age. Hence members of the Department of English are shouldering the responsibility of developing the communication skills of students. The Department conducts tutorials and gives assignments & projects to students for the development of skills in the English Language.

Department of Law

Business Law is one of the compulsory subjects at S.Y.B.Com. level covering business laws such as The Indian Contract act, 1872, The Sale of Goods Act, 1930, Negotiable Instruments Act, 1881, The Consumer Protection Act, 1986, The Companies Act, 1956, Indian Partnership Act, 1932, and the Maharashtra Co-operative Societies Act, 1960.

Department of Mathematics Statistics

Mathematics is an important component at F.Y.B.Com. level. The Department caters to Mathematics and Statistics subject along with Computer at T.Y.B.Com. level. The Department conducts tutorial tests and gives assignments and projects to students for development of numerical aptitude.

Foundation Course

Foundation Course is one of the significant components of all streams of studies.

Languages

In the Arts Stream, students are given the choice of Gujarati, Marathi or Hindi to be taken up as one of the ancillary subjects.

Extra Co-Curricular Activities

Students' Council

Students' Council is formed as per the university guidelines. Students are nominated on the basis of their academic performance, their participation and achievement in cultural activities, Sports, N.S.S. and N.C.C. in addition, two girl candidates are nominated by the Principal.

Khandwala Alumni Association

The Nagindas Khandwala Alumni Association was established in the academic year 2002-2003. It is formed to promote a lifelong relationship between College and Alumni and increase fellowship amongst the members of the Association.

Career Development Cell

The Career Guidance Cell gives students guidance on various topics of their interest. Seminars, talks and personal interviews are conducted throughout the year for the benefit of students.

English Literary Association

It conducts poetry reading sessions and invites guest lecturers to deliver talks on issues related to English Language and Literature. It organises competitions like essay writing, creative writing and debates.

Gujarati Sahitya Mandal

Gujarati Sahitya Mandal organizes activities like Gujarati Geet Spardha, Essay writing and Poetry recitation and also invites eminent Gujarati writers and Poets to deliver talks.

Insight

The Psychology association conducts many interesting programmes. Stepping out of the confines of the classroom, the Department regularly organizes field visits, workshops, film shows, talks by mental health professionals and conducts mini research projects to give students a closer look at the real world.

Marathi Wangmay Mandal

To encourage students to explore nuances of Marathi culture and language, the Marathi wangmay Mandal organizes events like Vad Vivad Spardha, Elocution, Marathi Geet Spardha. It celebrates Guru Purnima every year in which Marathi poets and writers are also invited to deliver a talk.

Planning Forum

The Economics Department conducts various subject related functions / programmes under the aegis of the 'Planning Forum'. The activities conducted by the Forum are Quiz Competition, Economics Crossword, Essay Writing, and Elocution on the current economic affairs and Wallpaper Contest etc.

Sports

As per the University norms, we have a Gymkhana Committee, which consists of the Principal - as the Chairperson and a team of five Professors to assist her.

Drama Club

The college started Drama Club to give a platform to students to act and achieve.

Music Academy

Music academy grooms students who are passionate to become musicians.

English Club

English Club organises workshop and activities to elevate the confidence of students.

Entrepreneurship Development Cell

Entrepreneurship Development Cell arranges various webinars and activities for the students interested in being an entrepreneur.

Commerce Association

The Commerce Association organises various programmes and activities such as Advertising, Mimicry, Commerce quiz etc.

STUDENTS HELP CENTRE

Mentor System

The College designates a faculty member as mentor for a group of 30-40 students. The mentor meets the students once a month, in a group and interacts with them about their academic and personal difficulties and helps to sort them out. A student can access his/her mentor any time when there is a difficulty.

Part Time Job Opportunities

The College will try to provide part time employment in the college to needy students (18 years and above) subject to availability of suitable work.

Language Lab

Students who are weak in English are encouraged to use the College's state-of-the-art Language Lab to hone their skills in spoken and written English.

Counselling Centre

Students are counselled by expert psychologists about their grievances and issues. The discussions are kept confidential. The students are suggested various therapies to handle their difficulties.

Students' Aid Fund

The College has established a Students Aid Fund to help needy and deserving students. The needy students are provided books from the Book Bank and fees on merit basis.

INTERNATIONAL COLLABORATIONS

Nagindas Khandwala College (NKC) and University of South Carolina Beaufort has entered into a Memorandum of Understanding (“MOU”) to promote international and intercultural understanding and academic cooperation and collaboration.

The college is also entered into MoU with University of Frazer Valley, Vancouver, Canada for IT/CS students. It is an unique programmes where the students can study for two years in Nagindas Khandwala College and two years at Frazer Valley University. The student will be awarded the under graduation degree from Frazer Valley University.

Royal Roads University offers a similar option of 2+2 for the commerce students. Our college has signed a MoU with this University also.

An MoU is also under the way with University of Canberra, Australia for 2+1+1 ½ years programme i.e. two years in Nagindas Khandwala College, one year in University of Canberra to complete the under graduation programme followed by 1 ½ year of MBA programme. The programme will also be applicable to the Commerce students.

UFV is located in the beautiful Fraser Valley just east of Vancouver, British Columbia, Canada. The University of the Fraser Valley (UFV) is a fully accredited, public University that enrolls approximately 15,000 students per year. UFV has campuses and locations in Abbotsford, Chilliwack, Mission, Hope and Agassiz, and a growing presence in Chandigarh, India.

Drive any direction and you are sure to find adventure. In less than an hour, you can get to ski hills, the ocean, or the City of Vancouver. Or drive five minutes to visit the USA.

Even during the winter months, the Fraser Valley remains green, averaging only a few days of snow each year. You can enjoy nature all year-round, choosing from a range of fun activities, including hiking, swimming, biking, rafting, golfing, fishing, snowboarding, skiing, and more.
