Green Club

Organizes

Quiz on Biodiversity: Creating Awareness about Preservation & Conservation

Date: 14th August 2025

Mode: Online

Number of Participants:163

Description:

The Green Club organized an online quiz to raise awareness among students about the importance of biodiversity conservation and preservation. The event highlighted the crucial role of diverse ecosystems in maintaining ecological balance and supporting human life. Through thought-provoking questions, participants learned about endangered species, habitat protection, and sustainable practices to safeguard natural resources. The quiz emphasized the need to protect flora and fauna, prevent deforestation, and promote harmony between humans and nature. It also provided valuable insights into global biodiversity challenges and local conservation efforts. The interactive format made learning engaging and memorable. Overall, the event effectively fostered awareness and inspired students to contribute towards protecting biodiversity.
