### **One Week E-Waste Collection Drive**

Date: 18<sup>th</sup> to 22<sup>nd</sup> August 2025

Mode: Offline

Number of Participants: 154

Description:

The Green Club organized an e-waste collection drive in the college to promote awareness about the safe disposal and recycling of electronic waste. The initiative aimed to educate students on the harmful effects of improper e-waste disposal, such as soil and water pollution caused by toxic substances. Through active participation, students contributed by bringing old gadgets, batteries, and electronic items for proper recycling. The drive highlighted the importance of reducing electronic pollution, conserving resources, and adopting responsible consumption habits. It also encouraged the practice of repairing, reusing, and recycling to minimize environmental damage. Overall, the event was successful in spreading awareness and motivating students to adopt sustainable practices in managing e-waste and collection pile of e-waste.
