Feedback Analysis Report: 2016-2017

IQAC takes student feedback on a 5-point Likert Scale based on the following points on teaching Learning.

Q1: Does the teacher well prepared for the class?

Q2: Is the teacher accessible and willing to discuss the course contents and any problems?

Q3: Does the teacher use innovative methods for better learning?

Q4: Does the teacher suggest any reference books for extra learning?

Q5: Was the teacher able to explain the concepts clearly?

Feedback is taken semester-wise and the analysed Semester-wise.

Feedback is analysed and the happiness index/quotient is calculated based on the satisfaction ratio. Satisfaction ratio is calculated to understand students' feedback. The ratio indicates the number of students who were satisfied for each unsatisfied student. Meaning that the higher the ratio the better is the Happiness Quotient of students. Measures to improve the happiness index are taken.
