EDITOR'S GREET

The academic year 2022-23 was committed to imparting Quality Education to youths enabling them to develop right attitude, professional competence and inculcating right ethical values. Various events organized by the students helped in developing their professional competence, various social activities helped in developing the right attitude inculcating right ethical values. The College believes in building a harmonious work culture and motivating everybody to contribute their best. The various activities and departmental events made the year an eventful one and helped in building the overall personality of students. The organizing committee members of various events with their aligned goals and relentless efforts made the academic year a very memorable one.

At Nagindas Khandwala College, we strive constantly to bring about a difference in the lives of students and the lives of the people around us through education. Education can stimulate and foster positive social change, by encouraging things like social participation, social equality, and environmental sustainability. Education provides knowledge, training and skills as well as inculcates new thoughts and attitudes among the young. The aim and vision of Nagindas Khandwala College has always been to inculcate new thoughts and innovation in the young minds which has always motivated the youngsters to achieve great things.

I express my heartfelt thanks to everyone who contributed to the XXXII volume of Niharika. Niharika speaks volume about the efforts everyone put to make yet another eventful year. I thank the College management for always giving us immense opportunities to grow in the right direction. I express my fervent thanks to Director - Dr. (Mrs.) Ancy Jose, Principal Prof. Dr. Moushumi Datta, Vice Principal Dr. Mona Mehta for constantly motivating and supporting us to be the best version of ourselves.

Director's Message

People generally consider education as the means to acquire knowledge and livelihood. However, education is not just limited to this: it has, even more, broader prospects. Education not only makes us knowledgeable but also helps us to evolve and be self-content. Nagindas Khandwala aims not only to pursue academic excellence but to also motivate and empower the students to be lifelong learners, critical thinkers and productive members with moral values of the ever changing global society. Converting every individual into a self-reliant and independent citizen, our College provides an amalgam of scholastic and co-scholastic activities.

Cross competition and selfish materialism have given birth to self- centered, impatient and intolerant students for whom values like respect, love, kindness take a backseat. It is here that education plays an important role. As the world today is changing at such an accelerated rate, we as an educator need to reflect on this entire system of education. The way we educate our children has a large impact on the way things are going to be in the future. Education plays a major role in creating responsible adults. After all a book, a pen, a teacher and a classroom are enough to create all the difference in the world.

While we are determined to provide seamless learning targeted towards excellent academic performance through the incorporation of the latest teaching approaches, we also ensure that we are actively working on the physical, social, emotional, and spiritual aspect of our children. We believe that children themselves can learn and commit to nurturing the potential within them. We focus on contextual learning based on constructivist theory of teaching; learning to provide techniques such as problem-solving, learning by doing; inquiry – based learning activities.

Our College cares for the individual development of each and every student. We accord prime importance to the behavioural discipline, moral integrity and cognitive development of our students. We, at NK not only strive to teach academic programmes but also inculcate the life skill needed for students self-development with a highly resourceful faculty. "The beautiful thing about learning is that nobody can take it away from you." Dear students, in the journey of learning, it is more about working within you rather than something beyond your control. Because the reality of it is that once you embark on a course of study, then only, can you determine the success of achieving that goal and turn the mirrors into windows.

Principal's Message

Dear students, what a year this has been! As we celebrated our forty years as an educational institution, we, both students and teachers, had to come back to a completely offline existence. This meant, we had to get used to a new normal all over again.

As Principal, I was excited to see our campus buzzing with activity after a gap of two years. There seemed to be some activity or the other every few days, and it was heartening to see all you students participating in them so wholeheartedly. This year saw all our cultural festivals resuming in the offline mode, and I was happy to see the hard work of the students and the teachers bear fruit. The creative decoration, the impressive performances and the memorable fashion sense displayed by you all made this a very memorable year.

As academic and extracurricular activities resumed in the offline mode across the country, our name kept cropping up in the winners list in a number of events

– from sports, to social work, to various cultural events. We are all very proud of your achievements, and your enthusiasm inspires us to think of different ways to help you unleash your creative energy. Your teachers and I are well aware that education occurs outside lecture halls too. Therefore, we will keep arranging activities and inviting motivational speakers and experts to make your educational experience as practical and impactful as possible. As usual, we are open to your ideas for the same.

If you are not sure of the various opportunities you have as a student of Nagindas Khandwala, I encourage you to explore our website and talk to your teachers about the various learning opportunities available to you.

I can understand that returning to a completely offline college life was not necessarily easy. We did notice some of you struggling with attendance and offline evaluation. I am sure that by now you all will have got used to attending all your lectures and preparing for your semester examinations. So if this year was a struggle for you, I am

sure that it will be easier next year. My dear students, I can understand that you must be wondering, “Why does Nagindas Khandwala College insist on discipline, attendance and academics to such an extent?” Perhaps the answer will be clear only when you graduate and step into the corporate world, but I can try to make you understand by asking you to look up the various awards we have won in our forty years of existence. In fact, this year, we have been listed among the top 10 private autonomous Arts, Science and College institutions in India under India Higher Education Institute Rankings 2023-24 by Education World. We keep winning these awards and accolades because we insist on maintaining and if possible, raising our standards.

I am sure that with wonderful and dedicated students like you, we will be collecting many more accolades. I wish you all the best for the new academic year.

Vice Principal's Message

Dear Students,

As we reflect upon the Academic Year 2022-23, I am filled with immense pride and gratitude for each and every one of you. The journey we embarked upon together was not just about acquiring knowledge, but also about embracing the challenges and adapting to the ever-changing circumstances that life presented us. It is this ability to adapt and grow that truly defines our growth as individuals.

Throughout the year, I witnessed firsthand the incredible spirit for learning that resonated within our campus. Your unwavering enthusiasm both inside and outside the classroom was truly inspiring. Whether it was engaging in thought-provoking discussions, participating in extracurricular activities, or exploring new avenues of knowledge, you demonstrated a genuine passion for expanding your horizons. I want to take a moment to acknowledge the resilience and determination you showcased in the face of adversity during the pandemic. From adapting to online learning environment to adjusting to hybrid models, to offline mode, your ability to embrace change and maintain your focus on education was commendable.

As your Vice Principal, I have witnessed your personal and academic growth throughout the year. I have seen you face difficult tasks head on, stepping out of your comfort zones and embracing new opportunities. Your willingness to take risks and challenge yourselves has undoubtedly contributed to the overall development of the College.

As we move forward, let us carry the lessons we have learned this year with us. Let us remember that growth comes not just from success, but also from the setbacks we encounter along the way. Let us continue to embrace change, adapt to new situations, and seize every opportunity for learning and personal development.

I am confident that the skills you have cultivated and the experiences you have gained will serve as a solid foundation for your future endeavors. I look forward to seeing you all continue to strive for excellence in the forthcoming year. Remember, the journey of growth and learning never ends, and I am here to support you every step of the way. With heartfelt gratitude and warm wishes,

Dr. Mona Mehta
Vice Principal

ANNUAL REPORT

2022-23

"You can't go back and change the beginning, but you can start where you are and change the ending."

- C.S. Lewis

I am happy to present the 40th Annual Report of the College for the Academic Year 2022-23. I am sure this summary of our achievements will fill all your hearts with pride.

In this journey of forty years, I believe that our status as an eminent educational institution was achieved through our focus on providing an excellent educational atmosphere. When we began this academic year, we first took stock of our students' academic results for the year 2021-22. Therefore I think it is only fitting that I start with our excellent academic output for the year 2021-22. They are as follows:

Many thanks to the Controller of Examinations Ms. Elizabeth George, and the Professors in Charge – Dr. Monikantan Nair, Dr. Madhukar Dalvi, Dr. Meha Mandawewala, Ms. Anisha Asirvatham and all the other members for the seamless conduct of all examination sessions and the timely declaration of results. I also thank Mr. Thomson Thomas, Professor in Charge of the Students' Aid Fund, for helping deserving students with financial difficulties avail of funds to continue their education. The students were able to excel in their examinations due to the guidance of Ms. Sheetal Gogri, the College Counsellor and Remedial Educator.

The educational atmosphere we foster in the campus is ensured by providing students with various platforms to discover and learn new skills and hone their many talents. This is achieved through the various curricular, co-curricular and extracurricular activities organised by the Students' Council, the different associations and forums and all the departments of the College.

The Students' Council made sure that the campus remained vibrant with activities throughout the year. The Intra College fest Aagman was a combination of teamwork, hard work and coordination among students from various sections of the college. Springz, the Inter-Collegiate festival of the Aided Section was conducted offline, and was well-attended by colleges across the city. Additionally, various activities were organised to keep the campus abuzz with excitement. The Students' Council once again brought all sections together to present an unforgettable Annual Day. The success of these wonderful activities was possible due to the efforts of Mr. Edwin Mathias, Dr. Sweety Garg, Ms. Sheetal Desai, Ms. Sherlin Mary Rajan, CA Bincy Baby, CA Hardik Thakkar and Mr. Ashley Fernandes.

The Students' Councils of the different sections and all departments also ensured that their activities would make the year a memorable one. Kiran 2022, the trademark event of NKBMS was a grand success. The hard work and talent of the students shone brightly during Mirage'23, their Inter-Collegiate festival. Alumni @Campus, International Tiger Day, Freshers' Day, and many other events kept the BMS students engaged throughout the year.

This year was the 13th edition of Montage, the flagship programme of BAMMC. As usual, the event was characterised by the inspiring presence of real life heroes. Through the May I Help You Initiative, the admission process for the First Year students of all sections was made seamless for the students, teachers and office staff.

Zestech, the Inter-Collegiate festival of the Department of Computer and Information Science, and Aahvan – its technical festival conducted for Junior College students, were a grand success. Events such as Dandiya and Garba Evening, Tree Plantation, and Har Ghar Tiranga ensured that the academic year was full of technical, social and extracurricular activities.

The Department of Banking and Finance kept the students engaged with various activities like GST Day, workshops and master classes. Quest, the department's annual Inter-Collegiate seminar, and Pravaah, its Inter-Collegiate festival, were successful and well attended by many colleges. A₹TH-UTSAV-2022 – the Inter-Collegiate Economics festival organised by the Planning Forum of the Department of Economics saw a strong participation by Undergraduate and Postgraduate students across Mumbai. Along with the many interesting sessions and activities of the Department of Psychology, its annual festival Inpsyched provided ample of opportunities to the participants to showcase their talents.

The Department of Accountancy, along with the Khandwala Accounting Studies Circle organised interactive sessions and master classes on topics related to Entrepreneurship, Research, Accounting and Financial literacy. The Department of Commerce, with the Commerce Association and the allied Department of Business Law, organised many guest lectures, and activities like quiz and debate competitions. The Department of Geography planned many engaging activities like competitions, treks, study tours, visits to understand niche sectors within Tourism, and research projects. The Postgraduate departments of Geography and Geoinformatics organised field visits and workshops for the students. Their Green Project and the departmental fest Zephyr were roaring successes.

Congratulations are in order for our long list of stalwarts, namely, Dr. Swapna Joshi, Ms. Preethi Rao, Mr. Wilson Nadar, Dr. PM Sindhu, Mr. Ashish Modi, Ms. Nirmaye Deshpande, Ms. Kavita Rana, Ms. Vishaka Bagwe, Ms. Poonam Shah, Dr. Poonam Popat, Dr. Meha Mandawewala, Ms. Sonali Singh, Ms. Swapnali Tandel, Mr. Furqan Sheikh, Ms. Urvi Samant, CA Haresh Godhia, CA Sindhu Menon, Ms. Seema Hanchate, Mr. Mayur Patil, Dr. Marina Pereira, Dr. Saswaty Mohanty, Mr. Sonu Rane, Ms. Swati Mishra, Dr. Kavita Kalkoti, Dr. Preeti Tripathi, Ms. Amruta Panchal, Mr. Rohit Vange, Ms. Teena Kochpurakkal, Dr. Vidyadayini Shetty, Ms. Amruta Sahasrabuddhe, Ms. Mallika Rane, Associate Professor Suresh Shetkar, Dr. Amrita Aggarwal and Mr. Ashley Fernandes.

Through various social outreach programmes, cultural events, inspirational seminars, and the popular festival Symphony, TEAM RAYS made sure that impactful events were carried out throughout the year. Thanks to Youth with Vision, Nagindas Khandwala College was adjudged the second runner up in the educational category of the MQH Best Practices Competition organised by the IMC Bajaj Chamber of Commerce and Industry.

'Bhavishya Bharat- Walking today, towards tomorrow', the College's first National Award Festival for Social Work for College Students saw participants from across the country. Many compliments to Dr. Nelson Daniel and his team of students.

The departments of New Age Programmes also ensured that there were many activities to enrich the students' experience. Many thanks to Mr. Vipul Solanki, Ms. Jaie Khedwal, Ms. Trupti Davda and Ms. Kashish for their untiring efforts. The NSS unit of our college conducted events such as Blood donation drives, Awareness campaigns on various social issues and activities such as Cleanliness drives. I congratulate Programme Officer Dr. Vivek Chaubey, Mr. Suresh Shetkar, Mr. Nandkishor Sonar and Dr. Vaishali Ghodeswar for empowering the students to make a difference in society.

NKare conducted various events like Fundraisers, Beach clean-ups, and visits to orphanages. During Muskaan, the eco-friendly one

day fest, the students promoted environmental awareness and planted 40 saplings. The NCC department ensured that our patriotic fervour was maintained throughout the year. I thank the Professor in Charge, Mr. Nandkishor Sonar for doing a wonderful job with the NCC cadets.

The Gymkhana Committee, as usual, ensured that our College's name would feature in the winning list of many sports meets at the Zonal, State and National level. I congratulate the entire Gymkhana committee for providing the students with the support needed to excel in various sporting events. Speaking of Sports, our student Hetavi Shah from FYBA has done us proud by her long list of achievements in marathon, swimming events at the national and international level.

I thank Ms. Nita Dhote, Professor in Charge of the English Literary Association, Dr. Madhukar Dalvi, Professor in Charge of Marathi Vangmay Mandal and CA Dr. Reena Desai, Convenor of Gujarati Sahitya Mandal, for leading their respective teams towards successful activities that encouraged the students to pursue linguistic excellence and to explore aspects of regional culture. I also thank the Gandhian Studies Centre for their untiring and innovative efforts to instil Gandhian values among the students.

The Rotaract Club of Khandwala also deserves compliments for their social activities and professional development programmes. Similarly The Women Development Cell, Women Study Centre and The Department of Lifelong Learning and Extension deserve a special mention for their many activities promoting gender equity and skill enhancement respectively.

These prolific events certainly ensure that our students acquire a holistic education that makes them job-ready, but we are not satisfied with that. For us the litmus test as an institution is the success of our students after they graduate. I am happy to report that the Career Development and Placement Cell has helped us validate our efforts. Thanks to their carefully planned sessions of aptitude tests, grooming sessions and facilitation of placements, close to a hundred students have either been offered jobs or selected for further placement rounds. Many congratulations to the hardworking CDPC team.

I also thank the Incubation Centre for encouraging the budding entrepreneurs of our College through various guest lectures and events like the Ideation Exhibition and Sale. An educational institution is evaluated not just on the performance of the students during examinations, but also on the research output of the students and faculty. To encourage greater participation in research, an initiative was started by the Research Cell –“Research Katta”, through which faculty members could clear any doubts related to research.

I am gratified to report the following: many of our faculty have published papers in UGC Care Listed Journals and ISBN books. Khandwala Publishing House has published four books with ISBN numbers and the process to acquire an ISSN number for our journal has begun. Three patents have been granted from the Government of India and one patent has been filed with the Government of Australia. One major research project has been completed this year, and Dr. Amrita Aggarwal has been awarded a fellowship from the Asiatic Society. Currently nine faculty members are finishing their projects supported by seed money from the management. As Principal, I am very proud and happy to inform you that our student researcher participants participated in Avishkar, the State Level Inter-University Research Competition, and were selected for the final round. Two research scholars, Ms. Charmi Shah and Mr. Minish Chodankar were awarded their Ph.Ds in Commerce (Banking and Finance) under the guidance of Dr. Kavita Kalkoti from the Nagindas Khandwala Research Cell.

The College is committed to encouraging research not just within the college, but across the country. Thus the Department, in collaboration with St. Pauls Institute of Communication Education for women (Bandra) organized a National Conference with the theme 'Exploring Identity, Representation, and Integrity in Digital Space'. With the IQAC, the BMS Department in association with Department of Banking and Finance & Computer and Information Science organized a one day National Conference on 'Leading Organizational Transformations in the VUCA World 2022'. The Department of Accountancy, in collaboration

with the IQAC, organised a National Conference on Recent Developments and Technology Trends in Accounting and Finance (NACDAF - 2023). The Department of Commerce organised a National Online Conference on 'Visualising Glocal Trends and Approaches for Success in Business', and the Department of Economics along with the IQAC organised a National Conference in Online Mode on the theme, 'Atmanirbhar Bharat – Issues and Challenges'. Many thanks to the departments for their research-promoting activities.

With such a focus on research, it is not surprising that many of our faculty members earned their Ph.D degree this year. Congratulations to Dr. Saswati Mohanty, Dr. Sweety Garg, Dr. Poonam Popat, Dr. Meha Mandawewala and Dr. Nelson Daniel. To the young faculty members busy preparing for the NET/SET examinations, I'd like to reiterate that we are always ready to support your quest to acquire higher qualifications, and wish you all the best.

The IQAC Department has the responsibility of maintaining and raising the quality of the institution across various parameters. When the year began, we had said that in order to commemorate our forty years, it would be nice if the IQAC would organize forty quality-enhancing sessions. I am happy to report that we have had 57 sessions on various topics, ranging from workshops, training sessions, orientation programmes, master classes, education fairs, conferences, guest lectures and even festive events, like the Garba Evening organised at Kora Kendra. To commemorate our forty years, the IQAC collaborated with the alumni to celebrate Foundation Day. Thanks to the IQAC, the prestigious National Centre for Performing Arts for coming all the way to the northern suburb of Malad to arrange a dance performance in our College Auditorium. I congratulate Dr. Mona Mehta and her team for the Cell's stellar performance this year.

Our non-teaching staff has also been winning accolades across Mumbai by winning in Cricket and Fine Art Competitions organised by the non-teaching staff of colleges like Bhavans, Dalmia and L.S. Raheja. This year, the non-teaching staff has a new leader at the helm - our new Registrar, Mr. Girish Rathod. Under his able guidance, and the unstinting support of Mr. Chandrashekhhar Penta, Ms. Lopa Barot, Ms. Swati Bapardekar,

Ms, Kalpana Divekar, and Ms. Hema Desai, our wonderful office ensures the smooth operation of many administrative processes that help us function as a reputed educational institution.

Through the Parivar Fund, the management takes care of the educational costs of higher studies for the wards of the non-teaching staff. Ms. Nupur Bapardekar, a former beneficiary of this facility has donated Rs. Ten lakhs to the College. More than the amount, it is the sentiment that has delighted and moved us. Special thanks to Ms. Sonali Vhatkar, our librarian, and her efficient and creative team, who are responsible for the many initiatives that make our Library and Information Centre a useful and engaging learning and research space with up-to-date facilities.

As Principal, it is very gratifying to see former students maintain a link with the college. That is why we organise Nostalgia, an event aimed at strengthening and broadening our alumni network. I thank our alumni for helping our students in any way they can, from guiding and clarifying doubts to offering financial assistance for their education. The best example of the result of this wonderful association is the once in a lifetime opportunity that four of our students had to interact with our honourable Prime Minister Shri Narendra Modiji. This opportunity was made possible by our alumni Nidhi Ghag from BMM and Shivani Shukla from BBI.

The hard work of our institution has not gone unnoticed. As an autonomous institution, we managed to satisfy the high expectations of NAAC and were once again awarded with an A grade. This year, we also received an ISO - 9001: 2015 certification. Thus, it is no wonder that the University of Mumbai reached out to us, and invited CA Dr. Reena Desai and CA Sindhu Menon to showcase the best practices of an autonomous institution. The yearly AQAR report was submitted to NAAC on time. My thanks to all the teaching and non-teaching staff for this feat. Our Academic Enrichment Committee is already gearing up for the many changes that the National Education Policy 2020 will bring. Also, we will be offering two new Undergraduate Programmes from the next academic year - B.Sc Geoinformatics and B.Sc Psychology. We have already signed nineteen MOUs with various institutions and professional

bodies; that number is only going to go up. In June 2023, we will be conducting an international seminar in collaboration with the Research Foundation of India.

I am full of gratitude for the unflinching support of the management. I also could not have asked for a more supportive Director than Dr. (Mrs.) Ancy Jose. Thank you Ma'am for your guidance. Vice Principal Dr. Mona Mehta, for the umpteenth time, thank you for helping me in handling the daily functioning of the College. I also thank the Governing Council, Academic Board and the Boards of studies for helping us achieve the status of a premier institution.

My dear faculty members, I am well aware of the hard work you have put to support me in maintaining and raising the standards of Nagindas Khandwala. A special thanks to CA Haresh Godhia, who refused to slow down in his final year of service and maintained his quiet efficiency. To my non-teaching staff, I can humbly repeat my thanks for your support throughout the year. Dear parents, thank you for your encouraging presence. Last but not the least, my dear students, bravo and thank you for your present and future achievements. After all, you are the ambassadors of Nagindas Khandwala.

I'd also like to thank Mr. Edwin Mathias for helping me compile this annual report. I had to leave out numerous other achievements of our institution. Thankfully, they will be featured in our College magazine Niharika. I end my report by thanking the Almighty for always leading us to our vision. May God bless all of you.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) firmly believes that quality must be enhanced in every activity undertaken by the College. The foundation of good education is rooted in ensuring that all stakeholders contribute to the improvement of quality. As a change agent, the IQAC strives to strengthen all dimensions of education within the College. Additionally, the IQAC guarantees a heightened level of clarity and focus in institutional functioning, with an emphasis on quality enhancement. This approach ensures the internalization of the quality culture and promotes the enhancement and integration of various college activities and best practices.

To strengthen Industry - Academia Linkage, IQAC planned a Corporate visit to Amplisport on 13th January 2023 in which Dr. Mona Mehta, Dr. Sindhu P.M., Dr. Sweety Garg and Mr. Ashish Modi participated. Endeavour

Endeavour is a College Social Responsibility initiative, launched under the guidance of Director Dr. (Mrs.) Ancy Jose in June 2014. On 10th September 2022, the event was held with Mr. Atul Mathur, EVP HR and Head of Learning and Development at Aditya Birla Capital, as a distinguished guest. The topic of his keynote address was 'Roadmap to Managing Change'.

According to Mr. Atul Mathur, "Change is an essential part of growth and development, both for individuals and organizations. To effectively manage change, it is important to have a roadmap that outlines the key steps required for success. This roadmap typically begins with a clear understanding of the need for change and establishing achievable goals and objectives."

Mr. Atul Mathur said, "Communication is a critical element, and it is essential to engage all stakeholders in the process, ensuring that they understand the reasons for the change and how it will impact them. Training and support should be provided to equip employees with the necessary skills and knowledge to adapt to the change. Ongoing evaluation and monitoring of the change process is crucial to measure progress towards the desired outcomes. Finally, feedback and support should be provided to ensure that everyone involved feels valued and supported throughout the change initiative." Overall, the Endeavour event was an informative program that enlightened participants on managing change in the workplace and their lives.

ISO 9001:2015

ISO aims at creation of quality assurance systems and performance-related mechanisms in continuing education and training. The College adhered to all ISO standards to maintain quality in this academic year as well. The 9th internal audit was conducted on 5th and 6th of August 2022 and subsequently, the Management Review Meeting was held on 15th September 2022. The ISO Certification Audit 9001:2015 was conducted by TUV Nord, Germany from 18th to 20th January 2023. The college received the ISO 9001:2015 certification without any non-conformity.

Under ISO, two quality objectives were taken up viz.

- To provide six human-days of training programs for the faculty in the academic year 2022-23
- To improve the research output of the faculty members and students.

Both the above quality objectives were successfully achieved as planned and the achievement of these objectives was monitored for maintaining continuous improvement. 22 training programmes were organised for faculty members in the academic year 2022-23, totalling 34 human-days based on the competency skill matrix filled by the faculty and the feedback received for the programmes was analysed.

REVIVE

REVIVE, an Inter-Collegiate seminar was conducted on 4th February 2023. Revive 2023 comprised of two vibrant speakers namely Colonel (Dr.) Divakaran Padma Kumar (DPK) Pillay, awarded with Shaurya Chakra and Commodore Mr. Vijaypal Singh Rawat, an alumnus of National Defence Academy.

Colonel Dr. DPK Pillay is an Indian Army Officer awarded with Shaurya Chakra, also one of the only three awardees to be felicitated with the Special Achievement Award. He has also represented the Ministry of Defence at the Conference on Disarmament at the UN office at Geneva. The soldier's humanitarian services have earned him the sobriquet of 'Hero of Manipur' and 'Savior of Longdi Pabram'. He spoke about the experiences and what all situations provoked him to get into Defence. He enlightened the audience about his encountering experiences in Mission Hifazat.

Commodore Mr. Vijaypal Singh Rawat was a part of elite special forces of the Indian Navy (MARCOS). He has commanded large scale operational assets and special operations from operational naval units to headquarters. He has been awarded as the 'Chief of Naval Staff Commendation' and 'Commander-In-chief Commendation'. He spoke about the great oceans, life as a marine Commodore and the crown of self-confidence. Their presence ignited the auditorium with blazing energies and left the audience spellbound with their magical spell of words. Their magical aura kindled a spark of patriotism, zeal and positivity in everyone's hearts.

ACADEMIC ENRICHMENT COMMITTEE

The Academic Enrichment Committee was formed in the academic year 2022-23 with an aim to imbibe the best practices for providing an improved academic system for the students of our college.

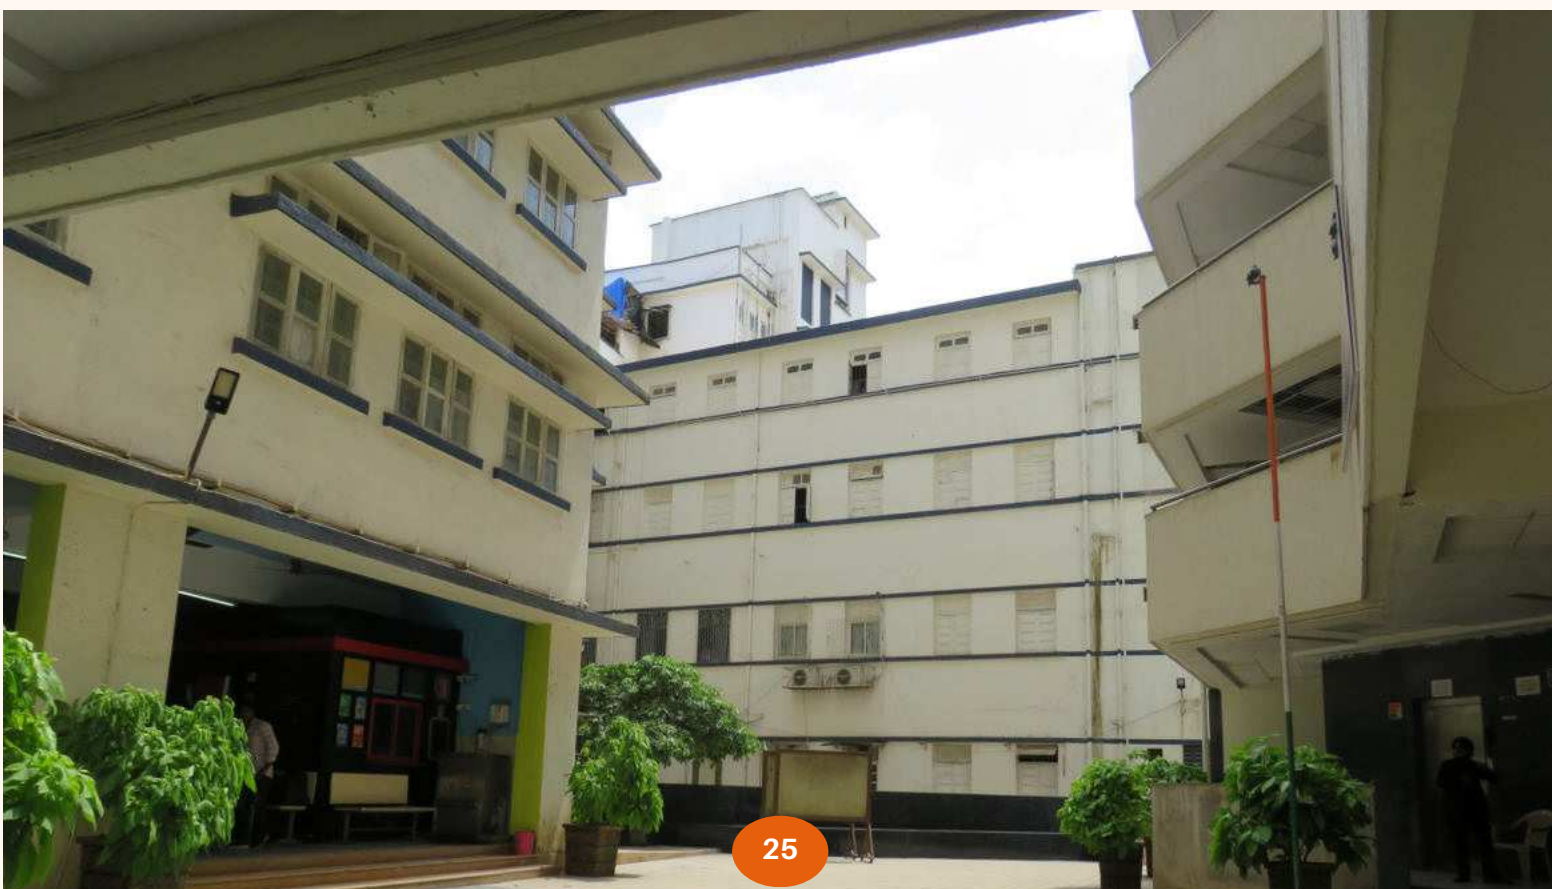

On 6th September 2022, the Academic Enrichment Committee in association with IQAC and Examination Committee organised a Faculty Training Workshop on Curriculum Framework. The resource persons for the workshop were Ms. Elizabeth Leah George, Controller of Examinations, CA Sindhu Menon, member of the Academic Enrichment Committee and Dr. Madhukar Dalvi, member of the Examination Committee and their sessions covered topics such as Curriculum Framework, PO CO Mapping and Attainment levels respectively.

Members of the Academic Enrichment Committee CA Dr. Reena Desai and CA Sindhu Menon attended the One-day State Level Conference on, 'Accreditation: The way ahead' organised by Mumbai University in association with RUSA on 11th November 2022 and participated in the Poster Exhibition on Best Practices under NEP.

The Committee has been instrumental in introducing Skill Enhancement Courses such as Tally & Excel, GIS & Pollution, Environmental Awareness and Monitoring system and Branding Yourself for second and third year students to enable them to complete their extra credits under autonomy.

The Committee is also proactively engaged in the implementation of NEP 2020 in our college with effect from academic year 2023-24. The Committee has begun the process of reworking the curriculum framework of all degree programmes in line with requirements of NEP 2020 and has also been successful in getting a majority of our students registered under the Academic Bank of Credits.

NAAC

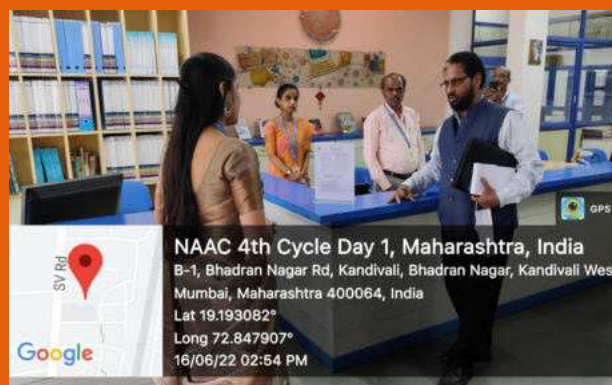

"Strength and growth come only through continuous effort and struggle." – Napoleon Hill.

These words of Napoleon Hill perfectly align with the efforts of Nagindas Khandwala College, which underwent its 4th Cycle of NAAC Peer Team Visit on 16th and 17th June 2022. The Peer Team Members, including Dr. K. Manimekalai Kalidhasan (Chairperson), Dr. Sheela Prasad (Member Coordinator), and Dr. Joseph P.P. (Member).

The visit began with a presentation by Principal Prof. Dr. Moushumi Datta, followed by presentations from the HODs/Co-ordinators of all departments. The team visited various facilities, including the Computer and Language Lab, Library, Research Centre, Examination and Evaluation Centre, and Gymkhana. They also interacted with students, alumni, and non-teaching staff. The first day ended with an interaction with the IQAC team, followed by a cultural program presented by students.

The second day began with interactions with the Placement and Career Counselling Cell and Incubation Centre, followed by a review of Best Practices and Institutional Distinctiveness with the Principal and IQAC Co-ordinator. The visit concluded with an Exit Meeting with all stakeholders. Nagindas Khandwala College's hard work and commitment to excellence paid off, resulting in the college receiving an 'A Grade' in its 4th Cycle of NAAC. The College's commitment to excellence and dedication to providing quality education will undoubtedly inspire and motivate students and faculty alike to reach for the stars and achieve their dreams.

Career Development and Placement Cell

As Career Development and Placement Cell believes in 'We' instead of 'I', the Team commenced its academic year by welcoming Asst. Professors Mr. Edwin Mathias and Ms. Sherlin Rajan on board.

Counselling Sessions to Map Aptitude with Attitude

Hundreds of resumes are sent to corporate HRs each day for various jobs. How do these head-hunters determine who is the best candidate for a job? Aptitude tests help corporate houses to filter candidates and are being increasingly used. A need has been felt therefore to prepare our learners for this.

On 15th June 2022, an online test was administered for about 340 interested third year students. This test could be done from the convenience of their homes. Personalized feedback of the results was emailed to the candidates. Dr. Neha Ahirwal, Key Accounts Manager- Institutional Engagement, GUS India held a One to One campus counseling session on 24th June 2022 for those who required further clarification.

The Investiture Ceremony

At the investiture ceremony on 24th June 2022 our Student Chairpersons Ms. Palak Pandit and Mr. Manav Desai from TYBAMMC and Ms. Surabhi Salunke from TY B.Sc.CS and Student Vice Chairpersons Dhruv Hathalia and Priyanshi Zaveri from SYBAMMC and Mayuresh Shelke from TY B.Sc.CS took charge. Parents attended the programme to witness the important leadership positions their wards were being conferred with.

Principal interaction with Parents and Industry Representatives

On 30th August 2022, Principal Prof. Dr. Moushumi Datta interacted with Third year students and their parents regarding the importance of developing industry readiness through the Career Development and Placement Cell.

Dr. Rohit Reddy and his team from Expertron conducted a session for students on career building and a mock interview. A humorous capsule, "HR Pe Atyachaar," brought out the challenges that HR Managers and Placement Officers face during the on-campus recruitment processes. It was a joint effort of the CDPC executives and the Department of Multi Media and Mass Communication. The capsule was scripted and directed by CDPC Student Chairperson Manav Desai.

Signing of Memorandum of Understanding with The Corporate World

Companies now have their logos displayed on the college website as our hiring partners. Six Ladders will be creating a job board for CDPC registered students and corporate houses effectively from the annual year 2023-24 onwards. Both the faculty members and students will undergo training on negotiating the interface.

Training Initiatives of CDPC

Train the Trainers

The College constantly strives to equip its faculty members for their responsibilities and opportunities. Faculty members of CDPC, Asst. Professors- Preethi Rao, Ashish Modi, Wilson Nadar and Urvi Samant attended the Placement Officers training workshop organized by Indian Business School, Powai on 28th July 2022. The team exchanged thoughts with other delegates on the challenges and opportunities that TPOs face and found that universally they were similar. The workshop validated the efforts undertaken by the NK Placement Team. On 6th February 2023, Asst. Professors - Ms. Vishaka Bagwe and Ms. Sherlin Mary Rajan attended a Skill Council Workshop organized by the Skill Council of India at Thane.

Train the Job Seekers

On 1st October 2022, Placement officer Ms. Preethi Rao trained the E-Commerce learners for interviews. Twenty three of them are now working in companies such as Fresh Press, OORJA, UpprCas3 Pvt.Ltd on part time assignments pending full time employment once they graduate.

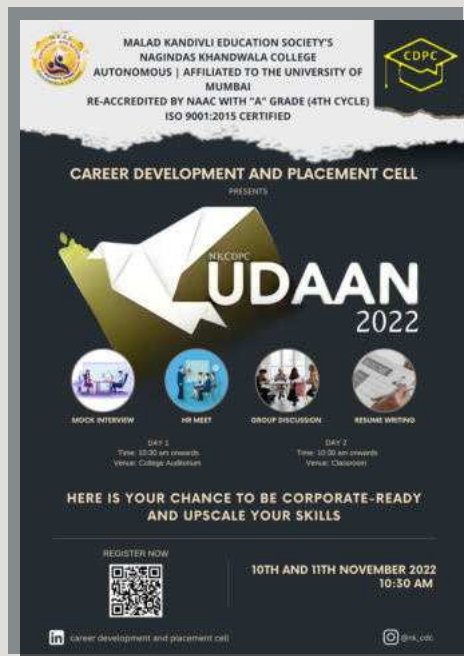

Asst. Prof. Preethi Rao

UDAAN 2022-The Training Continues

The Two-Day College Corporate Festival on 10th and 11th November 2022 had corporate trainers from Squad InfoTech and TNS India Foundation conduct practical sessions in Resume Building. Participants from across several programmes received hands on experience in Personal Interviews and Group Discussions.

Under Ms. Richa Modi Program Specialist, Training-TNS Foundation nine of our undergraduate commerce students have successfully completed their C2CT training out of the initial 19 participants and will be attending employment opportunities for their final placements in upcoming career fests. Thirty Computer Science and IT Department learners have been identified after a vigorous round of interviews and the training is currently ongoing.

The Zonal Sales Manager of Reliance Nippon life Insurance, Mr. Manoj Raijade and HR Manager Ms. Sailee Talekar presented a campus to corporate programme to the students of Banking and Insurance on 15th November 2022. This was under the watchful eye of Asst. Prof. Wilson Nadar. The first employment opportunity that learners of this department get is to sell financial products. And therefore get them industry ready, the officers trained participants on 'Making a Sales Pitch'.

PLACEMENTS

Following the tagline of Career Development and Placement Cell i.e., 'Future Ready-Today!', Team organized several campus placements for Third Year Students. And also, learners are being informed of industry openings on an ongoing process. On 5th July 2022, Tech Mahindra was on campus to hire graduates of 2022 from all over Mumbai.

On 10th August 2022, Auraa, a branding agency came to campus to hire our current third year students from Department of Computer and Information Science for the role of Web Development. 13 students participated in the same and after two rounds of selection Kiran Kidecha from the Department of Information and Technology has been selected for the training programme with a job offer waiting for him in April 2023 on successful completion of his graduation. On 5th December 2022, Suryasen Vishwakarma (TY B.Sc IT) received an offer of Rs 11 lakhs from BRANDSFI as Software Development Engineer.

CAMPUS JOB FEST

24th February 2023 was a red letter day for the campus. 13 companies participated in the Campus Job Fest. Out of the 75 undergraduate students who attended 54 of them have received letters of intent. The highest pay package offered through the on site job fair has been Rupees 4.5 Lakhs per annum. As of 31st March 2023, 102 students have been placed.

COUNSELING CELL

Counseling helps students to recognize the factors contributing to their problems, while at the same time helping them to look for solutions through adopting good habits. In the year 2022-23, approximately 50 students approached with problems related to improving self-esteem, how to cope up with life challenges, to manage stress, anxiety, communication and relationships skills etc. Proper guidance helped students to achieve their goals and allowed them to manage everything accordingly. All the appointments were through mail which kept their data confidential and saved their time. Fees were not charged for the services provided. Counselor is available on Tuesdays and Thursdays

Ms. Sheetal Gogri

ACCOLADES

The S. Jayakumar Ebenezer Memorial cash and trophy prize for the best corporate executives for the year was awarded to Student Chairperson Ms. Palak Pandit (TY Multi Media and Mass Communication.) and Ms. Surabhi Salunkhe (TY Computer Science) These student executives had unstinting support from Student Chairperson Manav Desai and Student Vice Chairperson Priyanshi Zaveri.

The Cell puts on record the immense help rendered by Asst. Prof. Ashish Modi in the crucial data management. Ms. Vishaka Bagwae has helped co-ordinate all opportunities in the IT sector in a calm and effective manner. Ms. Urvi Samant has brought her expertise in managing student teams and finance. Gratitude goes to Mr. Wilson Nadar for handling opportunities in the commerce sector diligently and ably assisted by Ms. Sherlin Rajan. Logistics and venue management was in the capable hands of Mr. Edwin Mathias who made the entire process seamless.

Asst. Prof. Preethi Rao

Degree Certificate Distribution

The Degree Certificate Distribution Ceremony was held on 30th April 2023. The Chief Guest for the function was Prof. Suhas Pednekar (Former Vice Chancellor, University of Mumbai). Prof. Suhas Pednekar has been appointed Vice Chancellor of the University of Mumbai in April 2018. He has over 30 years of academic experience as a Undergraduate, Postgraduate Teacher and a Researcher. His dedication to academia and research is well known and highly regarded.

The ceremony began with a warm welcome from Dr. Ancy Jose (Director, M.K.E.S Group of Institutes), followed by an introduction about the College by Principal Prof. Dr. Moushumi Datta. Shri Hashmukh Bhai Rambhia gave the presidential address in which he outlined the society's vision.

Prof. Suhas Pednekar delivered an inspiring and thought-provoking address to the Undergraduate and Postgraduate students in attendance. Some excerpts from his address are as follows:

- He urged students to take the time to discover new things about themselves each day, posing questions such as: "What should you be known for?", "Where do you stand today?" and "Where do you want to go?". He encouraged students to think about the knowledge and resources required to reach their goals, as well as the obstacles they may encounter along the way.
- Prof. Pednekar emphasized that there are two types of people in the world: success seekers and failure avoiders. He stated that the growth of success seekers is far greater than that of failure avoiders and that good decisions in life are often the result of experience gained from making mistakes. He stressed on the importance of adaptability in today's fast-paced world and the need to work collaboratively with others. Prof. Pednekar also discussed the concept of 'horizon leadership,' which places value on strong character and values in leaders.
- In today's changing work environment, Prof. Pednekar highlighted the importance of preparing students for the jobs of the future, including hybrid modes of work and the use of mobile devices as teaching aids. He concluded with a poignant example of 'Mirror into Window,' emphasizing the importance of giving back to society.

In total, 593 students were awarded their degrees during the ceremony, and the organizing committee's efforts were applauded by all in attendance.

CULTURAL ACTIVITIES

STUDENTS' COUNCIL

Aspiring to spread awareness about the importance of Yoga, the Students' Council and the Women Development Cell organized Yoga Fiesta - A Four Day Yoga Fest. The programme took place from 7th to 9th June 2022, as well as on 21st June 2022 - celebrating International Yoga Day. Setting the mood for the season of monsoon, the Students Council organized an Umbrella Painting Competition for all the students.

The fest Aagman was a combination of teamwork, hard work and coordination among students. Held on 2nd and 3rd of August 2022, the competitions were performed by various sections of the college as an Intra College competition. Lastly, the deserving winners were proudly given the awards and appreciated for their efforts. Celebrating the love of friendship, the students council organized a fun activity to celebrate Friendship Day on 6th August 2022. Also, to welcome the first year students of the Aided Section, the Students' Council organized a Fresher's party on 13th August 2022. On 15th August, everyone assembled in the college quadrangle at 8.15 am, excited to hoist the flag and celebrate Independence Day. The Chief Guest for the day, Shri Dilip Gala - Honorary Secretary of MKES hoisted the flag.

In collaboration with GSM (Gujarati Sahitya Mandal), Gujarati Bhasha Divas was celebrated on account of the birth anniversary of Kavi Narmadashankar Dave, on 24th August 2022. Black and White Day was celebrated on 27th August 2022, with many fun games. During Navratri Week, the students followed the nine colours of Navratri from 26th September to 5th October 2022. On the occasion of Diwali, a Diwali celebration was organized by the Students Council on the 24th of October, which included decorating the campus with rangolis and diyas, and conducting a puja ceremony.

On account of Children's Day, the Students Council celebrated Denim Day. All the excited students showed up in their favourite denim outfits. On account of 26th November, i.e., the Mumbai Attacks, the Students Council, in association with NCC (National Cadet Corps) organized a candle-lighting ceremony. Students, professors and NCC members paid tribute to the victims and martyrs of the 26/11 attacks, on the eve of the 14th anniversary of the tragedy. The Students Council members organized Bollywood Day on 21st December 2022. All students were instructed to dress up as their favourite Bollywood actors and actresses.

Traditional Day was organized on 23rd December 2022, as all students excitedly came dressed in their favourite traditional clothes. A small DJ Session was held in the college quadrangle. As an annual event, 20th to 24th December, stationery, food, clothes, etc. were collected and donated on the same day. On the occasion of National Youth Day, a talk was held in regard to the Youth. Shri. Vijay Suchak, the former Vice Principal, was the guest speaker. It was a session speculating the future of the nation as the youth will soon be responsible for that. Overall it was an enlightening session.

Springz – The season of Mauj, the biggest event of NK college took place on 14th, 16th and 17th of January 2023. The Chairperson Ms. Drashti Mody, Vice Chairperson Mr. Jash Jain, Additional Chairpersons Mr. Dev Lalan and Ms. Khushi Joshi assisted the Chairperson and Vice Chairperson. The year's most special day, Annual Day, took place in Prabodhankar Thackeray Hall, Borivali. There were mesmerising performances that included solo dance, solo singing, duet singing, duet dance, group performances, skits, plays, etc. The skit from the Gandhian Studies Centre paying tribute to the father of the country was also one of the highlights of the day. The skits and street plays performed by the students of NKD and NKBAMMC were surreal, highlighting real life issues like Stereotypes and a heart-touching play on 26/11 attacks, respectively. The Students Council organised a farewell function for the TY and PG students on 9th March 2023. The graduating students gathered in large numbers to bid a fond farewell to each other.

SYMPHONY

Symphony, the much-awaited Intra College Fest of NK College, provided a platform for the vibrant and talented youngsters to showcase their skills and explore their areas of interest. This annual event offered a diverse range of 45+ events, spanning literary arts, fine arts, performing arts and Informals and experienced a participation of 2000+ participants competing fiercely for the coveted "NK's Best" title. It created an atmosphere of excitement, camaraderie, and celebration of talent within the college. Symphony elimination took place on 6th, 7th & 8th February 2023 and Grand Finale was on 10th February 2023, attracting enthusiastic students from various streams and disciplines. The fest aimed to promote and nurture creativity, innovation, and artistic expression among the students. Through its wide array of events, it allowed participants to exhibit their talents, discover new passions, and build lasting memories.

Symphony provided a platform for students to showcase their writing prowess through events such as poetry recitation, creative writing, debate, and quiz competitions. These events encouraged participants to display their knowledge, critical thinking, and communication skills while engaging in healthy competition. The fest celebrated the visual arts through events like painting, sketching, and poster-making competitions. Participants unleashed their creativity, using various mediums and techniques to express their thoughts and emotions. The art exhibitions allowed students to appreciate and learn from each other's artistic endeavors. Symphony offered an array of performing arts events, including dance, music, theatre, and talent showcases. Students mesmerized the audience with their graceful movements, melodious tunes, theatrical performances, and captivating acts. The performing arts competitions provided a platform for participants to unleash their passion, skills, and stage presence. Symphony has become an integral part of the college's cultural calendar, igniting a sense of excitement and enthusiasm among the students. The fest not only provided a platform for young talents to shine but also fostered a spirit of healthy competition, collaboration, and self-expression. It allowed students to explore and nurture their talents, helping them grow both personally and artistically.

Symphony serves as a reminder that every individual possesses unique talents and abilities waiting to be discovered and celebrated. By providing a platform for students to showcase their skills and receive recognition, the fest helps foster a positive and inclusive college culture, promoting overall personal and creative development. The success of Symphony is a testament to the dedication, hard work, and enthusiasm of the organizers & the participants. It is an event that encapsulates the vibrant spirit of NK College and provides a nurturing environment for its students to explore, excel, and find their own symphony of talents.

KASHIDA FASHION INSTITUTE

**Kashida Fashion Institute celebrating a decade
of contributing to the fashion industry.**

Nagindas Khandwala College, Mumbai, was abuzz with excitement on 8th April 2023, at Ferosh – a flagship fashion show of Kashida Fashion Institute. Student designers of Kashida showcased the best of their latest designs on ramp. Since last 10 years, Ferosh has been providing budding fashion designers an extensive platform to share their knowledge and creativity.

The outfits showcased at Ferosh were a spectacular display of creativity and innovation by the third-year degree students of Apparel Design and Construction Course and final-year diploma students. Outfits were inspired from a diverse range of sources – such as Chakras, Royal Chairs, Lamps, Renaissance Era, Colors, Flowers, amongst others. Each outfit conveyed a distinct message, reflecting the designer's unique style and vision. The two highlights of the show were – Inclusivity and Reduce, Recycle & Reuse (RRR), these sequences showcased outfits for all genders, body types, and age groups from 6 to 55 years, promoting the idea of fashion as a means of diversity and self-expression for all and RRR featured outfits made from old garments, this idea is aligned with the vision of the institute and is a message to the entire fashion fraternity.

Capt. Chahat Dalal (Mrs. Galaxy 2023), Rashmi Desai (Actress), and Nupur Sarvaiya (Contributing Editor at Vogue), the trend-setters who contributed their valuable inputs and were on the panel for Ferosh 2023. Commenting on the celebration, Trupti Davda, Founder & Director at Kashida Fashion Institute, said, "Fashion is not just about the clothes we wear, it's about the impact we make. Being fashionably responsible means choosing to create a better future for ourselves and for the environment."

Kashida constantly aims to nurture creativity and encourage innovation with comprehensive practical training, industry networking and get the generation ready for the competitive fashion world. Ferosh 2023 was a testament to students hardwork and dedication.

Mrs. Trupti Davda

B-SECTION

On 1st July 2022, the students of B-section came together and decided to pay a respectful tribute to the economic reform of India by celebrating Goods and Services Tax Day. On 13th July 2022, the B-section commemorated the auspicious occasion of Guru Purnima. On 22nd August 2022, the 19th edition of the Inter-Collegiate educational seminar, QUEST was held at the Prabodhan Thackeray Auditorium. The main agenda of Quest 2022 was to inspire every individual in the vast area of finance, so as to achieve this goal the theme for Quest 2022 was 'FINSPIRE- An Inspiration to excel in finances'. Quest witnessed participation from 15 colleges and 850 participants in all. The venerated speaker for the event was Mr. Mitesh Popat, the CFO of Citi's Global Equities Sales and Trading Franchise (USA).

The B-Section organized Orientation on 17th and 18th of August 2022. The fundamentals of financial markets were explained by Vishal Gada, Co-Founder, and CMO of Financial Planning Academy. Freshers Party was organised on the 8th, 10th, and 12th of September 2023. The 19th edition of 'PRAVAAH - Flow Towards Humanity', the Inter-Collegiate fest was successfully held from 25th to 28th January 2023 over the course of 4 days, on the theme, 'Incredible India - Antiquity of Indian Empires.' Day 1 started with the inauguration and 12 events were successfully conducted with contingents from several colleges vying for victory. The students of B Section visited Mother Foundation, an orphanage in Malad East, on Day 2, or B-Foundation Day, which was observed on 26th January 2023.

The team joined the orphan children in celebrating Republic Day, as a part of the annual ritual of supporting social causes on B-Foundation Day. The Sir J.P. Sports Arena hosted six activities on Day 3 fell within the athletic, cultural, and entertainment categories. Each event saw participants putting their best foot forward, and striving to bring glory to their contingents. Day 4 of Pravaah 2023 included eight activities with strong competition and revered judges. It ranged across various talents and resulted into a beautiful showcase of the cultural heritage of India. The academic year 2022-23 has been very eventful for the BMS Department of Nagindas Khandwala College. To impart knowledge to the students of NKBMS, an alumnus of the BMS department was invited as a speaker for 'Alumni@Campus' on 12th July 2022. A total of 195 curious minds attended the seminar to get enlightened with the speaker, Mr. Shivam Modi's wise words. The students were left with thought provoking ideas which inspired them to follow their dreams. On 29th July 2022, International Tiger Day was celebrated with a 'Poster Making Competition' organised by the BMS section. 40 students participated in this event. Awareness regarding the depleting number of tigers was emphasised with the creativity and talent of students.

IQAC of Nagindas Khandwala College conducted an orientation program for first year students who joined in academic year 2022-23. This was a 2-day program which was conducted in two sessions on 17th and 18th of August 2022. FYBMS students attended the orientation program in maximum numbers which helped them to get acquainted with the BMS program very well.

The trademark of NKBMS, 'KIRAN 2022' was held on 26th August 2022. The students of the BMS department worked day in and day out to make Kiran a grand success. The event was held at Prabodhankar Thackeray Hall, Borivali with an audience of about 1000 students from colleges all over Mumbai. The guest speaker for the event was none other than the first transgender person to represent not just India but the entire Asia-Pacific at the United Nations task meeting in the year 2008, the Acharya Mahamandaleswar of Kinnar Akhada - Laxmi Narayan Tripathi. She spoke exquisitely on the 'Changing Landscape of Gender Dynamics in Society' leaving everyone astounded with her profound knowledge on the subject. The freshers party for the FYs of the BMS Department was organized on 13th September 2022 at Adlabs Imagicaa with 98 students. Thrilling rides and fun filled activities were played by not just the students but also by the faculty members.

On 16th September 2022, IQAC and BMS Department organized a one day Faculty Development Program (FDP) in association with ICSI. I.B.Com (B.Com in International Accounting)

I.B.Com is an International course that encompasses global career opportunities to the students who have completed their 12th grade (HSC). The I.B.Com course is designed for students to gain hands-on expertise in the league of IFRS Global accounting and International Financial reporting standards. I.Bcom covers core subjects of ACCA and Business practical knowledge. With the 360 degree transformative curriculum, students will be equipped with business analytical skills. I.B.Com as a dual degree does not require the student to spare any additional years but within 3 years of graduation itself can get them globally recognized and ready to take on challenging roles in their career.

With Finplan Edu equipping students with globally recognized certifications and courses since 2011, with its renowned university and institution partners, students find the program providential to start their journey towards a global career. The

program is offered by recognized universities/institutions which harnesses students' entrepreneurial knowledge, networking skills, and aptitude. With high resume value and industry-relevant skill and practical knowledge, students land numerous opportunities to work in a global work environment. With the completion of globally recognized I.Bcom courses, students can resume their journey towards their global career path.

Here are some of the well-rounded events to reminisce; Giving importance to the physical fitness and sportsmanship, we had our sports day which was graced by a large number of sports enthusiasts. Fresher's day was filled with enthusiasm, joy, and excitement that fresher students carried with them as they enter the new phase of their lives. Farewells are often a bit too overwhelming as students bid adieu to the most memorable years/events of their lives spent in college.

Garba Night was not only filled with colors, dance, and music but also witnessed the union of students who came together to perform, celebrate, and show intense respect to one another's cultures. Beach Cleaning Drive was a successful event as it is quite important to inculcate values and impart the same in our lives. Christmas celebrations were held in the most fun and engaging way. Gurupurnima as a day is quite important in a teachers' as well as a students' life, as teachers hold the ability to mold the students' lives, the day was marked with immense respect towards all the teachers who helped us grow, evolve, and contribute our best to the society.

SPORTS MANAGEMENT

Sports management is an interdisciplinary field. Most of the major industries related to sports are the professional leagues that most of the other industries in the sporting world revolve around. Sports management includes managing athletes, working for corporates or leading sports organizations or managing professional programs, and other professional or non-professional sport leagues in terms of marketing, promotions and many more areas.

We offer high quality and well researched undergraduate and postgraduate educational services in Sports Management- B.B.A. (Hons.) in Sports Management, Master of Sports Management, PG Diploma in Sports Management & Diploma in Sports Management. Our objective is to produce an elite class of Sports Personnel who will be academically, professionally, and ethically sound with a practical approach.

'Orientation Day' Kick started the academic year with full gusto. It was an informative session which helped students to navigate academically and socially, transitioning to a programme offered by Nagindas Khandwala College

(Affiliated to University of Mumbai) in collaboration with Nest Academy of Sport Management.

Industry professional Harshal Shah - Founder Zsportsstech running three successful brands and is club level cricket player graced this occasion as a guest speaker along with MAYUR TELANGI AGM (ICW CONSULTING) Heading the Indian Olympic Association for 2020 Tokyo Olympics. P&L management of Mary Kom, Hima Days, Vijender Singh. Another Industry Expert Mr. Rushi Kapadia, Senior Sports Producer, for a leading Sports Broadcasting channel in India interacted with students.

During the year, we invited guest speakers from the industry, and they shared their knowledge and experience in this vibrant field of Sports Management.

Mr. Karthik Yanamandra is an Industry expert in the field of Sports Management, Sports Marketing, Business Development, Digital Marketing, Event Management, Business Operations etc. He enlightened our students by sharing his views about Sports Merchandising, Sports Marketing & shared his experience. Mr. Ranjeet Shankaripsum, has worked for some of the biggest brands in India and APAC, dealing in fitness and lifestyle technologies & he was rated as one of the Top 100 Retail Minds of India. He emphasised the value of having strong leadership skills as a sports manager. In his presentation, he explained the traits of a good leader, how to spot teammates who are good leaders, and how to think about the fundamentals of leadership. He explains in his closing remarks that being a successful leader requires time and work, but it is worthwhile.

Mr. Siddarth Sabapathy is the Founder of VPPL (Vile Parle Premier League) a football league and General Manager for Ahmedabad Defenders. To lay a solid basis, he advised the sport manager to become familiar with the fundamental, elementary rules, practises, and strategies of sport. Observe and evaluate performance in order to pinpoint areas that need improvement, stay informed, make connections, and concentrate on growth from the grassroots to the elite.

On 26th June 2022, NKC NASM organized a human ludo competition for its students, which saw a total of 69 participants, showcasing the enthusiasm and spirit of the students. The competition was a fun and exciting way for the students to engage in physical activity and develop team building skills, while also promoting a healthy and active lifestyle. Yuva Premier League (YPL) is a national inter-collegiate sports tournament comprising teams or individuals from various universities or colleges. The competition provides students with hands-on experience in critical aspects of event design, organisation, and execution.

YPL was held on 18th & 19th Nov 2022 at the Sports Authority of India (SAI) ground in Kandivali East, it was a two days festival celebrating all the values of sports. It was a resounding success as thousands of students across Mumbai took part in this magnanimous event. The spirits of sportsmanship ran high, as the competition conceptualized and managed by the students of NASM saw immense participation and performance.

The participants fought it out in athletics, box cricket, basketball, Kabaddi, Rink Football and Volleyball to get crowned as the best college, and helped this edition be the most successful edition of the sports event so far. It was a thrilling experience for both the players and the management involved, as the event showcased the brilliant talent. This type of competition provides students with a valuable opportunity to apply their theoretical knowledge to real-world conditions and earn practical experience in their field.

हिम्मत है हथियार

This year's theme is intended to show appreciation and honour the accomplishments of Indian Para Athletes who have excelled at the National and International levels and brought honour to their country. Despite their difficulties and injuries, these Indian Para Athletes and Athletes continue to get stronger and inspire us. We take great pride in rewarding them for their struggles and abilities as a pioneering institute of sports management.

Social Initiative of YPL:

In today's fast-paced life, we often forget the importance of giving back to society. NKC sport management department took the initiative to conduct sports activities with the students of Jeevdani Matimand Vidyalaya as a social cause. Students took the initiative to organize games for the students of this school. The initiative helped in providing the students with a new experience and taught them valuable life skills. It is heartening to see students taking such initiatives and making a positive impact on society. We hope that more students follow footsteps and contribute to society in their unique way.

Industry connect:

Internships and placements are crucial for students as they provide practical experience and hands-on learning opportunities which even help students develop skills, gain industry insights, build their network, and enhance their resumes, making them more competitive in the job market. Furthermore, placements can lead to permanent job offers, providing students with a launching pad for their careers.

Internships & Placements : IPL 2023, WPL 2023, SFA Championship Pune, Fifa U-17 Women's World Cup, Navi Mumbai Premier League 2023, Showboat Hub - National Games Gujarat, FIH Men's Hockey World Cup, ISSA, Only Much Louder Media - Mumbai Indians, Sportz Interactive, ISSA, Birbal Sports.

INTERNATIONAL INITIATIVES

Nagindas Khandwala College has established Memorandum of Understanding (MoUs) with foreign universities to promote international and intercultural understanding, as well as academic cooperation and collaboration.

The College has entered into MoUs with the following foreign universities:

1. University of the Fraser Valley, Vancouver, Canada, for IT/CS students. This unique program allows students to study for two years at Nagindas Khandwala College and two years at the University of the Fraser Valley. Students will be awarded Undergraduate degrees from the University of the Fraser Valley.
2. Royal Roads University, Victoria, Canada, offers a similar 2+2 option for Commerce students.
3. Rider University, USA, offers pathways to Undergraduate and Graduate degrees for Nagindas Khandwala College students. Students accepted into Rider's Undergraduate and Graduate degree programs can participate in collaborative professional development and training initiatives, as well as collaborative research and development projects.

Nostalgia 2023

Nostalgia 2023 – NK college alumni reunion, held on 25th February 2023, brought together graduates from Nagindas Khandwala College for a memorable and engaging event. The reunion aimed to celebrate our shared experiences, foster connections among alumni, and provide an opportunity for networking and reminiscing. The reunion kicked off with the registration process, allowing alumni to check in. A warm welcome speech was given by Mr. Vishal Prabhukhadpe, expressing gratitude for alumni participation and setting the tone for the event. Interactive activities such as icebreaker games, speed networking, and group discussions were conducted to facilitate engagement and networking among attendees. The reunion honoured outstanding alumni for their exceptional achievements and contributions in their respective fields.

Awards were presented in categories such as entrepreneurship, social impact, leadership, and innovation, recognizing the diverse accomplishments of our alumni community. Topics included Career development, Industry trends, Personal growth, and Alumni experiences, providing valuable insights and knowledge sharing opportunities. Alumni were given the opportunity to explore the college campus, witnessing the growth and development since their graduation. A vibrant cultural program featuring music, dance, and theatrical performances showcased the artistic

talents of our current students. Entertainment activities and interactive games added to the festive atmosphere, ensuring an enjoyable experience for all.

The reunion served as a platform for alumni to reconnect with classmates, professors, and college staff, renewing friendships and strengthening professional networks. Alumni were able to forge new connections with individuals from diverse backgrounds and industries, expanding their personal and professional circles. Alumni gained new perspectives, learned about emerging trends, and acquired practical skills applicable to their personal and professional lives. The networking sessions facilitated collaboration and mentorship opportunities among alumni.

The reunion generated a sense of pride and engagement among alumni, fostering a deeper connection to the college and their shared experiences. Attendees left the event with a renewed enthusiasm for their alma mater and a desire to contribute to its growth and success. Nostalgia 2023 proved to be a resounding success, providing an enriching and enjoyable experience for all attendees.

Farewell Memories of our Administrative Staff Members

The support of the management and the hard work put in by all the administrative staff under the able guidance of Principal Prof. Dr. Moushumi Datta inspired us to organize various seminars, workshops and hands on training for Administrative Staff.

Our College organized many workshops, seminars and training programmes for our administrative staff as follows:

- 'Hands on Training' was organized for Class III of Administrative staff members related to the Academic Module of CIMS Portal on 19th April, 2022.
- Awareness programme on Financial Literacy by CASI Global was organized for Administrative staff under Internal Quality Assurance Cell (IQAC) and Khandwala Accounting Circle on 19th July, 2022. Prof. Dr. Paresh Sheth, CEO, Indus and Director - CASI Global, New York was the Resource Person.
- Training Programme 'Sole to Soul' (Dance and Movement) was organized for Class III Administrative Staff by the Internal Quality Assurance Cell (IQAC) on 20th September, 2022.
- A motivational talk by Shri Satish Bendre, titled 'Zindagi Na Mile Dobara' was organized by the Internal Quality Assurance Cell (IQAC) on 30th September 2022.
- A five day Excel Training Programme was organized by Internal Quality Assurance Cell (IQAC) between 1st and 10th November, 2022. Dr. Amrita Aggarwal was the Resource Person.
- A workshop was organized in association with Mastersoft on 17th March 2023 on the topic 'ICT Tools for Online Admission and Examination'.

Our administrative staff members have made these events a grand success, thanks to their team spirit and enthusiastic approach.

LEARN EARN RETURN

Learning is always an on-going process and an inseparable part of everyone's life. This journey of pursuit for knowledge dates as far back as our childhood. As children we continue learning from our parents, family, teachers, friends and everyone around us. They impart values like sharing and encouragement that structure our personality. Growing up, I was blessed with a similar nurturing environment as I continued to harness these learnings and Earning more values along the way. Various experiences continued coming my way as I tried my best to get the most out of it. While doing so, something that always stayed rooted deep within me was the understanding of giving back or Returning and helping - in instances where I was provided support, encouragement and beyond. Then may it be helping a colleague in doubt or a junior or fellow-student looking for guidance.

And being a similar support, my journey would be incomplete without the mention of Malad Kandivali Education Society and their financial support provided towards my Bachelor's degree in Chemical Engineering. My mother has been a part of this prestigious organization that provided me with this opportunity. But what struck me the most about this gesture was the feeling of selflessness of the organization that promoted education to one and all - not just their own students but also children of staff. And that right there was another value I learnt and earned from MKES while being inspired to return it some day. I successfully completed my Bachelor's and proceeded to pursue a Master's degree in USA followed by a career in the industry. An advanced degree opened doors to a broader avenue of thoughts and experiences.

It had been a little less than a year in my job that the wish to contribute and be a part of MKES' mission started resonating within me. Inspired by the assistance provided to me I wanted to give back to students like myself in acquiring education and Independence to make a living of their own. I expressed this thought to my parents and received positive feedback further strengthening my aim. I was fortunate enough to communicate my wish to respected members of the management Hon. President Shri. Hasmukhbhai Rambhia and Hon. Secretary Shri. Digantbhai Upadhyay in person and he showered with their blessings and praises for my modest donation. I was also appreciated by respected Director Dr. (Mrs) Ancy Jose Madam who has always been a source of encouragement throughout my career

She proudly informed the entire organization about my little gesture thus expressing her appreciation further. It gave me immense pride to be associated with MKES and I am thankful to one-and-all that supported me in my journey directly or indirectly.

I am sure that my humble gesture is a drop in the ocean compared to the many lives that MKES has touched over the years - one being mine. I would again like to express my gratitude to inspire and allow me to be a part of your mission. In closing I would just like to share my personal mantra that would make this little journey called life a bit more worthwhile - LEARN. EARN. RETURN.

CLEAN YOUR PLATE

Are we wasting food at our dining table? My answer is in the affirmative (Defiantly Yes), we're only human, and we have some irrational tendencies and some major blind spots not to mention busy schedules that don't always align with our diet and eating habits. 1/3 of the world's food is lost or wasted and this can be prevented by micro management of food. This micro management of food begins with our personal and family consumption of food. We must not bite more than we can chew. We must not order more than our necessity. We must take special care to preserve food for later consumption. We must support our communities by donating untouched food that would otherwise have gone to waste. Wasted food does not mean only economical losses but also natural loss, growing (water, fertilizer and fields), packing and transportation. Preventing food wastage does not only save money from buying less food but also reduces methane emissions (green emissions) from landfills and lower carbon footprint. CRUMBS: - Crumbs are the guilt feelings when we allow our mouth to overload our backs by our attitude disease (indifference). And it's well said, "That you cannot build a peaceful world on an empty stomach."

Farewell Message

Memories by Asso. Prof CA Hareesh K. Godhia
Retired, H.o D. – Department of Accountancy
Nagindas Khandwala College of Commerce and Arts
(Autonomous)

Dear Faculty members and students,

I have retired very recently from the college after 35 years of service and Dr. Nelson Sir was kind enough to call up me and insisted to share my few experiences in this journey. I got nostalgic and dare to share couple of my sweet memories and experience in this college. Hope you will like and cherish the same. My Interview for the post was with Hon. Shri Hasmukhbhai Upadhyay- Trustee (Rev. father of Shri Dignatbhai Upadhyay) , Dr. Uttam R. Koli – Director and Ex Principal of Narsee Monjee College (Where I graduated for my B.Com degree in March 1984). I got selected and offered the post in junior college as the post in Degree College was already filled. Since the Junior College timing was in the afternoon and it was not suitable to me, as I had a private practice as a Chartered Accountant and therefore I politely refused the offer. As the fate had different plans, the teacher who was selected for the post in Degree College, did not report and I was called and offered to join immediately. On 13th July. 1988, I delivered my first lecture in room no.12, in the main building teaching the young, dynamic, enthusiastic students of SY

B. Com, on the topic called “Working Capital”. I have been fortunate to have CA D.K. Vora as first Head of the Department. He and other members of the department, CA Varsha Ainapure, CA V S Manudhane were very cooperative and encouraging. I learnt a lot from them and passed on my learning to my students. My focus was to train them basics about the Topic and then through the examples make them solve the practical issues which are being encountered in day-to-day life of an entrepreneurs. My personal practice helped me share live case studies with them. I have always been training my students beyond the B.Com syllabus and explaining them amount the solution at a higher level of Inter (IPCC) or Final CA level. During the journey, I played all the roles and did my duty to the best of my ability, be it as an Exam In-Charge, Placement Coordinator, Discipline In-charge at Annual Day or member of any committee.

Farewell Message

I am delighted to inform you that we conducted field visit of more than 300 students to Infosys Ltd at their Hinjewadi campus. I was encouraged by Dr. (Mrs) Ancy Madam- then Principal of the college and supported by my colleagues in the staffroom. I got several companies like, LIC of India, ICICI Bank, Cape Gemini, Accenture to name the few who regularly visited our campus and conducted various career guidance programs and Placements (Which was very rare in Commerce college in suburban Mumbai). I have worked with all Teaching and Non-Teaching staff and received unconditional support which I acknowledge with gratitude. Blood Donation drive by NSS was my most favourite event. I used to donate the blood in almost every time and celebrate the day as my Birthday. I suggest you all to donate the same as our Scientist have not been able to find a method to produce the blood in factory. Furthermore, the amount of blood that you donate gets reproduced in your body within a very short time. Hence, I sincerely urge all of you to start donating blood when next time our college arranges the same. I have been fortunate to witness the growth of the institution in leaps and bounds under the guidance of Our Director Madam Dr. (Mrs) Ancy Jose, and Dynamic leadership and “Never say Die” attitude of our Principal Dr. Moushumi Datta. Everyone in the team is so supportive and enthusiastic that we could successfully get the top ranking under NAAC from “5 Star” to “A” Grade continuously for 4th time. I.S.O. certification, The Best college in the University and now a 9th Best Autonomous private college of India. Collaboration with foreign universities in USA, Canada and Australia. Khandwala college is leading from every corner, be it implementation of NEP (New Education Policy) or Online Assessment, CAP (Centralized Assessment Program) lead college.

Our Management has always been supportive of the staff. A testimony to this is a visit to state of art Library – with fill of reference books and journals and ever smiling staff to assist in your Research. Fully Airconditioned campus, timely distribution of Salary on 1st of every month since beginning till date and latest being classrooms with full compliant of Internet, CCTV, Board with a large screen on 7th floor in Law building, is delight to the teacher as well as students. May the lord almighty shower on management with his choicest blessings for the goal of education. Everyone in the staff is committed to each and every word mentioned in the college Anthem.

Before I conclude, let me share the incidence happened during one of the online sessions conducted by me in the TY B.Com – E Division on 17th July 2020. During my offline lectures, I always used to take round in the classroom in the last couple of minutes. Similarly in Online classroom too, I used to give some time for students to share their issues, if any. It was almost one and half month after the start of the regular online lectures (Due to Covid), I was asked by a student “A” (Name withheld) that he was unable to pay the fees due to loss of job of his father (who was working in a ticketing firm in Malad), and his entire family migrated to Rajasthan. He was short of Rs.6,000 and that 17th July 2020 was the last date to pay the fees, else the college will act on him. Before I could answer, Mr. Vishal Shah (Roll No 674) from the classroom raised his hand and told me that he would like to speak on this issue after the lectures were over.

After the day’s proceedings got over, I spoke to Vishal, he said, while the student A was narrating the plight about loss of job and shortage in fees of Rs 6,000/- his mother listened to the whole things and suggested Vishal that why not he and five of his friends contribute 1000/- each and pay on his behalf?. He immediately spoke to Dharmil Shah (Roll no 606), Adit Gandhi CR (Roll No 618) Pakshal Khimavat (Roll No 636), Neil Newton (Roll No 647) and Ridham Vaishnav (Roll No 689) and within no time, everyone passed on 1000 each to the boy A sitting in Rajasthan and before the deadline A paid his full fees. I was so happy and emotional to witness the lord almighty’s grace that it was all done in a jiffy by one good thought of a mother. I salute and bow to mother who proved that we INDIANS, not only believe, but also practice, in वसुधैव कुटुम्बकम् (Vasudev Kutumbakam), which is a Sanskrit phrase found in Hindu texts, such as the Maha Upanishad, which means ‘The World is One Family’. We have read the story of Shivaji Maharaj and Jijabai. Till the spirit of Jijabai is alive in mother, India is going to shine and show the path to everyone in the world.

Friends I am looking forward in near future, A “Deemed University” Status to my Nagindas Khanwala College (Not NL college please!) before Golden jubilee of M.K.E.S Parivar. Thank you for your patient reading. Keep me in your Prayers!

CA Haresh K.Godhia

Farewell Message

As an Assistant Professor and Coordinator at Nagindas Khandwala College for more than a decade, my memories are filled with a mix of emotions and experiences.

At the forefront of these memories are the students I worked with, each with their own unique personalities, learning styles, and challenges. I remember the satisfaction of seeing a struggling student finally grasp a concept we have been working on together, or the pride I felt as my students achieved great results in their examinations and projects. I also recall the many hours spent preparing lesson plans, grading assignments, and providing individualized support to my students. I forget all these struggles on seeing my students coming back with smile on their faces and saying about their career advancements.

I recall the times when some lectures didn't go as planned, or when some students pushed my patience to the limit, or when I felt overwhelmed by the demands of the job. I have faced challenges such as managing difficult students, dealing with conflicting expectations, and balancing the demands of my job with your personal life. Despite these challenges, my memories are filled with moments of inspiration, joy, and fulfilment. Also these challenges may have also been opportunities for growth, as I learned new strategies, gained resilience, and developed a deeper understanding of my students and myself as a teacher. I will remember the sense of purpose and meaning that comes with teaching, the joy of seeing my students grow and succeed, and the pride I feel in my own growth and development as an educator.

The motivation and care that I received from the top management and my colleagues are enormous. Beyond the academic sphere, I formed very good relationships with my colleagues and administrators, managing the complex dynamics of working in a professional environment.

Overall, my time as an Assistant Professor at an educational institution, which is growing in a fast pace, reflects a rich and multifaceted experience, one that has left a lasting impact on my life and the lives of those worked with me. I am indebted to the Management, top administrators, my colleagues, students and parents for the memorable time and working environment that I received at Nagindas Khandwala College. I wish all the best to the College and all the stakeholders.

Dr. Sindhu PM

Dear colleagues and students,
After spending 9 years and 8 months in this institution its time to say good bye to all of you with a heavy heart.

Even after knowing that I am going to start a new journey, I'm experiencing a range of feelings including excitement, gratitude, sadness and nostalgia.

I still remember the day when I first stepped into this campus, bursting with optimism and excited to start a new adventure. I am really obliged of working with incredible people who always motivated and inspired me their commitment to their academic subjects. I am feeling privileged to work with fantastic colleagues who always supported me and guided me wherever required.

I am overwhelmed by the recollections of the times we spent together-the long hours spent in staffroom and countless cups of tea that kept us going, 50 minutes spent everyday in each class with lot of interactions with young minds, the lively debates in the classroom. The impact that each and every one of you have had on my life is very difficult to express in words. You have pushed me to grow as a person, researcher, and educator. You all have shown me the importance of perseverance, hard effort, and dedication. As an educator I was able to change people's lives and mentor them wherever possible.

I want to take this opportunity to thank each and every one of you from the bottom of my heart as I get ready to start the next chapter of my life. I appreciate all you did to make my journey so fulfilling. I was always acknowledged for the work done which is rewarding experience for me.

I would like to thank our Director madam Dr. (Mrs) Ancy Jose and principal madam Prof. Dr. Moushumi Datta for invaluable guidance and support extended towards me. Thank you for making my journey in this institution memorable and unforgettable.

Manifestation: Attracting Dreams

You must have heard your friends saying "I'm manifesting my dreams", or your classmates telling you about that they are manifesting good grades for this semester. Everyone in this world dreams of something or the other, it can be anything for example, being successful, getting an appraisal, having fame, etc. So, what does MANIFESTATION mean? Manifestation or manifesting simply means to make your dreams, your visions and ambitions come true. Manifesting work is the law of attraction, although it's not proved anywhere scientifically so it can be claimed under pseudoscience.

"Agar Kisi Cheez Ko Dil Se Chaahon Toh Poori Kaaynat Usey Tumse Milane Ki Koshish Mein Lag Jati Hai" this famous dialogue from the movie 'Om Shanti Om' can be seen as manifestation where

Shah Rukh Khan is seen manifesting for an award and he eventually gets it. How does manifestation work? Manifestation as said it works on the law of attraction, means if you think about negative thoughts or spread negativity that is what will come to you. But if you're positive and optimistic about something you're trying to achieve then it will come to you.

Having confidence and keeping faith in oneself is going to benefit you and is like cherry on the cake. Making vision boards, writing down your goals, saying affirmations like "I can", "I know", and "I will" helps you bring a positive and a winning mindset.

In conclusion, manifestation is kind-of based on self-prophecy which means if you think it'll happen, only then it happens. When you think it's going to be a bad day after you had an argument with someone, it does go bad because you're the one who's making it terrible by thinking it in that way, in short you make your day happen. So always dream big, do good, and good will come to you.

Random Thoughts = Random Trash

There are many ups and downs in one's life. Sometimes days are bright and dull. However, there is also a phase wherein one feels trapped in a maze, trying their best to escape. Out of the blues, the blades of manipulating voices cutting through one's soul, the puzzling images clouding their minds, and BAMM!!

They enter through a doorway bombarded with flickers revolving around them. Flipping their bright blooming persona into a room of upset and gloomy darkness.

These changes make one feel melancholic, wretched, dejected, and what not. In this situation, the victim strives to break these walls and illusions. However, all their efforts go in vain when the cause for this reaction is unknown.

The maze and the darkroom in which one is trapped inside, the outcome of undue importance given to random thoughts.

These random thoughts are completely baseless thoughts coming out of nowhere. These thoughts might seem normal, However if given undue importance. These thoughts can create a huge impact on the mind as and when one keeps on stuffing in their minds.

These thoughts can be tackled with positive habits, learning activities, spending productive time, an hour of spirituality, self-love, self-awareness. The key factor is to tackle these thoughts is to only focus on oneself.

As now known these random thoughts fill up one's mind unnecessarily, it can easily be concluded as RANDOM THOUGHTS = RANDOM TRASH

She wants to scream her heart out

She wants to scream her heart out
Tell everyone about her,
Wants to reveal her hidden side to everyone.
But she is scared,
Scared to show those wounds,
in her heart again.
The very first and the last time,
When she opened up to someone who was close to her
She got another wound.
They made her feel insecure about herself,
Made her feel she was unheard,
And left her all alone.
When she went back to them
And tried to get close again like before,
they permanently shut the doors for her.
She spent days crying,
Questioning herself 'was she unfit for this world?'
And now even though she wants to scream her heart,
out she chooses to stay quiet.

Women Empowerment

Women - The immunity of a household, The bind that makes a house a home!

In a hierarchical society, or to say so, a male dominating society, women have been underestimated from the start despite the fact that it's her choice to be a housewife and not her helplessness, also till date, housewives are not appreciated for their efforts, we cannot let go of the fact that we live in a judgemental society where women have been chained with the norms of the society right from the beginning. Thus, it has become important to educate the people about the bias.

Women empowerment isn't about making women strong. Women are already strong, it's about changing the way the world perceives that strength. It's about knowing that every individual deserves equal pay, equal rights and equal opportunities in such evolving times women look down upon for their choices of work. The problem still remains and thus, women empowerment is an essential tool to dispose a society of this gap.

It recognised the fact that things cannot simply work in someone's favor because of their gender! More so, one's choice must be respected.

YOU

Give me something I cannot receive
or have me as a piece of something.
Your Going away wasn't hard but,
Leaving me in your memories sure was,
You said you were leaving, but never returned.
Maybe I was for you or
Maybe you left for you.
At the end it was me
With our memories,
Life would be so easy,
if there were 2 of me,
One with you and one with me.

Essence of 'The Great Teacher' in one's life

We all know the importance of teachers in our lives. They are the important pillar of our life. They lay down the foundation of our career and sometimes also help us to choose the road that is less traveled by others.

During my second year of bachelor's study, I realized that the importance of a great teacher in one's life is very crucial for so many reasons like personal growth, better human being, understanding the perception of others and many more. A great teacher also motivates, encourages, inspires and inculcates the good habits and good mindset of them in students.

A great teacher not only teaches you the concept, but also makes you understand the concept in an easy way that students don't feel burdened to understand. A great teacher always adopts flexible teaching pattern (pedagogy) according to the understanding power of the students, so that the students can be more active, interested and coped with the subject being taught in the class. The teaching pattern (pedagogy) of great teachers are always important for the students because it matters a lot. When some teachers have rigid teaching pattern that directly or indirectly affect the students in some way that hinders them while studying.

According to student's point of view, anyone who wants to become a great teacher, does not only need a better education qualification but also better understanding power to understand the student's perception, flexible teaching pattern, some interesting methods to teach students like learn with fun and the most important thing that is a good nature or behaviour (it is very important from the student's point of view).

One might wonder that why I used 'Great Teacher' so often or why I emphasized more the word on 'Great Teacher'. There is a difference between 'A Teacher' and 'A Great Teacher'. The goal of 'A Teacher' are the Syllabus and the goal of 'A Great Teacher' is the Students. "Understanding is an art and not everyone is an artist" by Brian Weiner.

Gaslighting the game of Manipulation

"You are worthless", "You are stupid", "You are an idiot", this is how it sounds. These types of statements undermine your individuality, perspectives, and belief systems. It crumbles your self-esteem and makes you lose your own worth. You doubt your own capabilities. Without being handicapped, you'll feel disabled. You'll feel very tiny in existence, compared to others. You believe that you don't deserve anything extraordinary. You'll even run away from taking any opportunity, let alone success. You'll fear attention because you feel you're undeserving. The world around you feels shattered because you think it's stupidity to talk with such people. Your existence seems hopeless.

Damn, that's too dark to survive, I'll tell you, let me continue!

And there is this only figure who can take you out of this, the Godly figure who seems perfect in all aspects of life (manipulated), the rest of everyone looks dumb and dubious.

Successfully, you've been pushed out of reality into a world of a vicious cycle of belief systems where everything that has been told to you was instilled, so that you can fulfil the desires of the perpetrator/manipulator without you being aware of it!

'GASLIGHTING' is that mind game where you are being psychologically manipulated to disbelief or question your opinions, perspectives, beliefs, decisions, etc. You won't trust yourself anymore, for instance before writing this article I had these thoughts like, "Sumitha, you won't be writing nonsense, right? Is it worthy enough to pen an article in your name? Are you sure you won't mess up?" (This is how a victim of gaslighting sounds, note!) Anyways, I know that I can write in a highly impactful manner and give good delivery, I have the calibre to deeply move the audience with my words but still... (certain things repeatedly said by yourself or others to yourself, have an impact, though for a short while- unless you don't work on reversing the effect)

Now, gaslighting can happen in many ways, either consciously/unconsciously by the manipulator, but one thing is for sure, the victim has little to very less idea about being manipulated. For instance, you tell a kid who is naive, ignorant, and does not respect you - that he or she is useless, repeatedly, and you'll notice

that after a period of time, the kid will start telling himself/herself, "I'm useless, I know nothing, I'm of no use" and eventually every activity performed by him/her will lack energy and there would be no enthusiasm left in that poor soul and this is how ladies and gentlemen, the game has been perfectly executed.

The goal of gaslighting is to deliberately, and systemically undermine a person's reality by making them doubt their own memory or their own senses.

And I don't think gaslighting is limited to this physical reality, it could reach you from any source by any media, subject to, what degree of attention and awareness you are consuming the content and also the time period.

Let's travel back in time and start reversing, there are high chances that the lenses through which you are seeing the world, were fitted so that you could be controlled by someone else and fulfil their desires. The perpetrator could be anyone, anywhere, and & anytime,

So, what's wrong with that??

You live your life unconsciously, you underestimate yourself, and you'll be stuck in the middle of nowhere and die without fully & truly experiencing your life by living someone else's, left with emptiness & regrets in your heart.

I accept the fact that you cannot totally escape from manipulation but what is worthwhile to mention is to question the intention and the purpose behind it and from your side, you have got to be conscious about your individual needs, desires and distinguish it from other's expectations. The process to reverse starts by questioning, "Why am I doing this?", "Why did I decide to do this only?", "Was it my choice?"

Who knows in this life of "YOU", the master gaslighter could be 'YOU' yourself. Think about it!

Happiness is the vibe of the moment

Most of the time we just spend our time in search of the special moments in our life, these moments are just for a certain time span, after all it ends and life goes on. But life is a journey and, we are the travellers. I'm not saying life is a journey of joyfulness & all related things. Most of the times it is true. But if we think about another side of the daily life, we have our family, our lifestyle and a different mindset.

Life is all about the path that we take to look up the problems that we face daily. It's just like a perspective of each individual like, after a heavy rain, some will think about floods & some will think about the happiness of farmers. It all depends on the perspective.

If we think from the darker side of the story then, we can't focus on the brighter side of the story. We always love the stories that actually gives the best perspective of living life, but why can't we think about the struggling part of the story? Because that doesn't give us the vibe of happiness.

One should be as happy as a newborn who has no worries about the upcoming struggles. They try to learn the basics of society, neither thinking about the depressing part of life nor about the consequences that will happen in near future. In short, we should live our lives to the fullest & enjoy every moment.

Does money make many things?

Now a days, people are machine just engaged in their work, just to earn more and more money from many sources. They think they can achieve everything they want just with money. And in doing so they don't even realise that they are missing the small & are precious pleasures that the life is offering.

Everyone knows that human wants are never ending. At a particular stage, they feel that they have achieved everything by their own. But it is said that at that stage most of the people forget taking care of their parents, supporters and friends who made them strong to achieve all those things & overcome the difficulties.

There is a saying 'Money makes many things' which may be of good or bad depending on how one uses it. Now, people earn good amount of salary per month. But are they really happy with that? No, because they lack the feeling of spending quality time with friends & family.

How much money a person earns in his life? It is enough if he earn to satisfy the basic needs of the family, education and future of his children. But in today's world people wish to have a rich, lavish and luxurious life. With this aim and motive they work like machines & become the slaves of money. But at the end when they realise that they can't take a single rupee with them, it's already too late for them. This is the reality of life. Depending upon how we use the money, can either free us or make us slaves. Money is something that we need but not everything in life with this perspective, if a person earns there will be no regrets. And we can spend time with our beloved parents who gave us such a wonderful life

Its been a long ride...

For all the TYs, its an end to a beautiful journey and as our time in college comes to an end it is natural to feel mixture of emotions. You may be excited to take on new challenges, but also the nostalgia for the memories and experiences that you have created over the past three years for most and five years for some. College is an unique time in life, full of learning, growth, and fun. Today if you go down memory lane will you'll explore some of the memories that we have created during our time in college and farewell as we move on to the next phase of our life. Beginning with the most significant memories of college is likely the people that we met. From classmates profesory to friends, you have likely formed many strong relationships during your time in college. You may have shared experiences, like all-night study sessions or wild parties, that have brought you closer together. These relationships will likely stay with you for many years to come, as you navigate your future. Another significant aspect of college is the learning that takes place. You have likely taken a wide variety of courses, each one challenging you in different ways. You may have discovered new passions or interests that you want to pursue further. The knowledge and skills that you have gained will serve you well in your future endeavors, whether that be in your career or personal life. Of course, college is not all about work and learning. It is also about a time for fun and adventure. You may have traveled to new places, tried new foods or participated in exciting activities that you never would have had the opportunity to experience otherwise. These experiences may have helped you to discover new things about yourself or the world around you. One memory that is likely to stick with you is graduation day. This is the day when all of your hard work and dedication paid off, as you receive your diploma and officially graduate from college. It is a day of celebration, where you will be likely surrounded by family and friends who are proud of your accomplishments. It is also a day of reflection, where you can look back on your time in college and think about all that you have achieved. As you move on from college, there may be some challenges ahead. You may be entering in a competitive job, market or facing other uncertainties. But you can take comfort in the fact that you have gained many

valuable skills and experiences during your time in college. You have learned how to work hard, how to think critically, and how to navigate complex situations.

These skills will serve you well in whatever you choose to do next. In conclusion, your time in college has been full of memories and experiences that you will carry with you for the rest of your life. From the people that you have met, to the knowledge that you have gained; these experiences have helped shape who you are today. As you say farewell to college, remember to take the lessons that you have learned with you and use them to navigate the challenges that lie ahead. Congratulations, and best of luck in all of your future endeavours. I bid you Adieu.

Tomorrow never comes ...

If you want to succeed,
Hard work and determination you'll need.
If you want to achieve your goal,
You have to play a lion's role.
Do everything today and have high jumps,
Because my dear,
Tomorrow never comes.
Don't cry on your loss, smile and stand firm,
Learn from your mistakes and get the success in new term.
Don't recall your yesterday,
Do your task today.
In every situation stand firm
Because my dear,
Tomorrow never comes...

The Edge of Perception

There's something under my bed, it's snoring,
I hear the voices, my skull is exploding,
The smearing noises kick in which haunts me,
Spiteful thoughts of tying a knot to the fan, but I'm a man I should just get over it,
The pendulum swinging back and forth as I'm watching,
The rope is my only hope, all the demons vote for it,
But I swallow it down my throat with these pills and keep going,
Maybe I should bounce to the gym but is it my motive or am I just dysmorphic?
One side tells me I don't exist,
One side tells me I'm the lord I know what my omen is,
One side makes me popping pills
One side's suffocating me with thoughts of euphoric guilt,
Crushed beneath expectations, rushed between breathless stations,
My mental status is done within, facing depression,
It's fun, one minute I'm playing checkers, and as I begun winning, suddenly I'm aiming backwards
The numb feeling returns I'm craving razors,
One way or another the world doesn't care,
Whether the changes are stable or the turning tables favours the ungrateful sanes,
I'm unable to stomach this game and the pay cuts,
'May I step in sir?'
'Yes, you may, why are you late, stomach ache again?'
'Sir it is... I've just been under the weather, the thunder and rain...'
'It's summer, I've heard enough, sometimes you miss the bus, sometimes you please and cuss, feeling like you're woke and more awake than others, but this isn't the matrix Mr. Anderson, please sign this resignation letter you're fired, find another place to work'
'He thinks I'm a crazy chump just like everyone, maybe, but, is the depression my controller?
Filling the void with these noises, mixed emotions raining, am I a bipolar with my hair green or is it grey-pink?
Or am I a schizophrenic with a hole in my brain with these joints paining,
I've been in this position for so long like a wall painting,
I just lost my job baby and the noises have stopped strangely,
The lingering tinnitus with each shot gives me relief from the voices as I'm at a war aiming,
Triggered at my co-workers with no concerns whatsoever unloaded clips and there's so much smoke with no vision of me seeming a normal being, I'm all frenzy,
'Oh spare me!'
'No way, boss, guess who's gone crazy? That's right crawl, yell please, who fires who, tell me?!'
Coincidentally there's one last bullet and I'm the only man breathing,
I don't feel sad, I think I finally fixed the glitch and re-coded matrix, I was the mole maybe
Guess it has just been another wish of the lord lately...

दोस्ती

बीत चुके हैं अब वो जमाने
अब नहीं मिलते दोस्त पुराने।
सुनते हम स्पीकर पे कितने गाने ।
एक दूसरे के साथ रहने के लिए घर पर बोलते न जाने कितने बहाने
कभी कभी एक दूसरे के घर जाते खाना खाने ।
सब ने अपनी मंजिल चुनी या लगे पैसे कमाने
अब किसी के पास नहीं था मिलने के लिए समय ये भी सुने ताने।

जब मिले तब मुझपे लगे इल्जाम लगाने
कोई भी ना अपनी गलती माने, आपस में लगे हम तकराने।
उस दिन ना ही हुई कोई मस्ती ना ही करी धमाल ना बजा कोई गाने
कौन कितना सही, कौन कितना गलत था ये तो रब ही जाने।
जिनके साथ बिताना था जिंदगी का हर पल वो अपनी अब बन गए
कुछ दिनों में अनजाने।

तोड़ अपने वादे सारे निकले उनके बगैर निकले जिंदगी बिताने।
बित चुके हैं अब वो जमाने

सच्चे दोस्त

जिंदगी में लोग कभी मिलेंगे,
बात करेंगे साथ चलेंगे,
जताएं ऐसे जैसे जिंदगी, भर सात रहेंगे।
हमारी खुशी में हमारे साथ दिखाई देंगे,
और दुख के समय हमारे सात रह कर हमारा ही गड्ढा खोदेंगे।
हाँ जिंदगी में लोग कभी मिलेंगे,
बातें करेंगे, साथ चलेंगे

खुद की तलाश

तू आज खुद की तलाश कर,
एक बार आईने में नहीं मगर अपनी रुह में झाँक कर देख,
तू आज खुद से खुद को रूबरू कर

भीड़ में अपने आप को खो ना दे,
दुनिया के सामने अपने आप को छोड़ ना दे,
जो पाना है तुझे उसे तलाश कर,
तेरी रूह जानती है तेरी सब बात
एक बार तू अपनी रूह को तलाश कर।

गलत है तो तू अपने आप को सही कर,
आज मेहनत कर अपने आप को लोगो में जाया ना कर,
मंज़िल जो तूने सोची थी उसके रास्ते पे चल,
अगर भूल गया है तू वो रास्ता तो
एक बार अपने रास्ते की तलाश कर।

कहीं गिर जाए तू तो अपने ज़ख्म का मरहम तू खुद ही बन,
सालों की जिंदगी है जनाब तू अतीत को भूल आगे बढ़,
उम्मीद लोगो से ज्यादा अपने आप से रख

एक बार अपनी रुह में झाँक के तो देख,
तू आज खुद को रूबरू कर,
तू आज खुद की तलाश कर।

मनुष्य जानवर पर क्यों आते हे ?

कैसा गजब हैं, ना मनुष्य,
गलत काम खुद करते हैं, फिर भी,
नाम जानवरों का बदनाम करते हैं।
खुद हर पल रंग बदलने वाले मनुष्य,
गिरगिट के रंग बदलने पर सवाल उठाते हैं।
गलत काम खुद करके हराम का खुद खाते हे,
और गधे की मेहनत को यह लोग मूर्खता कहलाते हैं।
जूठे आंसू, भावना, प्यार व्यक्त करने वाले यह मनुष्य,
मगरमच्छ के आंसू को झूठा ठहराते हैं।
बात बात पर पलटने वाले यह इंसान,
हाथी के दातों की कहावत सुनाते है ।
पता नहीं हर बात पर यह मनुष्य जानवर पर क्यों आते हैं?

दास्ता-ए-जिंदगी

जिंदगी की यही रीत है कि हार के बाद ही जीत है..
थोड़ा सब्र रख, ये दिन भी गुजर जाएंगे,
उलझी है जिंदगी तो क्या,
वक्त के साथ ये भी सवर जाएंगे,
उम्मीद गैरों से रखता है, क्यों,
एक रोज़ ये तो बिखर जाएंगे,
भरोसा खुद पर करना सिख, यह गम भी मुस्कान में
बदल जाएंगे।

दास्तान-ए-जिंदगी की दास्तान कुछ ऐसी है, की,
हर पल, हर दफा ज़हन में चलने वाली बातें,
हर समय, हर जज्बात समझने वाली रातें,
हर लफ्ज जो आंखें है वो परखने वाली मुलाकातें,
और हर दर्द को मुस्कुराहट में बदलने वाली सौगतें,
दास्तान-ए-जिंदगी की दास्तान कुछ ऐसी है, कि,
हसीन रहने की बहार है, जिंदगी,
प्यार करने की जुनून है, जिंदगी,
मौन दिल को होश में लाने वाली धुन है, जिंदगी,
भावनाओं को नज़्म में लिखने की बंदूक, है जिंदगी ।

चुपके से सिराहने में किताब पढ़ना है, जिंदगी,
अपने के साथ समय गुजारना है जिंदगी
बुलंदी चुनने की सफर है, जिंदगी
और खुदसे खुदको खोके पाने का दौर है, जिंदगी।

जिंदगी की यही रीत है, हार के बाद ही जीत है।
यही है दास्तान-ए-जिंदगी, दास्तान-ए-जिंदगी।

माँ से जुदाई

दूर आसमाँ में छुप गई हो, माँ।
मुझसे दूर क्यों हो गई हो, माँ ?
सबकुछ हैं, आप नहीं हो, माँ।
बेरंग हुई जिंदगी, सब खो गया, माँ ।

आपसे जुदाई ऐसे हो गई, माँ।
हर पल दर्द के सागर में हूँ, माँ।
एक टीस मुझे झकझोरती रहती है, माँ।
एक नजर देखने को बेताब हूँ, माँ।

बेचैन मन हर वक्त बेकरार है, माँ।
आवाज़ कब से आपकी सुनी नहीं, माँ।
आप तक पहुँचना मुश्किल है, माँ।
आप माँग लो इजाजत खुदा से, माँ।

आ जाओ मिलने एक बार तो, माँ।
क्या मेरे जज्बात से अनजान हो, माँ ?
इतनी अजनबी क्यों हो गई हो, माँ ?
दूरियाँ इतनी क्यों बना गई हो, माँ ?
दूर आसमाँ में छिप गई हो, माँ।
मुझसे दूर क्यों हो गई हो, माँ ?

सफलता की राह

रास्ता कठिन था,
पर इरादा पक्का।
कदम डगमगाए जरूर,
पर विश्वास वही था।
कभी उत्साह, कभी निराशा...
कभी इंतजार, कभी तिरस्कार...
कभी आंसू, कभी हंसी...
कभी यहाँ तो कभी वहाँ...
आखिर में जीत मिली और दिल ने पुछा...
क्या ये वाकई मुझे मिला?
क्या ये वाकई मैंने किया?

आज फिर देखी सबके आँखों में खुशी, PP
जो कभी निराशा से थी झुकी।
आज फिर हुआ ये साबित,
की ईश्वर और महनत से बड़ा नहीं कोई काबिल।
जो करें इन दोनों की आराधना,
उसे प्रप्त होती जीवन की हर साधना।
मात पिता गुरु का यदि नाम है बढ़ाना,
बुरे विचारों को मन में देना न कभी घराना।
बस इतना रखा याद...
और मिल गई जीवन की बुनियाद।

जिंदगी

अक्सर अपने आप से, मैं ये प्रश्न दोहराता हूँ,
लोग क्या कहेंगे के डर से, क्या मैं,
खुलकर जी पता हूँ।
लोग कुछ ना कुछ तो कहेंगे ही,
लोगों का काम जो है, कहना,
उनके डर से भला हम क्यों छोड़े,
अपनी मर्जी से रहना? जीवन में अगर आगे बढ़ना है, तो
इस सोच को हराना होगा,
हमें अपने मन से जीत;
अपने हर दिन को अपना बनाना होगा।
दूसरे क्या कहते हैं, उससे क्या फर्क पड़ता है?
एक इंसान अपनी जिंदगी की सबसे बड़ी लड़ाई,
अपने आप से ही लड़ता है।
तो चलिये अपनी जिंदगी को कुछ उसी तरह जीते हैं,
हर रोज हम अपने आप से जो कहते हैं,
तो चलिये जिंदगी को काटना नहीं, जीना सिख लेते हैं,

अजनबी

चलो एक बार फिर से अजनबी बनते हैं.....

अजनबी बन कर जिंदगी की,
सफ़र पे फिर से चलते हैं.....
जिन्दगी के सफ़र में अगर कहीं,
मुलाकात हो जाए तो अजनबी,
की तरह ही मिलते हैं.....

अब ना वह शाम होगी...
जो कि तुम्हारे नाम होगी.....
ना अब तुम्हारा इंतज़ार होगा....
ना अब तुम से कोई उम्मीद होगी,
जो मुझे तुम से बांधेगी.....

अब ना तुम्हारी यादों का मेला होगा.....
पहले की तरह एक बार यह दिल,
फिर से अकेला होगा.....
खुशियां भी होगी.... ग़म भी होंगे...

फिर भी मन में होगी एक खामोशी....
मन को झंकृत करने वाली वो,
आवाज़ें नहीं होगी.....
होगी कुछ बिखरी हुई यादें,
और एक अजनबी सी खामोशी...

पाणी

पाणी हे पृथ्वीवरील सर्वात महत्वाच्या नैसर्गिक स्रोतांपैकी एक आहे त्याशिवाय जीवन संपुष्टात येईल. तथापि, त्याचे महत्त्व असूनही. हवामान बदल. लोकसंख्यावाढ आणि शहरीकरण यासारख्या विविध कारणांमुळे पाण्याची कमतरता वाढत आहे त्यामुळे पाणी वाचवण्यासाठी आणि त्याचा शाश्वत वापर केला जाईल याची खात्री करण्यासाठी आपण पावले उचलणे महत्वाचे आहे या लेखात आपण जलसंधारणाचे महत्त्व पाणी वाचवण्याचे विविध मार्ग आणि असे केल्याने होणारे फायदे याबद्दल चर्चा करू.

जलसंधारणाचे महत्त्व:

पाणी हा एक मौल्यवान स्रोत आहे जो सृष्टीसाठी आवश्यक आहे. मात्र, त्याचे महत्त्व असूनही आपण पाण्याचा मोठ्या प्रमाणात अपव्यय करत आहोत. युनायटेड नेशन्सच्या म्हणण्यानुसार 2 अब्जाहून अधिक लोकांना पिण्याच्या पाण्याचा अभाव आहे आणि येत्या काही वर्षात ही संख्या वाढण्याची अपेक्षा आहे. शिवाय जगाच्या अनेक भागांमध्ये पाण्याची टंचाई ही एक प्रमुख समस्या बनत आहे. काही प्रदेशांना तीव्र दुष्काळ आणि पाणी टंचाईचा सामना करावा लागत आहे. त्यामुळे पाण्याचे संवर्धन आणि त्याचा शात वापर होईल याची खात्री करण्यासाठी आपण पावले उचलणे आवश्यक आहे. जलसंधारण अनेक कारणांसाठी महत्वाचे आहे प्रथम, पाण्याची बचत केल्याने आपले पाणी बिल कमी होण्यास मदत होऊ शकते पाणी फुकट मिळत नाही आणि ते वाया घालवायचे म्हणजे आपण पैसेही वाया चालवतो दुसरे म्हणजे पाण्याचे संवर्धन केल्यास पर्यावरणाचे रक्षण होण्यास मदत होऊ शकते प्रदूषण, अतिउत्पादन आणि हवामान बदलामुळे गोड्या पाण्याची परिसंस्था धोक्यात आहे. पाण्याचे संरक्षण करून आपण या परिसंस्था आणि त्यांच्यावर अवलंबून असलेल्या प्रजातींचे संरक्षण करण्यास मदत करू शकतो. शेवटी आपल्या भविष्यासाठी पाणी वाचवणे महत्वाचे आहे जगाची लोकसंख्या जसजशी वाढत आहे. तसतशी पाण्याची मागणीही वाढत आहे. आता पाण्याचे संरक्षण करून भविष्यातील पिढ्यांच्या गरजा पूर्ण करण्यासाठी पुरेसे पाणी असल्याची खात्री करून घेता येईल.

पाणी वाचवण्याचे मार्ग:

पाणी वाचवण्याचे अनेक मार्ग आहेत यापैकी काही पद्धतींमध्ये हे समाविष्ट आहे. दुरुस्त करा पाईप आणि टॉयलेटमधील गळतीमुळे मोठ्या प्रमाणात पाण्याचा अपव्यय होऊ शक म्हणून तितक्या लवकर कोणत्याही गळतीचे निराकरण करणे महत्वाचे आहे. कार्यक्षम फिक्स्चर वापरा. कमी प्रवाही टॉयलेट्स आणि शॉवरहेड्स यांसारखे पाणी कार्यक्षम फिक्स्चर पाण्याचा वापर कमी करण्यास मदत करू शकतात. झाडांना जास्त पाणी घालू नका. त्यामुळे मोठ्या प्रमाणात पाण्याचा अपव्यय होऊ शकतो. म्हणून रोपांना जेव्हा गरज असेल तेव्हाच पाणी देणे महत्वाचे आहे. कमी वेळात शॉवर घ्या. कमी वेळात शॉवर घेतल्याने पाण्याचा वापर लक्षणीयरीत्या कमी होण्यास मदत होते. पावसाचे पाणी गोळा करा: पावसाचे पाणी गोळा करणे हा पाणी वाचवण्याचा उत्तम मार्ग असू शकतो. पावसाच्या पाण्याचा वापर झाडांना पाणी देण्यासाठी कार धुण्यासाठी आणि शौचालये फ्लश करण्यासाठी केला जाऊ शकतो. नळीऐवजी बादली वापरा कार किंवा भांडी धुण्यासाठी नळी वापरण्यापेक्षा बादली वापरणे अधिक कार्यक्षम असू शकते. दात घासताना टॅप चालवू नका: दात घासताना टॅप चालवल्याने पाण्याचा मोठ्या प्रमाणात अपव्यय होऊ शकतो. त्यामुळे दात घासताना नळ बंद करणे महत्वाचे आहे. अशाप्रकारे आपणास पाणी जपून वापरता येईल.

सर्व क्षेत्रांमध्ये विविधतेच्या गरजेबद्दल

आपण अनेकदा ऐकतो. तथापि, वास्तव

हे आहे की, खरोखरच सर्वसमावेशक वातावरण निर्माण करण्यासाठी केवळ विविधता पुरेशी नाही खरे तर केवळ विविधतेवर लक्ष केंद्रित केल्याने काहीवेळा वास्तविक गोष्टींऐवजी सर्वसमावेशकतेचा भ्रम निर्माण होऊ शकतो. विविधतेसह एक प्रमुख आव्हान हे आहे की ते सहसा अंतर्निहित पूर्वग्रह आणि शक्तीचे असंतुलन दूर करण्यात अपयशी ठरते. समुहामध्ये विविध प्रकारच्या व्यक्तींचे प्रतिनिधित्व केले जात असतानाही, जे लोक सत्ता किंवा प्रभावाचे पद धारण करतात ते मुख्यतः एकाच लोकसंख्या - शास्त्रीय गटातील असू शकतात. असमानता आणि पूर्वाग्रहाची मूळ कारणे खऱ्या अर्थाने संबोधित न करता, यामुळे विविधता आणि समावेशाचा भ्रम निर्माण होऊ शकतो. विविधतेसह आणखी एक समस्या अशी आहे की यामुळे काहीवेळा टीका किंवा वाद होऊ शकतो. जेथे कमी प्रतिनिधित्व केलेल्या गटातील व्यक्तींचा समावेश फक्त कोटा पूर्ण करण्यासाठी किंवा वैविध्यपूर्ण दिसण्यासाठी केला जातो. हे हानिकारक असू शकते कारण ते व्यक्तींना त्यांची अद्वितीय प्रतिभा, कौशल्ये आणि योगदान यांवरून ओळखण्याऐवजी त्यांच्या लोकसंख्याशास्त्रीय वैशिष्ट्यांमार्फत ओळखले जाते. विविधता ही केवळ वंश, वांशिकता किंवा लिंग यांच्याशी संबंधित नाही, यात वय, धर्म, लैंगिक अभिमुखता आणि सामाजिक, आर्थिक स्थिती यासारख्या घटकांचा देखील समावेश आहे. हे सर्व घटक एखाद्या व्यक्तीच्या अनुभवांवर आणि संधींवर परिणाम करू शकतात आणि खरोखरच सर्वसमावेशक वातावरण तयार करण्यासाठी या समस्या ओळखणे आणि त्यांचे निराकरण करणे महत्वाचे आहे. मग, आपण विविधतेच्या भ्रमाच्या पलीकडे कसे जाऊ शकतो आणि खरोखरच सर्वसमावेशक वातावरण कसे निर्माण करू शकतो? विचार करण्यासाठी येथे काही धोरणे आहेत: पत्ता अंतर्निहित पूर्वग्रह म्हणजे बेशुद्ध वृत्ती आणि रूढीवादी वृत्ती ज्या आपल्या धारणा आणि वर्तनावर प्रभाव टाकू शकतात. ज्या व्यक्ती जाणीवपूर्वक पूर्वग्रह आणि भेदभाव नाकारतात त्यांच्यातही अस्पष्ट पूर्वाग्रह असू शकतात जे त्यांच्या इतरांशी असलेल्या परस्पर संवादावर परिणाम करू शकतात. हे पूर्वाग्रह ओळखणे आणि त्यांना शिक्षण आणि प्रशिक्षणाद्वारे संबोधित करण्यासाठी सहकार्य करणे महत्वाचे आहे. अधिक सर्वसमावेशक वातावरण निर्माण करण्याचा सर्वात प्रभावी मार्ग म्हणजे नेतृत्वाच्या पदांवर प्रतिनिधित्व वाढवणे. जेव्हा विविध पार्श्वभूमीतील व्यक्ती शक्ती आणि प्रभावाची पदे धारण करतात, तेव्हा ते अडथळे दूर करण्यात मदत करू शकतात आणि प्रत्येकाला यशस्वी होण्याची समान संधी आहे हे सुनिश्चित करू शकतात. सर्वसमावेशक संस्कृती निर्माण करण्यासाठी विविध व्यक्तींच्या गटाला नियुक्त करण्यापेक्षा अधिक आवश्यक आहे की यांमध्ये असे वातावरण तयार करणे जेथे प्रत्येकाला त्यांची पार्श्वभूमी किंवा वैशिष्ट्ये विचारात न घेता, मूल्यवान वाटेल, यामध्ये लवचिक कार्य व्यवस्था, मार्गदर्शन कार्यक्रम आणि कर्मचारी संसाधन गट यांसारख्या विविधता आणि समावेशाला प्रोत्साहन देणारी धोरणे आणि पद्धती लागू करणे समाविष्ट असू शकते.

बाबा तू कुठे आहेस रे

बाबा बोलणं शेवटी राहूनच गेले
कारण तूम्ही मला कायमचे सोडून गेलात.
आणि मी विचारात गढून गेलो की
बाबा तूम्ही जगच का सोडून गेलात ?
तुमच्या सोबतचे प्रत्येक क्षण आठवतात
देवाला सांगतो माझ्या बाबांना परत पाठव रे.
सगळीकडे हाक मारून मारून तुम्हाला बोलवले.
तूम्ही सांगा तुम्हाला मी कुठे कुठे शोधू
आयुष्याच्या प्रत्येक पाऊलावर तुमची आठवण काढतो.
तुमच्या सोबतच्या आठवणी आठवून आठवून मनात साठवतो.
आता तुम्हाला मनातल्या मनात बघून मी जगतो.
तुम्हाला आठवता आठवता मुक अश्रुने मी रडतो
बाबा मला ही तुमच्या खांद्यावर बसून जग बघायचं होतं
तुमचा हाथ धरून खूप काय शिकायचं होतं
तुमच्याशी बोलून बोलून तुमचे मन जिंकायचं होतं.
तुमचे मार्गदर्शन घेऊन माझे जीवन सजवायचे होतं

डेटा सायंटिस्ट

जर आपण डेटा सायंटिस्ट म्हणजे काय
याबद्दल बोललो, तर आपल्याला
नावावरूनच कळते, की डेटाचे विश्लेषण
करणाऱ्या व्यक्तीला डेटा सायंटिस्ट म्हणतात.
ज्यामध्ये डेटाच्या प्रभावाचे विश्लेषण आणि
गणना केली जाते. यासाठी व्यावसायिक
तज्ञ आहेत. ज्यामध्ये सॉफ्टवेअर
अभियांत्रिकी, रेखीय बीजगणित, मशीन
लर्निंग, प्रोग्राम इन स्टेट आणि डेटा व्हिज्युअलायझेशन
यासारखी कौशल्ये असणे आवश्यक आहेत.
डेटा सायंटिस्ट होण्यासाठी, तुमच्याकडे पदव्युत्तर
पदवी, संगणक विज्ञान, इलेक्ट्रिक इंजिनीअर,
अप्लाइड सायन्स किंवा इंजिनीअरमध्ये पदवी
असण्यासोबतच काही प्रोग्रामिंग भाषांचे ज्ञान असणे
आवश्यक आहे. जेव्हा तुम्ही डेटा सायंटिस्ट बनण्यास
सक्षम असाल तेव्हा या गोष्टी तुमच्याकडे असणे
आवश्यक असेल.
जगात फक्त तंत्रज्ञान अपग्रेड होत आहे, तंत्रज्ञानातील
भविष्य उज्ज्वल होत आहे, त्यामुळे डेटा सायंटिस्टची
भविष्यात खूप मागणी असेल. लोकप्रिय क्षेत्रांपैकी ते
एक क्षेत्र असेल. भारतातही डेटा सायंटिस्टची मागणी
दिवसेंदिवस वाढत आहे आणि यामध्ये आर्थिक
प्रगतीही चांगली करता येते. डेटा सायंटिस्ट हे एक
उत्तम करियर आहे

सुंदर जीवन

आपण जन्माला येती आपले जीवन सुखदायक करतो व
मरण पावतो हयात सत्य जरी मरण असले. तरी
जीवनाला मायने फुंकर नसते ती आपल्या सुंदर
अनुभवांची आठवणीची म्हणूनच आपण म्हणतो की
जीवन सुंदर आहे.

प्राणी जन्म घेतात. ते आपले आयुष्य जगतात व मरण
पावताना त्याच्यासोबत अनेक सजीव त्यांच्यावर जीव
लावतात आपल्या सुंदर जीवनाचा हिस्सा बनवतात त्यांचे
अनुभव त्यांच्या आठवणी आपल्या मनात आपण जीवंत
ठेवत असतो.

देवाने प्रत्येक मनुष्यप्राण्याला देणगी दिली आहे. आपल्या
मनाची आणि बुद्धीची चांगल्या प्रकारे सांगड आहे पण
इतर प्राण्यांमध्ये ती देणगी दिसून येत नाही. मनुष्याने
अनेक तंत्रज्ञाचा वापर करून अनेक भावना, आपले
जीवनातील चांगले व वाईट भाग जपून ठेवले आहेत.
प्रत्येक मनुष्य आपल्या जीवनातील दुःखदाई व सुखी
क्षण अनुभवाचे मोठे गाठोडे बांधून आपल्या डोक्यात
साठवून ठेवण्याची क्षमता ठेवतो. प्रत्येक माणसाने
आपल्या आयुष्यात चांगल्या व वाईट गोष्टींना सामोरे गेले
पाहिजे त्या वाईट गोष्टीमधून चांगले शिकणे व प्रगतीच्या
वाटेला जाणें हे चांगल्या व यशस्वी जीवनाचे लक्षण
असते.

आपण सकाळी लवकर उठतो व आपल्या दिवसाची
सुरुवात करतो आपली सकाळ चांगली जावी म्हणून ही
सृष्टी, वातावरण, झाडे आपले मन प्रसन्न ठेवतात त्यामुळे
आपल्या दिवसाची सुरुवात चांगली होते. जेव्हा आपली
मानसे आपल्या सोबत असतात तेव्हा आपल्याला जीवन
आनंदी वाटू लागते.

प्रत्येक माणसाला मरण्याआधी आपल्या माणसांसोबचे
आनंदाचे क्षण जगता व अनुभवता आले पाहिजेत कारण
आपल्या माणसासोबत जगलेला प्रत्येक क्षण आपल्याला
मरता मरता चांगली आठवण देऊन जाती ती आठवण
जगातील सुंदर आठवण असते त्या आठवणीमुळे त्या
क्षणांमुळे आपले जीवन सुंदर होते.

प्रामाणिकता

आजच्या जगात वास्तव आणि कल्पनारम्य यांच्यातील रेषा अनेकदा अस्पष्ट होऊ शकतात. आजच्या सोशल मीडियाच्या युगात आपल्या सकाळच्या दिनचर्येपासून ते सर्व काही लाखो लोकांसोबत क्षणार्थात सामायिक केले जाऊ शकते. सत्यतेची संकल्पना अधिकाधिक गुंतागुंतीची होत चालली आहे. जीवनाची एक आदर्श आवृत्ती दर्शविणाऱ्या प्रतिमा आणि संदेशांचा आमच्यावर भडिमार होतो. ज्यामुळे आम्हाला अनेकदा अपूर्ण आणि असुरक्षित वाटू लागते. हे विशेषतः Instagram आणि TikTok सारख्या प्लॅटफॉर्मवर स्पष्ट आहे, जेथे वापरकर्त्यांना जगासमोर स्वतःची काळजीपूर्वक तयार केलेली आवृत्ती सादर करण्यास प्रोत्साहित केले जाते. तथापि, आम्ही रील आणि वास्तविक जीवनाच्या या लँडस्केपमध्ये नेव्हिगेट करत असताना हे लक्षात ठेवणे महत्वाचे आहे की सत्यता ही एक आकाराची संकल्पना नाही. एका व्यक्तीसाठी जे अस्सल आहे ते दुसऱ्यासाठी अस्सल असू शकत नाही. डिजिटल युगात सत्यता नेव्हिगेट करताना विचारात घेण्यासारख्या काही गोष्टी येथे आहेत. सत्यतेची संकल्पना व्यक्तिनिष्ठ आहे आणि ती व्यक्तीपरत्वे बदलते. तथापि, जेव्हा मनोरंजन उद्योगाचा विचार केला जातो, तेव्हा प्रामाणिकपणाचा अर्थ असा होतो की ते साकारत असलेले पात्र हे प्रेक्षकांना पटवून देण्याची अभिनेता किंवा अभिनेत्रीची क्षमता असते. यासाठी उच्च स्तरीय कौशल्य आणि क्राफ्टसाठी समर्पण आवश्यक आहे. तुम्ही सत्यता नेव्हिगेट करण्यापूर्वी, तुमच्यासाठी वैयक्तिकरित्या या शब्दाचा अर्थ काय आहे हे समजून घेणे महत्वाचे आहे. प्रामाणिकपणाचा अर्थ वेगवेगळ्या लोकांसाठी भिन्न असू शकतो ते स्वतःसाठी परिभाषित करणे महत्वाचे आहे. याचा अर्थ तुमची मूल्ये आणि श्रद्धा यांच्याशी खरी असणे किंवा जगासमोर एक विशिष्ट प्रतिमा सादर करणे असा अर्थ आहे का?

एकदा तुम्हाला तुमच्यासाठी सत्यता म्हणजे काय हे समजल्यानंतर, तुम्ही तुमच्या ऑनलाइन उपस्थितीत ते कसे चित्रित करायचे ते नेव्हिगेट करणे सुरू करू शकता. जगात परिपूर्णता काही ठिकाणी साजरी केली जाते. हे लक्षात ठेवणे महत्वाचे आहे की अपूर्णता आपल्याला मानव बनवते. अपूर्णता आत्मसात केल्याने तुम्हाला इतरांशी सखोल पातळीवर कनेक्ट होण्यास मदत होऊ शकतात. जेव्हा तुम्ही असुरक्षितता दाखवता, तेव्हा तुम्ही इतरांना तुमची वास्तविकता पाहण्याची परवानगी देता आणि ते आश्चर्यकारकपणे शक्तिशाली असू शकतात. आपल्या जीवनातील कमी मोहक पैलू सामायिक करण्यास घाबरू नका, कारण बहुतेकदा त्या अशा गोष्टी असतात ज्या लोकांशी सर्वात जास्त संबंधित असतात. हे लक्षात ठेवणे महत्वाचे आहे की तुम्ही ऑनलाइन पोस्ट करता ती प्रत्येक गोष्ट तुमचेच प्रतिबिंब असते. स्वतःची क्युरेट केलेली आवृत्ती सादर करणे ठीक असले तरी, तुम्ही पाठवत असलेल्या संदेशाची जाणीव ठेवणे महत्वाचे आहे. तुम्ही स्वतःची एक वास्तववादी आणि निरोगी प्रतिमा चित्रित करत आहात किंवा तुम्ही हानिकारक रूढी आणि आदर्श कायम ठेवत आहात? तुमच्या आशयाचा इतरांवर, विशेषतः मेसेजिंगसाठी अधिक संवेदनाक्षम असणाऱ्या तरुण प्रेक्षकांवर काय परिणाम होऊ शकतो याचा विचार करणे महत्वाचे आहे. दिवसाच्या शेवटी, सर्वात महत्वाची गोष्ट म्हणजे स्वतःशी खरे राहणे. इतरांना जे पहायचे आहे त्याच्याशी जुळवून घेण्याचा प्रयत्न करू नका, कारण ते खरे नाही. तुमची स्वतःची मूल्ये आणि विश्वासांप्रती खरे राहा आणि तुम्हाला अस्सल वाटेल अशा पद्धतीने स्वतःला सादर करा. लोक तुमच्या सत्यतेकडे आकर्षित होतील आणि हीच गोष्ट तुम्हाला इतरांशी अर्थपूर्ण मार्गाने कनेक्ट होण्यास मदत करेल.

जोपर्यंत तुम्ही स्वतःला हरवत नाही तोपर्यंत तुम्हाला कोणीही हरवू शकत नाही

कोई तुम्हे तब तक नहीं हरा सकता,
जब तक तुम खुद से ना हार जाओ।"

स्वतःला या कष्टप्रद जगात हरायचे नसेल तर आपल्याला गरज एका माणसाची असते, ज्याने जिज्जनातील बरी वाईट परिस्थिती एवढ्या वेळेस अनुभवलेली असावी की त्यांच्याशी याची जणू मैत्रीच ! आकाशातील तारे मोजून-मोजून त्याची बोटे बळावली असावीत. एवढा अनुभव त्याच्या सोबत असावा.

असा माणूस जर आपणाला आदर्श म्हणून भेटला तर तो सुवर्णक्षण म्हणावा. निपचीत- गंजत पडलेल्या लोखंडाचे रूपांतर सोन्याच्या रुपेरी झालरीत करणारा परिस माझ्या आयुष्यात फार वर्षांपूर्वीच आलेला आहे. ही त्याचीच मानवंदना. केवळ तबेल्याकडे नजर टाकून कोणता घोडा शर्यतीत जिंकणार आहे हे सांगण्याचे असामान्य कसब त्यांच्या ठायी आहे. आपण ज्या कामाचा निर्णय घेतलाय त्याला त्याचा दुसरा तट - किनारा मिळवून देईपर्यंत आपल्या प्रयत्नांना थांबण्याचा इशारा न देणे हा त्यांच्यातील कौतुकास्पद गुण. आपल्या कामाच्या ठिकाणी आपण कर्तबगार असावे, कामावरून परततेवेळी 'विद्यार्थीदश' सांभाळली तर 'दश' होणार नाही हा तुम्ही दिलेला नकळत उपदेश, आयुष्यात यश प्राप्त करण्यात नक्कीच उपयोगी ठरेल.

तुम्ही घेतलेला निर्णय मी पाहिला आहे आणि तो निर्णय संपेपर्यंत ज्याप्रमाणे तुमच्या शरीरातील नस अन नस, कण अन कण वाट पाहते. तेही मी पाहिल आहे.

तुमची निस्वार्थपणाची माया आणि दूरदृष्टी माझ्यात अनुवंशिकरित्या देण्याबद्दल मी नेहमीच तुमचा आभारी राहीन.

"जुनून है मेरा, बनू में आपके काबील
आपके उसलों के बगैर मेरा जीना है मुश्किल !"

तुमचा सर्वात आवडता गुण म्हणजे " खंडित मनाला अखंडितरित्या जगण्याची दिशा दर्शवणे."

एक विचार

जसा फुलांमुळे येतो बहर
तसा तु माझा एक विचार !
येताच मनी बहरतो,
छोटासा हा माझा संसार,
एकदा वर्षापूर्वी,
भेटली होतीस केव्हातरी,
पहाताच तुला ग प्रिये,
अंगात भरला शहारा
रोज तुला पाहण्यासाठी,
थांबायचो त्या वळणावरती,
डोळे भरून पहावे तुला,
हेच ध्येय होते जिवनी,
तिथेच उभा मी दिवस रात्र,
पाहायचो तुझी वाट !
तुझा विचार येताच मनी,
उसळायची प्रेमाची लाट,
हाच माझा होता दिनक्रम,
अनू हाच माझा नित्यक्रम,
आता वसला आपुला संसार,
तरी तू माझा एक विचार !

शाळेतले दिवस

शाळेतले दिवस किती सुरेख होते
कधी मस्ती कधी भांडण याशिवाय काही सुचत
नव्हते!

शाळेच्या बाकावर होती आमची स्वतःची नावे
शाळा त्यांची,
पण वाटते आमचीच आहे!

मधल्या सुट्टीत त्या स्वादिष्ट उब्यातील पोळी भाजी
तो स्वाद विसरला नाही किती दिवस झाले आजही!

कॅटीनचे सेवपुरी होते बस २००० रु चे
होतो आम्ही लहान वाटायचे जसे २००० रु चे

मैत्री म्हणजे काय? ते सांगत होत्या शाळेच्या भिंती
आठवतात ते मित्र आणि दिवस किती!

शाळेतल्या मित्रासोबत फिरताना वाहतात
आनंदाचे वारे
आता दिसतात प्रत्येकाच्या हातात
फ्रेंडशिप बँडचे दोरे!

शाळेत आम्ही होतो इतके हसत खेळत
आता आहोत सगळे कॉलेज जीवनाच्या प्रवासावर..

शिवकालीन खेडेगाव - एक अविस्मरणीय गाव.

महाबळेश्वर, एक थंड हवेचं ठिकाण म्हणुन प्रसिद्ध आहे. हया ठिकाणाचा विचार केला की आपल्याला काय आठवतं? काही निवडक ठिकाणं आठवतात. टेबल लँड, प्रतापगड, मॅप्रो गार्डन, भिलार - पुस्तकांचे गाव. ह्या व इतर ठिकाणांना आपण आवर्जुन भेट देतो. मी हया लेखातून वाचकांना एका वेगळ्या विश्वात घेऊन जाणार आहे.

"ते वेगळं विश्व म्हणजे शिवकालिन खेडेगाव. एक ऐतिहासिक वारसा जपणारं असं अविस्मरणीय खेडेगाव- त्या गावाची सैर करताना अगदी सहजच आम्हा सगळ्यांना आपलंसं करणार गाव..

शिवाजी महाराजांच्या काळात गाव कसं होतं? गावातल्या लोकांचे व्यवसाय, त्यांचा पेहराव, पाटलांचं घर, त्यावेळचे लहान मुलांचे खेळ ह्या विषयी माहिती देणारं गाव. खुप सुंदरतेने हे साकारलं आहे. ह्या गावाचं वर्णन करायला शब्दही अपुरे आहेत

हया गावात प्रवेश करण्यापूर्वी आपल्याला प्रवेशद्वाराआधी अंबारी दिसते. ही अंबारी खुप छान सजवली आहे. थोडं पुढे गेलं की दिसतात दोन पाहरेकरी, जे प्रवेशद्वारा बाहेर पहारा देत असतात. आत गेल्यानंतर त्यावेळचे सगळे व्यावसायिक दिसतात. शेतकरी, आपल्या बैलगाडी सह दिसतो. कुंभार, लोहार, धनगर म्हणजेच मेंढपाळ, सुतार, हे सगळे व्यावसायिक आपापले व्यवसाय कसे करायचे ते दाखवले आहे. जणु काही त्यावेळी पण work from home ही संकल्पना राबवली जात होती हे जाणवतं

धनगर हे मेंढपाळ म्हणुन भुमिका बजावत शिवाजी महाराजांसाठी खबरे (spy) म्हणून काम करायचे. मावळे कसे दिसायचे? त्यांचा पेहराव कसा होता? हे अतिशय बारकाव्यांसकट दाखवले गेले आहे.

दगडात घडवलेली भरपुर जाती येथे एके ठिकाणी ठेवण्यात आली आहेत. विहिरीतून पाणी बाहेर काढणारी महिला, तुळशी वृंदावना जवळ उभी असलेली महिला, सागरगोटे खेळणाऱ्या छोट्या चिमुकल्या मुली येथे आपल्याला, पहायला मिळतात. ह्या मुलींनी परकर पोलकं परिधान केलं आहे. वासुदेव पण खुप सुंदर साकारण्यात आला आहे. पाटलांचा आलिशान गाडा, गवताची गंजी आच्छादलेली घरे, त्यावेळचे दिनमान, अतिशय बारिक अभ्यास करून उभारण्यात आले आहे.

हे अप्रतिम असं शिवकालीन खेडेगाव, सातारा जिल्ह्यात प्रतापगडाच्या पायथ्याशी श्री चंद्रकांत उतेकर यांनी खुप कष्ट घेऊन स्वखर्चाने निर्माण केले आहे. अविरत मेहनत घेऊन श्री उतेकर यांनी आपली सोळा वर्षे ह्या निर्मितीसाठी व्यतित केली आहेत.

मी जेव्हा या कलाकृतीस भेट दिली, तेव्हा मला श्री उतेकर यांची भेट घेण्याचा योग आला हे गाव निर्माण करण्यामागचा हेतु कळला. शिवकालीन खेडेगाव कसं होतं हे पुढील पिढ्यांना कळण्यासाठी त्यांनी एवढे परिश्रम घेतले आहेत. आपण जेव्हा येथे जातो तेव्हा ह्या गावाविषयी माहिती सांगणारे मदतनीस तेथे आपल्याला भेटतात. आम्हाला ही एक मदतनीस, माहितगार तिथे भेटला. सतत दोन तास तो आमच्या बरोबर सगळी माहिती सांगत अतिशय सुंदर असं हे गाव दाखविण्यासाठी फिरला. अतिशय उत्साह. शिवरायां वरिल प्रेम, हया नवनिर्मित कलाकृतीची माहिती अगदी प्रेमाने सांगण्याचा त्याचा स्वभाव, हे सगळं पाहून तर त्याचं आम्हाला खुप कौतुक वाटलं.

ज्या तऱ्हेने शिवाजी महाराजांसाठी, त्यांचे मावळे त्यांच्या जिवावर उदार होऊन, त्यांच्यावर अढळ श्रद्धा ठेऊन लढले होते. त्याचप्रमाणे वेळ, पैसा, अविश्रांत मेहनत करत श्री उतेकरांनी आपले देहभान विसरून हि कलाकृती निर्माण केली आहे.

मी वाचकांना ह्या लेखातून असं, सांगु इच्छिते की प्रत्येकाने आवर्जुन भेट दयावी असं हे शिवकालीन खेडेगाव खरंच खुप मनमोहक आहे. हे गाव पाहून प्रत्येकाचे उर अभिमानाने भरून जाईल हे नक्की.

शिवाजी महाराजांची स्वयंपूर्ण गावाची संकल्पना पुढील पिढ्यांच्या डोळ्यात अंजन घालणारी आहे. त्यांचा ऐतिहासिक वारसा जपणारं गाव, मनाला भावणारं गाव, तन मन हरपायला लावणारं गाव. चला तर, लगबगीने जाऊया यागावाची सैर करायला ! येताय ना?

શું ભેદભાવ હજુ થાય છે?

જ્યારે આપણે ભેદભાવ વિશે વાત કરીએ છીએ, ત્યારે આપણા મગજમાં પ્રથમ વસ્તુ શું આવે છે? જો તમે મને પૂછો, તો તેનો રંગવાદ કે શેડિઝમ. ત્વચાના રંગ પર આધારિત ભેદભાવ જે જૂના દાયકાઓમાં એકદમ સામાન્ય હતો તેણે આધુનિક યુગમાં પણ કેટલાક નિશાન છોડી દીધા છે. અહેવાલો અનુસાર, ભારતીય અમેરિકન એટીટ્યુડ સર્વે (IAAS) તાજેતરમાં હાથ ધરવામાં

આવ્યો હતો જેણે દરેકને દુઃખમાંથી બહાર કાઢ્યા હતા. તે તારણ કાઢે છે કે બે ભારતીય અમેરિકનોમાંથી એક યુનાઈટેડ સ્ટેટ્સ ઓફ અમેરિકામાં ભેદભાવ અનુભવે છે. જોન હોપકિન્સ યુનિવર્સિટી, યુનિવર્સિટી ઓફ પેન્સિલવેનિયા અને કાર્નેગી એન્ડોવમેન્ટ ફોર ઈન્ટરનેશનલ પીસ સાથે જોડાયેલા સંશોધકો દ્વારા માર્કેટ રિસર્ચ અને ડેટા એનાલિટિક્સ ફર્મ YouGovની મદદથી ઓનલાઈન હાથ ધરાયેલા સર્વેક્ષણ દ્વારા 1,200 ભારતીય અમેરિકનોના પ્રતિભાવો જનરેટ કરવામાં આવ્યા હતા. પ્રકાશિત થયેલા સર્વેના અહેવાલમાં બહાર આવ્યું છે કે ચામડીના રંગના આધારે ભેદભાવનું સૌથી પ્રચલિત સ્વરૂપ જોવા મળ્યું હતું. શ્રીલંકામાં તમિલોના સંદર્ભમાં ભેદભાવનો બીજો એક ભાગ જોવા મળ્યો. યુએન કમિટીએ જણાવ્યું હતું કે તમિલોને વંશીય ભેદભાવનો સામનો કરવો પડ્યો હતો અને તેઓ તેની પોતાની ભાષામાં જાહેર સેવાઓનો અભાવ, મૃતકોને દફનાવવા માટે જાહેર જગ્યાઓ પર પ્રવેશ ન કરવા, પોલીસ એજન્ટો દ્વારા તમિલ ભાષાનો ઉપયોગ કરવાનો ઇનકાર જેવા કેટલાક મુદ્દાઓ સહિત તે જ ભોગવતા રહે છે. મોટી સૈન્ય હાજરીને કારણે મહિલાઓની સુરક્ષા અને સૌથી ઉપર અનિર્ણિત ભય. હવે, જ્યારે વિવિધ દેશો વિશે વાત કરવામાં આવે છે જે મુખ્ય હબ, બાંગ્લાદેશને ભૂલી શકે છે. બાંગ્લાદેશમાં વસેલા ભારતીયો સ્થાનિકો દ્વારા નિયમન કરાયેલા ભેદભાવ પ્રથાઓથી સતત સહન કરી રહ્યા છે. 11 ડિસેમ્બરે, એક દલિત યુવકે રેસ્ટોરાંમાં પ્રવેશ પરના અલિખિત પ્રતિબંધને અવગણવા બાબતે થયેલી ઝપાઝપી દરમિયાન ઉકળતા તેલ પડતાં તેનો હાથ બળી ગયો હતો. બાંગ્લાદેશ દલિત અને બહિષ્કૃત અધિકાર ચળવળ (BDERM), બાંગ્લાદેશની એક અધિકાર સંસ્થાએ ઘટના બન્યાના દિવસો પછી એક પ્રેસ કોન્ફરન્સ દરમિયાન, લાદવામાં આવેલા અલિખિત પ્રતિબંધને નાબૂદ કરવાની માંગ કરી હતી. પરંતુ, આજ સુધી બાંગ્લાદેશમાં દલિતો અને અન્ય ભેદભાવ ધરાવતા સમુદાયોને રેસ્ટોરાં અને અન્ય ભોજનાલયોમાં પ્રવેશવા અથવા થાળી અને ગ્લાસને સ્પર્શ કરવા માટે નિયમિતપણે પ્રતિબંધિત છે અને પોતાને સંતોષવા માટે પેકડ ફૂડ ખરીદવાની ફરજ પાડવામાં આવે છે. ભેદભાવ માત્ર ભારતીયો માટે જ નહીં પરંતુ પ્રભાવ હેઠળના તમામ લોકો માટે પણ ભયંકર છે અને શાંતિ મેળવવા માટે તેનાં રોકવો જોઈએ. આને રોકવા માટે, ભારતીય અધિકારીઓએ તમામ શહીદોને મદદ અને સહાય માટે યુએન કમિટીને અપીલ કરવી જોઈએ અને સાથે જ તેમને આ શોષણમાંથી મુક્તિ અપાવવા માટે પણ પ્રયાસ કરવા જોઈએ. ઉપરાંત, પીડિતોએ તેમના અધિકારો માટે લડવું જોઈએ જ્યાં સુધી તેઓ આ જેરીલી વિચારધારા ધારાથી થાય. સહનશીલતા પીડિતોની સૌથી મોટી દુશ્મન છે જે જુલમીની હિંમતને વેગ આપી શકે છે, તેથી ન્યાય મેળવવા માટે દરેક કૂરતા અને નિર્દયતાનો વિરોધ કરવો જોઈએ. આશા છે કે, એક દિવસ દરેક વ્યક્તિ આ પ્રકારના ભેદભાવથી મુક્ત થશે. શું ભેદભાવ હજુ થાય છે?

શિક્ષણમાં ટેકનોલોજીની ભૂમિકા

ટેકનોલોજીએ આપણે જીવવાની, કામ કરવાની અને શીખવાની રીતમાં ક્રાંતિ કરી છે. શિક્ષણના ક્ષેત્રમાં, ટેકનોલોજીએ પરંપરાગત વર્ગખંડને ગતિશીલ અને અરસપરસ શિક્ષણના વાતાવરણમાં પરિવર્તિત કર્યું છે. ટેકનોલોજીની વધતી જતી ઉપલબ્ધતા અને સુલભતા સાથે, શિક્ષણમાં ટેકનોલોજી જે ભૂમિકા ભજવે છે તેનું અન્વેષણ કરવું મહત્વપૂર્ણ છે. બ્લેકબોર્ડ અને ચોક ----- વ્હાઇટબોર્ડ અને માર્કર ----- સ્માર્ટબોર્ડ અને પ્રોજેક્ટર AI (કૃત્રિમ બુદ્ધિ) એ એલ્ગોરિધમ્સ અને ડેટાનો ઉપયોગ કરીને માનવ બુદ્ધિની જરૂર હોય તેવા કાર્યો કરવા માટે મશીનોનો સંદર્ભ આપે છે. શિક્ષણમાં AI એલ્ગોરિધમ્સ અને ડેટા વિશ્લેષણનો ઉપયોગ કરીને વ્યક્તિગત શિક્ષણ, ઓટોમેશન અને પ્રતિસાદ આપે છે. શિક્ષણ પ્રણાલીમાં AI ના ફાયદા: શિક્ષણમાં આર્ટિફિશિયલ ઇન્ટેલિજન્સ (AI) ના એકીકરણથી આ ક્ષેત્રમાં ઘણા ફાયદા થયા છે. શિક્ષણમાં AI ના મુખ્યફાયદાઓમાંનો એક વ્યક્તિગત શિક્ષણ અનુભવો પ્રદાન કરવાની ક્ષમતા છે. વિદ્યાર્થીઓના ડેટાનું પૃથ્થકરણ કરીને, AI એલ્ગોરિધમ વ્યક્તિગતવિદ્યાર્થીઓની જરૂરિયાતો અને ગતિને અનુરૂપ એવા વૈવિધ્યપૂર્ણ શિક્ષણ યોજનાઓ બનાવી શકે છે. આ વિદ્યાર્થીઓને તેમની પોતાની ઝડપે શીખવા દે છે, તેમની સમજણ અને પ્રેરણામાં સુધારો કરે છે. શિક્ષણમાં AI નો બીજો ફાયદો એ છે કે ગ્રેડિંગ, હાજરી અને સમયપત્રક જેવા વહીવટી કાર્યોનું સ્વચાલિતકરણ. આ શિક્ષકોનો મૂલ્યવાન સમય બચાવે છે, જેનાથી તેઓ વિદ્યાર્થીઓને વધુ વ્યક્તિગત સૂચના અને પ્રતિસાદ આપવા પર ધ્યાન કેન્દ્રિત કરી શકે છે. વધુમાં, AI-સંચાલિત સિસ્ટમો વિદ્યાર્થીઓને તેમના કાર્ય પર રીઅલ-ટાઇમ પ્રતિસાદ આપી શકે છે, જે શીખવાના પરિણામોને સુધારવામાં મદદ કરી શકે છે. AI પાસે વિકલાંગ વિદ્યાર્થીઓ માટે સુલભતા અને સમાવેશને વધારવાની ક્ષમતા પણ છે. શિક્ષણ પ્રણાલીમાં AI ની નકારાત્મક અસરો: શિક્ષણમાં AI નું એકીકરણ પૂર્વગ્રહ અને ભેદભાવ છે. AI એલ્ગોરિધમ્સ માત્ર તેટલા જ નિષ્પક્ષ છે જેટલા ડેટા પર તેઓને તાલીમ આપવામાં આવે છે અને ધારણાઓ સાથે તેઓ પ્રોગ્રામ કરે છે. જો ડેટા પક્ષપાતી હોય અથવા ધારણાઓ ખામીયુક્ત હોય, તો AI-સંચાલિત સિસ્ટમો પૂર્વગ્રહો અને ભેદભાવને કાયમી બનાવી શકે છે. વિદ્યાર્થીઓના મૂલ્યાંકન અને શૈક્ષણિક કાર્યક્રમોમાં પ્રવેશ જેવા મુદ્દાઓ માટે આનાથી ગંભીર અસરો થઈ શકે છે. ગોપનીયતાની ચિંતાઓ પણ શિક્ષણમાં AI ની નોંધપાત્ર નકારાત્મક અસર છે. AI-સંચાલિત સિસ્ટમો કાર્ય કરવા માટે ડેટા પર આધાર રાખે છે, જેનો અર્થ છે કે વિદ્યાર્થીઓનો ડેટા એકત્રિત અને વિશ્લેષણ કરી શકાય છે. આ ડેટા સંવેદનશીલ હોઈ શકે છે અને તેને અનધિકૃત એક્સેસ અથવા દુરુપયોગથી સુરક્ષિત રાખવો જોઈએ. છેવટે, માનવ શિક્ષકોને સંપૂર્ણપણે બદલવા માટે AI-સંચાલિત સિસ્ટમોની સંભવિતતા વિશે ચિંતા છે. જ્યારે AI શીખવાના અનુભવને વધારી શકે છે, ત્યારે તે શિક્ષક દ્વારા પ્રદાન કરે છે તે વ્યક્તિગત સ્પર્શ અને માનવીય જોડાણને બદલી શકતું નથી. વિદ્યાર્થીઓને ખીલવા માટે માનવીય ક્રિયાપ્રતિક્રિયા અને માર્ગદર્શનની જરૂર હોય છે, અને AI-સંચાલિત પ્રણાલીઓને માનવ શિક્ષકોને બદલવાને બદલે ટેકો આપવા માટેના સાધનો તરીકે જોવી જોઈએ. શિક્ષણ પ્રણાલીમાં ઉપયોગમાં લેવાતા ઉચ્ચ AI સાધનો:

- Chatgpt - દરેક વસ્તુનો જવાબ આપો
- Peppertype.ai - વર્ચ્યુઅલ સહાયક
- TidyCal - કેલેન્ડર અને શેડ્યુલિંગ
- SEMRush - ઓનલાઇન માર્કેટિંગ સાધન
- Automated Grading System - વિશ્લેષણ કાર્ય અને પ્રતિસાદ પ્રદાન કરો
- Speech Recognition Software - બોલાતી ભાષાને ટેક્સ્ટમાં કન્વર્ટ કરો

તંત્રી લેખ નું મહત્ત્વ

જે તે વિષયની સમજ આપતું મુદ્દાસર લખાણ, જે અખબાર-સામયિકમાં પ્રકાશિત થતું હોય છે અને ટૂંકું નિબંધ-સ્વરૂપી હોય છે. અખબાર-સામયિકોમાં મુખ્યત્વે તંત્રીલેખ, કટારલેખ (કોલમ), ચર્ચાપત્ર અને વિશ્લેષણલેખ વગેરે લખાતાં હોય છે, જેમનાથી વાચકોને જે તે વિષય ઉપર વિગતવાર વિસ્તૃત અને ઉપયોગી માહિતી મળે.

અખબાર-સામયિકોનું સૌથી મહત્ત્વનું પાસું તંત્રીલેખ ગણાય છે. તંત્રીલેખ સામાન્ય રીતે જે તે અખબાર-સામયિકોની નીતિનું પ્રતિબિંબ પાડતા હોય છે. જૂજ અપવાદોને બાદ કરતાં વિશ્વનાં તમામ અખબાર-સામયિકોમાં તંત્રીલેખ અનિવાર્યપણે પ્રકાશિત થાય છે. મહદઅંશે આ તંત્રીલેખ જે તે અખબાર-સામયિકોના તંત્રી લખતા હોય છે; પરંતુ ઘણા કિસ્સાઓમાં કોઈ વરિષ્ઠ પત્રકાર કે પીઢ લેખક અથવા કોઈ ખાસ વિષયના જાણકાર દ્વારા પણ તંત્રીલેખ લખાતા હોય છે; જેમ કે, અમેરિકાની અવકાશ-સંશોધન સંસ્થા નાસા દ્વારા મંગળ ગ્રહ ઉપર મોકલવામાં આવેલા રોવર મિશન અને તેના સંશોધન બાબતે કોઈ અખબાર કે સામયિકે તંત્રીલેખ લખવો હોય અને તેના પ્રવર્તમાન તંત્રી આ વિષયના નિષ્ણાત ન હોય તો તેઓ લખી ન શકે અને તેવા સંજોગોમાં આ વિષયના નિષ્ણાત પાસે તંત્રીલેખ લખાવવામાં આવે. તે જ પ્રમાણે ભારત અને પાકિસ્તાન વચ્ચે ક્રિકેટ-શ્રેણી ચાલતી હોય અથવા ક્રૂટબોલનો વિશ્વકપ રમાતો હોય અને તેવા વિષયો પર અખબાર-સામયિકને તંત્રીલેખ લખવાની જરૂર જણાય. પરંતુ જે તે સમયના તંત્રી આવા વિષયોથી પણ અજાણ હોય તો તે અખબાર-સામયિકમાં રમતગમતનો વિભાગ સંભાળતા વરિષ્ઠ પત્રકાર પાસે અથવા તે પણ શક્ય ન હોય તો અન્ય કોઈ નિષ્ણાત પાસે તંત્રીલેખ લખાવવામાં આવે છે. તંત્રીલેખ અખબાર-સામયિકનું સૌથી સબળ પાસું છે. દેશમાં અંગ્રેજોના શાસન દરમિયાન તેમજ ત્યારપછી 1975થી 1977ના કટોકટીના ગાળા દરમિયાન અખબાર-માલિકો અને તંત્રીઓ વચ્ચેના પ્રત્યે નારાજગી વ્યક્ત કરવા કે વિરોધ વ્યક્ત કરવા તંત્રીલેખની જગ્યા ખાલી રાખતા. તંત્રીલેખ દ્વારા એક ચોક્કસ પ્રકારનો સંદેશો આપવામાં આવતો હોય છે. રાજ્યની કોઈ નીતિવિષયક બાબત હોય તો તંત્રીલેખ દ્વારા પ્રજાહિતને ધ્યાનમાં રાખીને તંત્રી જે તે સરકારને સલાહના કે ઠપકાના રૂપમાં સંદેશો આપતા હોય છે. જોકે ક્યારેક તંત્રીલેખને કારણે મોટો વિવાદ પણ ઊભો થતો હોય છે અને વાત અદાલત સુધી પણ પહોંચતી હોય છે. આ બાબતનું નવેમ્બર 2003નું ઉદાહરણ જોવા જેવું છે. છેલ્લાં લગભગ 125 વર્ષથી ચેન્નાઈથી પ્રકાશિત થયું.

મિત્રતા

બે વ્યક્તિ એકબીજાના સાથી બને,
જ્યારે માણસ મિત્ર બને.
લાગણીઓ કેળવાય અને આપ લે થાય,
એકબીજા વગર ન રહેવાય.
મિત્રતા ચાલે કુકત થોડાક વર્ષ,
પણ પાઠ ભણાવે વર્ષો ના વર્ષ.
સ્કૂલના મિત્રો છૂટી જાય,
પણ યાદો વાગોળી જાય.
કોલેજમાં બને નવા મિત્રો,
પણ ખલતા હોય એ જૂના ચિત્રો.
યાદ આવે એ મિત્રો ની ત્યારે
કોઈ તર-વીર જોઈ પૂછે આ કોણ?
તે ઘડીએ આંખમાં આવે આંસુ,
યાદ આવે ભૂતકાળ ની વાતો.
મિત્રો એવી સોપારી છે,
જેનો સ્વાદ હંમેશા રહે છે.
મિત્રતા હોય અમૂલ્ય મૂડી,
એને ભૂલાય ખરી....

દીકરી

ઘર આખાની રોનક છે દીકરી,
જીવનમાં ખીલેલ કમળ છે દીકરી.

ક્યારેક તડકા જેમ મધમધ સોહાતી
ક્યારેક શીતળ ચાંદની છે દીકરી

શિક્ષા, ગુણ સંસ્કાર રોપી દો,
પછી દીકરા સમ સક્ષમ છે દીકરી

સહારો આપો જો વિશ્વાસનો,
તો પવિત્ર ગંગાજળ છે દીકરી.

પ્રકૃતિના સદ્ગુણ જો સીંચો,
તો પ્રકૃતિ સમ નિશ્ચલ છે દીકરી.

તો કેમ પ્રતિબંધ તેના જન્મવા સામે,
આપણી આવતીકાલ છે દીકરી.....

અભ્યાસ કૌશલ્યો

અભ્યાસ કૌશલ્યો એ ક્ષમતાઓ અને તકનીકોની શ્રેણીનો સંદર્ભ આપે છે જે વ્યક્તિઓને અસરકારક રીતે માહિતી શીખવામાં અને જાળવી રાખવામાં મદદ કરે છે. શાળા, કોલેજ અને તેનાથી આગળની સફળતા માટે સારા અભ્યાસ કૌશલ્ય ને વિકસવવું છે. આ લેખમાં, કેટલાક આવશ્યક અભ્યાસ કૌશલ્યોની ચર્ચા કરીશું જેનો ઉપયોગ વિદ્યાર્થીઓ તેમના શીખવાના પરિણામોને સુધારવા માટે કરી શકે છે.

સફળ અભ્યાસ માટે સમય વ્યવસ્થાપન એ આવશ્યક કૌશલ્ય છે. અભ્યાસ માટે પૂરતો સમય ફાળવવો મહત્વપૂર્ણ છે, પરંતુ વિરામ લઈને અને અન્ય પ્રવૃત્તિઓમાં વ્યસ્ત રહેવાથી બર્નઆઉટ ટાળવું પણ મહત્વપૂર્ણ છે. સમયનું અસરકારક રીતે સંચાલન કરવા માટે, વિદ્યાર્થીઓએ અભ્યાસનું સમયપત્રક બનાવવું જોઈએ, કાર્યોને પ્રાથમિકતા આપવી જોઈએ અને વિલંબ ટાળવો જોઈએ. વધુમાં, લક્ષ્યો અને સમયમર્યાદા નક્કી કરતી વખતે વાસ્તવિક બનવું મહત્વપૂર્ણ છે કે જેથી તેઓ પ્રાપ્ત કરી શકાય.

નોંધ લેવી એ અન્ય જટિલ અભ્યાસ કૌશલ્ય છે. અસરકારક નોંધ લેવામાં માહિતીને સમજવા અને યાદ રાખવામાં સરળ હોય તે રીતે સારાંશ આપવાનો સમાવેશ થાય છે. નોંધ લેવાની કૌશલ્ય સુધારવા માટે, વિદ્યાર્થીઓએ મુખ્ય મુદ્દાઓને ઓળખવાનું, તેમના પોતાના શબ્દોમાં નોંધ લેવાનું અને તાર્કિક રીતે માહિતીને ગોઠવવાનું શીખવું જોઈએ. વધુમાં, વિદ્યાર્થીઓએ સામગ્રીની તેમની સમજને મજબૂત કરવા માટે તેમની નોંધોની નિયમિત સમીક્ષા કરવી જોઈએ.

સક્રિય વાંચન એ અન્ય મહત્વપૂર્ણ અભ્યાસ કૌશલ્ય છે. આમાં પ્રશ્નો પૂછીને, જોડાણો બનાવીને અને જે વાંચવામાં આવ્યું છે તેના પર પ્રતિબિંબિત કરીને ટેકસ્ટ સાથે જોડાવવાનો સમાવેશ થાય છે. સક્રિય વાંચન વિદ્યાર્થીઓને સામગ્રીને વધુ સારી રીતે સમજવા અને યાદ રાખવામાં મદદ કરી શકે છે. સક્રિય વાંચન કૌશલ્ય સુધારવા માટે, વિદ્યાર્થીઓએ લખાણ પૂર્વાવલોકન કરવું જોઈએ, સક્રિયપણે વાંચવું જોઈએ અને તેઓએ જે વાંચ્યું છે તેનો સારાંશ આપવો જોઈએ.

યાદ રાખવું એ એક નિર્ણાયક અભ્યાસ કૌશલ્ય છે, ખાસ કરીને જ્યારે મોટી માત્રામાં માહિતી જાળવી રાખવાની વાત આવે છે. યાદ રાખવાનું કૌશલ્ય સુધારવા માટે, વિદ્યાર્થીઓએ નેમોનિક ઉપકરણો, પુનરાવર્તન અને જોડાણ તકનીકોનો ઉપયોગ કરવો જોઈએ. વધુમાં, ક્વિઝ અને ફ્લેશકાર્ડ્સ દ્વારા યાદ કરવાની પ્રેક્ટિસ કરવાથી મેમરીને મજબૂત બનાવવામાં મદદ મળી શકે છે.

સહયોગ એ અન્ય મૂલ્યવાન અભ્યાસ કૌશલ્ય છે. અન્ય લોકો સાથે કામ કરવાથી એક અલગ પરિપ્રેક્ષ્ય મળી શકે છે અને વિદ્યાર્થીઓને માહિતીને વધુ સારી રીતે સમજવામાં અને જાળવી રાખવામાં મદદ મળી શકે છે. અસરકારક રીતે સહયોગ કરવા માટે, વિદ્યાર્થીઓએ સ્પષ્ટ રીતે વાતચીત કરવી જોઈએ, સક્રિય રીતે સાંભળવું જોઈએ અને જૂથ ચર્ચાઓમાં યોગદાન આપવું જોઈએ.

છેલ્લે, પરીક્ષા લેવી એ એક મહત્વપૂર્ણ અભ્યાસ કૌશલ્ય છે. આમાં માત્ર સામગ્રીને સમજવામાં જ નહીં, પરંતુ પરીક્ષા -લેવાની પરિસ્થિતિમાં તેને લાગુ કરવામાં સક્ષમ હોવાનો પણ સમાવેશ થાય છે. કસોટી લેવાની કૌશલ્ય સુધારવા માટે, વિદ્યાર્થીઓએ સમય વ્યવસ્થાપન, ખોટા જવાબો દૂર કરવા અને તમામ પ્રશ્નોના જવાબ આપવા જેવી પરીક્ષાલક્ષી વ્યૂહરચનાઓનો અભ્યાસ કરવો જોઈએ.

નિષ્કર્ષમાં, સારા અભ્યાસ કૌશલ્ય ને વિકસાવવું એ શૈક્ષણિક સફળતા માટે નિર્ણાયક છે. સમય વ્યવસ્થાપન, નોંધ લેવા, સક્રિય વાંચન, યાદ રાખવા, સહયોગ અને પરીક્ષા લેવા જેવી આવશ્યક અભ્યાસ કૌશલ્યોમાં નિપુણતા મેળવીને, વિદ્યાર્થીઓ તેમના શીખવાના પરિણામોમાં સુધારો કરી શકે છે અને તેમના શૈક્ષણિક લક્ષ્યો હાંસલ કરી શકે છે.

શાસ્ત્રીય નૃત્ય

નૃત્ય એ આપણા શરીર અને મનના કંપનનું સ્વરૂપ છે. તે પૂજાનું એક સ્વરૂપ છે જેના દ્વારા નર્તક સર્વશક્તિમાન સુધી પહોંચી શકે છે | 8 ભારતીય શાસ્ત્રીય નૃત્યો છે - તમિલનાડુમાંથી ભરતનાટ્યમ, ઉત્તર પ્રદેશનું કથક, કેરળનું કથકલી, મણિપુરનું મણિપુરી, ઓડિસ્સાનું ઓડિસી, કેરળનું મોહિનીઅટ્ટમ, આંધ્રપ્રદેશનું કુચીપુડી અને આસામનું સત્રિયા |

શાસ્ત્રીય નૃત્યના બે મૂળભૂત પાસાઓ છે જે છે - લાસ્ય - તે કૃપા, ભાવ, રસ અને અભિનય દર્શાવે છે | તે કલા સ્વરૂપ તરીકે નૃત્યની સ્ત્રીની લાક્ષણિકતાઓ માટે પ્રતીકાત્મક છે | તાંડવ - આ નૃત્યના પુરુષ પાસાઓ માટે પ્રતીકાત્મક છે અને તેમાં લય અને હલનચલન પર વધુ ભાર છે | શાસ્ત્રીય નૃત્ય કલા ત્રણ મૂળભૂત તત્વો છે |

1. નૃત - આ મૂળભૂત નૃત્ય પગલાં છે અને લયબદ્ધ રીતે કરવામાં આવે છે પરંતુ કોઈપણ અભિવ્યક્તિ અથવા મૂડ વિના |
2. નાટ્ય - તેનો અર્થ નાટકીય રજૂઆત છે અને તે વાર્તાનો સંદર્ભ આપે છે જે નૃત્યના પાઠ દ્વારા વિસ્તૃત કરવામાં આવે છે |
3. નૃત્ય - નૃત્ય દ્વારા ઉત્તેજિત ભાવના અને લાગણીઓનો ઉલ્લેખ કરે છે | તેમાં નૃત્યમાં મુદ્રા સહિત માઇમ અને અભિવ્યક્તિની વિવિધ પદ્ધતિઓનો સમાવેશ થાય છે |

છેલ્લે, ભગવાન શિવને 'નટરાજ' એટલે કે 'બધા નૃત્યોનો રાજા' કહેવામાં આવે છે, જેઓ કોસ્મિક ડાન્સ કરે છે જે જીવન અને મૃત્યુ અને બ્રહ્માંડમાં સુમેળભર્યા ચક્રમાં જે કંઈ થઈ રહ્યું છે તેને નાજુક રીતે સંતુલિત કરે છે |

સ્ત્રીઓ ની શક્તિ

સમાજની પ્રગતિનું સૌથી મોટું સૂચક સ્ત્રીની સ્થિતિ છે જે તેને જાળવી રાખે છે. અગાઉ ભારતમાં મહિલાઓની સ્થિતિ પુરુષોની સરખામણીમાં હલકી કક્ષાની માનવામાં આવતી હતી. તેઓને શાસ્ત્રોમાં ઉચ્ચ દરજ્જો આપવામાં આવ્યો હતો અને તેઓ વિશ્વમાં સંપૂર્ણ ગૃહિણી તરીકે મૂર્તિમંત હતા. સ્ત્રીઓમાં શાંત મન, કોઈપણ ભાવનાત્મક પડકારને પહોંચી વળવાની શક્તિ અને મુશ્કેલ પરિસ્થિતિને સરળતા અને આશાવાદ સાથે હેન્ડલ કરવા જેવા અજોડ ગુણો હોય છે. સ્ત્રીઓ તેમના પરિવારને અકબંધ રાખે છે અને દોરડા તરીકે કામ કરે છે મહિલાઓ માત્ર મહાન ગૃહિણી જ નથી પરંતુ તેઓમાં નૈતૃત્વના ગુણો પણ શ્રેષ્ઠ છે.

કોર્ટ દ્વારા લાગુ કરાયેલા મહિલાઓના વિવિધ અધિકારોને કારણે હવે મહિલાઓ વિવિધ કાર્યક્ષેત્રોમાં પોતાની તાકાત બતાવી શકે છે. સમાજના પુરુષો દ્વારા સ્ત્રીની ક્ષમતાઓને મર્યાદિત કરી શકાતી નથી. તે સૌથી મજબૂત હોવાની સાથે સાથે સૌથી કોમળ પણ છે, તે માતાની સાથે સાથે મેનેજર પણ છે, તે સૌથી મીઠી છે પણ તે દુર્ગા, પાર્વતી, કાલી, સરસ્વતી જેવી દેવી પણ બની શકે છે. જે સમાજ મહિલાઓનું સન્માન કરે છે, જેઓ મહિલાઓની પ્રશંસા કરે છે અને તેમની સાથે સમાન વર્તન કરે છે તેઓ તેમનો વિકાસ ઝડપથી થશે પરંતુ જો કોઈ સમાજ મહિલાઓનો અનાદર કરશે તો તેમને ગંભીર પરિણામો ભોગવવા પડશે. એવી દુનિયામાં કે જેણે એકવાર તેનો અવાજ મૌન કરી દીધો, તે હવે એક શક્તિશાળી અવાજ સાથે, ઊંચી ઉભી છે. અવરોધોને તોડી નાખવું અને સ્ટીરિયોટાઇપ્સને તોડી નાખવું, પોતાની તમામ શક્તિથી પોતાને અને અન્યોને સશક્ત બનાવવું.

તેની શક્તિ અને હિંમત, જોવાની શક્તિ, તેણીની સ્થિતિસ્થાપકતા, એક વાર્તા જે કહેવામાં આવશે. અસમાનતાની રાખમાંથી ઉભરી, તેણીની શક્તિ અને સંભવિત, જોવા માટે એક દૃષ્ટિ.

ભાઈ અને બહેન

કોણ હલાવે લીંબડી ને કોણ ઝુલાવે પીપળી ભાઈની બેની લાડકી ને ભયલો ઝુલાવે ડાળખી એ આપણા માં - બાપે આપણી વૃદ્ધાવસ્થા માટે રાખેલી બહુ મુલ્યવાન સંપત્તિ છે. જેની કદર આપણને ખુબ મોડેથી થાય છે. આપણે નાના હતા ત્યારે ભાઈ બહેન જ સૌથી નજીકના મિત્રો હતા. દરરોજ સાથે રમતા, જમતા, ઝગડતા. છતાં એક બીજા વગર ચાલતું નહીં. આમ ને આમ (મોટા થવાની હોંશમાં) ક્યારે બાળપણ વિતી ગયું ? એની ખબર જ ના પડી. મોટા થયા એટલે બધા પોત પોતાના સંસારમાં ખોવાઈ ગયા. પોતાનું અલગ જીવન શરૂ થયું. ભાઈ બહેન ની મુલાકાત પ્રસંગોપાત જ થવા લાગી. આતો માં - બાપ નાં આશિર્વાદ જ હતા. જેણે આપણ ને જોડી રાખ્યા. ધીરે ધીરે આપણે વૃદ્ધ થઈએ. એની વાટ જોતા રહ્યા. આપણા માં - બાપ આપણ ને છોડી ગયા છે અને આપણી આજુ બાજુ ના સગા સંબંધીઓ ની સંખ્યા પણ ઓછી થવા લાગી, ત્યારે ધીરે ધીરે આપણને એ (ભાઈ બહેન) વાત્સલ્યની કિંમત સમજાવા લાગે છે. મેં હમણાં એક ઇન્ટરનેટ પર વીડિયો જોયો. એમાં ૧૦૧ વરસનો ભાઈ તેની ૯૬ વરસ ની નાની બહેન ને મળવા ગયો હતો. થોડીવાર પછી બંને છુટા પડ્યા ત્યારે બહેનને અચાનક કઈ યાદ આવ્યું. એ ભાઈ ની કાર પાછળ દોડવા લાગી. ભાઈએ તરત જ કાર ઊભી રાખી. બહેને ભાઈ નાં હાથમાં એક ડબ્બો મૂક્યો અને કહ્યું તારી ભાવતી વસ્તુ છે. તને આપવાનું ભૂલી ગઈ. એનું બોલવા નું પૂરું થાય એ પહેલા જ ભાઈ બહેન ની આંખોમાં થી અશ્રુ ધારા વહેવા લાગી. આ વીડિયો પર ઘણાના વધારે એ જ કોમેન્ટ્સ હતા કે આ ઉંમરે ભાઈ બહેન નું મળવું એ ખૂબ જ ભાગ્યની અને ગૌરવની વાત છે. હા.....આપણે મોટા (વૃદ્ધ) થઈ એ ત્યારે જ આપણ ને સમજાય છે કે આ જગતમાં લોહીનાં સંબંધો થી જોડાઈ રહેવું કેટલું મહત્વ નું છે !!! જ્યારે આપણે વૃદ્ધત્વનાં ઉંબરે ઊભા હોઈએ અને માં - બાપ બંને હયાત ન હોય ત્યારે ભાઈ બહેન જગતનાં સૌથી નજીક નાં સંબંધી હોય છે. મિત્રો દુર જઈ શકે છે. છોકરાઓ મોટા થઈ ને દુર જઈ શકે છે. તમારો જોડીદાર તમારી સાથે હોય ન હોય, ત્યારે ફક્ત ભાઈ બહેન નો સાથ જીવનનો ઉત્તરાર્ધ પૂરો કરવા અંત સુધી સાથ આપી શકે છે. આપણે વૃદ્ધ થયા તોય ભાઈ બહેનો ભેગા મળીએ તે એક અનેરો આનંદ છે. એમના સહવાસ માત્ર થી નિસ્વાર્થ હુંફ નો અહેસાસ થાય છે અને તે અહેસાસ થી ગમે તેવી મુશ્કેલી નો સામનો કરવા માટે હિંમત અને બળ મળે છે. ભૂતકાળમાં કોઈ અપ્રિય ઘટનાઓ કોઈ કારણોસર કે મજબુરી થી થઈ હશે. તોય ભાઈ બહેને એક બીજા માટે વધારે સહન શીલને ક્ષમાશીલ રહેવું જોઈએ. એવી કોઈ ગાંઠ નથી, જે ભાઈ બહેન વચ્ચે બાંધી શકાય. એવી કોઈ ઢાલ નથી કે જે ભાઈ બહેન વચ્ચે આવી શકે, અને કદાચ આવી હોય તો એને કાઢી ના શકાય. ભાઈ બહેને ક્યારેય જૂના ઉખેડા કાઢવા નહીં, નારાજગી ને પોસવી નહીં. પરસ્પર થોડા અવલંબિત બની એકબીજાના સ્નેહભાવ વધારીએ તો આ નિસ્વાર્થ સંબંધો વધારે મજબુત થશે. અને ચોક્કસ થશે જ... કારણ આ સંસારમાં આપણા માં - બાપે આપણા માટે રાખેલો આ સૌથી મૂલ્યવાન લોહીનાં અતુટ સંબંધોનો વારસો છે.
