EXAMINATION AND EVALUATION SYSTEM

w. e. f A.Y 2016 – 2017 Implemented Progressively
Preface

Nagindas Khandwala College is a Government Aided Autonomous Certified, NAAC accredited with ‘A’ grade and ISO 9001:2015 Institute functions according to the vision statement of being a pacesetter by executing the examination calendar accurately, declaring results on time and having a complete transparency in conducting the examinations and also declaring results.

Being an autonomous institute the examination section plays a very important role in branding the institute and smooth conduct of all activities. Examination calendar is uploaded semester wise in the first week of the commencement of the academic year. The examination calendar is followed strictly and no changes are made unless unexpected events occurred. This helps students to plan their industrial visits and internships well in advance. Further, students get sufficient time for the preparation of competitive examinations such as GRE, CAT, UPSC, MPSC and C.S.E. Academic excellence is achieved by continuous evaluation and transparent examination system. The Appointment letters to faculty is sent along with the schedule for exams from time to time. There are two exams being conducted semester wise by the examination section. Class Test-I is scheduled after 6 weeks of teaching learning and Semester End Examination at the end of each semester after the completion of 90 working days. There is also Additional Examination for the students who remained absent on genuine grounds, which is conducted after 15 days of last paper held. Examination section follows a transparent policy by showing the answer books to students along with the synoptic submitted by the paper setter. Any changes are to be given to examination section with an explanation by the faculty for the reasons for changes.

The examination has its own rules and regulations which have been approved by academic council from time to time.

Every semester a general audit shall be conducted for the purpose of quality checks on Question Paper and evaluation.

Degree Award Ceremony is conducted by the Institute. The parent university (University of Mumbai) award degrees to the students evaluated and recommended by our college. The degree certificates depict a common format devised by the university. The degree certificate mention name of the college with specification ‘Affiliated to University of Mumbai’.

2. VISION

We are committed to be recognized as an institution that is a pacesetter for following the examination calendar, declaring results in time and also committed to expanding the horizon and inspiring young minds towards academic excellence.

PURPOSE
• To conduct Semester End Examinations and Internal Assessment Tests on behalf of the University of Mumbai.
• To declare results of the students on behalf of the university of Mumbai.

7. An overview on Choice Based Credit System

What is a Credit System?

- A credit system is a systematic way of describing an educational programme by attaching credits to its components.
- The definition of credits in higher education systems may be based on different parameters such as student workload, learning outcomes, entrepreneurship skills, contact hours, innovation and Creativity talents, etc.
- Revised Scheme of Evaluation under Choice Based Credit and Grading System (CBCS) for UG programmes is implemented progressively from the academic year 2016-2017.
- Continuous Evaluation of students’ progress Semester wise is involved in this system.

What is Choice Based Credit System (CBCS)?

- A “cafeteria” type approach in which the students can
  - Take courses of their choice,
  - Learn at their own pace,
  - Undergo additional courses,
  - Acquire more than the required credits, and
- Adopt an interdisciplinary approach to learning.
- Transformation from the traditional teacher-centered education to a student-centered education.
- CBCS provides greater flexibility with multiple exits, multiple pathways and vertical mobility.

**Why CBCS?**

- The main objectives of CBCS are:
  - To provide broad based education;
  - To provide students with greater flexibility in choice of courses;
  - To provide students multi-disciplinary curriculum;
  - To enable students to choose courses at basic/advanced level/inter-disciplinary;
  - To enable students to acquire job oriented skills;
  - To enable students to progress at their own pace;
  - To enable highly motivated students gain extra credits; and to Bridge the gap between professional and social exposure to provide a holistic education.

**Holistic Education**

- Values & Ethics
- Creative
- Leadership Qualities
- Research Ability
- Health & Nutrition
- Exposure
- Academic Excellence

**Importance of CBCS in the Process of Learning**

- Choice enables a learner to pursue any area of knowledge domain depending upon his / her interest.
- Choice also widens the horizon of learner’s intellectual insight.
- Rigidiry of present system does not allow pursuit of areas of interest as well as widening the educational horizon of the learner, and
- Provision of choice is an essential condition for broad-based learner’s profile across areas of knowledge.
Definitions of Key Words

1. **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).

2. **Course:** All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials / laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

3. **Credit Point:** It is the product of grade point and number of credits for a course.

4. **Grade Point:** It is a numerical weight allotted to each letter grade on a 10-point

5. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, D and F.

**CBCS In a Nutshell**

- Multiple choices of programmes and courses
- Clear cut identification of duration of teacher learner engagement
- Continuous and Comprehensive Assessment in term of class room attendance, Mid Term Tests, Assignments etc
- Transformation of actual marks secured by a student in terms of letter grades
- Give due weightage in terms of number of Instructional Hours per week
- Choice Based

**Types of Courses:** Courses in a programme may be of three kinds: Core, Elective and Foundation

1. **Core Course:** There may be a Core Course in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

2. **Elective Course:**

   Elective course is a course which can be chosen from a pool of papers. It may be:
   - Supportive to the discipline of study
   - Providing an expanded scope
   - Enabling an exposure to some other discipline/domain
   - Nurturing student’s proficiency/skill.
An elective may be “Generic Elective” focusing on those courses which add generic proficiency to the students. An elective may be “Discipline centric” or may be chosen from an unrelated discipline. It may be called an “Open Elective.”

**Foundation Course**: The Foundation Courses may be of two kinds: **Compulsory Foundation and Elective foundation.**

“Compulsory Foundation” courses are the courses based upon the content that leads to Knowledge enhancement. They are mandatory for all disciplines.

“Elective Foundation” courses are value-based and are aimed at man-making education.

7. For P.G programs, double evaluation procedure started from this academic year.
   If there is a difference of 15% of total marks appeared between two evaluators, then third evaluation is applicable. The average between two nearest marks will be awarded to student.
8. Gracing procedure and ordinances: As per the university norms and regulations.

   It is decided that the A.T.K.T / Repeaters examination for all semesters shall be conducted in the month of June instead of October henceforth. This would help many students to seek admission to the next class without losing a year.

8.6 Preservation of Answer Books:
All assessed answer books for End Semester Examination and Re-Examinations shall be preserved for two years in examination section from the date of examination as suggested by the academic board. It is mandatory to submit the internal assessment marks for all courses (Regular and A.T.K.T) to the Examination Section one week prior to the commencement of Semester End Examination.
As per the new system, scanned copy of answer book is available online. Student can see their answer script online or they can get a photo copy of the same and they can compare their answer with the synoptic answer. Students’ grievances if any are addressed through verification or revaluation, if required.

8.7 Result Compilation and Grading
i. The institute adopts mixed grading system
ii. The concerned faculty shall use CIE and Semester End Examination marks to get the total marks. If the total has a fractional part then the faculty shall round the total to the immediate next integer if the fractional part is ≥ 0.5. If the fractional part is < 0.5, it shall be rounded to immediate lower integer.

REVISED CREDIT BASED EVALUATION SYSTEM (Scheme of Examination & Passing Standard)

1. For the courses with Mixed Grading Scheme (Default grading system):

   At the end of every semester, a student will be awarded a grade based on his/her performance in examination and/or assignments in every course registered by him/her. The end Semester Examination grades are described by the letters O, A+, A, B+, B, C, D (Pass), F and their numerical equivalent (Grade Points GP) as given below in Table 3. Minimum passing marks for UG course is 40% and for PG courses is 50%.

   • Revised Scheme of Evaluation under Choice Based Credit and Grading System (CBCS) for UG programs is applicable from the A.Y. 2016-2017 progressively.

   • Continuous Evaluation of students’ progress Semester wise is involved in this system.

The performance of each learner will be evaluated in two components.

For UG programs:
I) Internal Assessment (25%) II) Semester End Examination (75%).

For PG programs:
I) Internal Assessment (40%) II) Semester End Examination (60%).

Passing Standard

The learners to pass a course shall have to obtain a minimum of 40% marks in aggregate for each course where the course consists of Internal Assessment and Semester End Examination.

Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e. \( \text{SGPA} (S_i) = \frac{\Sigma (C_i \times G_i)}{\Sigma C_i} \)

Where \( C_i \) is the number of credits of the \( i^{th} \) course and \( G_i \) is the grade point scored scored by the student in the \( i^{th} \) course.

ii. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e. \( \text{CGPA} = \frac{\Sigma (C_i \times S_i)}{\Sigma C_i} \)

Where \( S_i \) is the SGPA of the \( i^{th} \) semester and \( C_i \) is the total number of credits in that semester.

iii. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

</tbody>
</table>
Thus, SGPA = 139/20
= 6.95, therefore Grade for that semester is ‘B+’

d) Invited Members
e) Concerned Faculty / Subject Teacher / Invigilator (Invitees)

There is ‘Unfair Means Enquiry Committee’ to initiate actions against those who commit any kind of unfair activities during the examination are entitled to be punished as per the norms prescribed by ‘University of Mumbai’. Mobile Phones are strictly banned inside the examination hall and if at all any one brings, it has to be kept outside the exam hall at their own risk. The college will not be responsible for the loss or theft of valuables brought during the examinations.

Guidelines to Redressal Committee

i. The Redressal Committee shall inquire and decide the punishment by following the Guidelines for imposing punishment on examinee/s/others involved in unfair means as per the norms. However depending on the situation, committee may quantify the severity of the disciplinary action.

ii. In case of teaching faculty or other staff related with conduct of examination and involved in unfair means at examination, Redressal Committee shall investigate into the matter and forward the facts and findings of inquiry to Chairman, Examination Committee along with recommendation/s.

iii. As the examinee is asked to appear physically before the committee, he/she shall give written reply/explanation to the charges leveled against him/her. Reasonable opportunity, including oral hearing, shall be given to the examinee in his/her defense. The committee shall also consider the reply/explanation given by the examinee before making the final decision.

iv. After issuing show cause notice if the implicated examinee fails to appear before committee on the day at specified time and venue fixed for the meeting, the committee shall take decision in his/her case in absentia, on the basis of available evidence/documents, which shall be binding on the examinee concerned.

v. In disciplinary action against concerned implicated student/examinee/person, committee shall have rights to cancel institutional scholarship/s or awards or prizes or medals etc. achieved by him/her during the course of study.

vi. The Redressal Committee shall then issue final order/s with regard to the disciplinary action to be taken against the implicated examinee/persons.

vii. The committee shall dispose off the case within 15 days, from the last date of examination and in no case latter than the award of Grade points to the student/s. The decision and/or order of penal action imposed on the implicated examinee shall be issued to the respective examinee and same shall be informed to the Principal, Controller of Examinations and the person through whom the case was initiated. Further, based on the outcome of the redressal committee, the decision shall be communicated to the student. Student shall abide to the decision of redressal committee.

viii. For Paper Setter/Examiner/Faculty/Any Other Person Involved in Unfair Means with Conduct of Examination: If a Paper Setter/Examiner/Faculty member or any other person related with conduct/assessment of examination is suspected to be involved with unfair means or practices by a complaint launched by anybody either in written or oral or by any other means, the examination Controller
shall submit the report to the chairman who shall forward it to Redressal Committee. The concerned person through whom the case was originated shall present the case before Redressal Committee and shall deal with the case till it is finally disposed off.

ix. For unfair means in conduct of examination:
   a) The implicated person shall be informed in writing of the act of malpractices used and/or lapses committed by him/her at the examination and shall ask him/her to be present before the committee on a particular day and date at time and venue fixed for this meeting.

b) The documents pertaining to malpractices, for which the person is implicated, shall be shown to him/her and reasonable opportunity including oral hearing shall be given to the concerned person in his/her defense before the committee. The reply/explanation given by the concerned person shall also be considered by the committee before making final report/recommendation.

c) The committee shall follow the procedure in the spirit of natural justice.

d) If the concerned person fails to appear before committee on the specified day at the time and venue fixed for meeting, the committee shall take the decision in his/her case in absentia on the basis of whatever evidence/documents available to the committee. The same shall be binding on concerned implicated person.

e) The committee shall submit its report to the Examination Committee along with its recommendations regarding disciplinary action to be inflicted on the concerned person or otherwise.

f) After receiving the report along with the recommendations from Redressal Committee regarding punishment, the Examination Committee shall pass such orders as it deems fit including granting the implicated person benefit of doubt, issuing warning, or exonerating him/her from charges and shall impose any one or more of punishment taking into consideration.

x. In cases such as violence or any other serious matter where it is felt necessary to take severe action, Chairman/Controller of Examinations shall refer the case to the Redressal Committee and/or police if necessary.
