

LIBRARY AND INFORMATION CENTRE

The Library and Information Centre Established in 1983, has a rich collection of books, reference books, periodicals and e-resources. The library is fully automated and the staff are trained to provide online library services. The library provides various user-oriented and user-friendly library services such as Online Public Access Catalog (OPAC), Virtual Library, Ask a Librarian, reference services, and Recommend a Book. Our library staff plays a crucial role in ensuring the smooth operation and effectiveness of libraries in our college. These dedicated professionals are the backbone of the library system, tirelessly working to organize, catalogue, and maintain a vast collection of books, digital resources, and other materials. Their commitment goes beyond the shelves; they plan and host events, workshops, and reading programmes that promote literacy and a love for reading.

UNIVERSITY OF MUMBAI

TO

MRS. KALPANA DIVEKAR

Ms. Sonali Vhatkar has been awarded the INDAL Scholarship in Social Science for the year 2023 to 2024 by the Research, Scholarships and Medals Committee, Asiatic Society of Mumbai.

Ms. Anjali Chennapragada from Rider University (International Admissions Counselor) visited College on 11th Sept 2023

ATTENDANCE COMMITTEE

Since attendance is a compulsory requirement stipulated by the University of Mumbai, the daunting task of maintaining the attendance records of over thousands of students falls on the shoulders of two able convenors. Dr. Preeti Tripathi and Dr. Poonam Popat look after all attendance-related tasks of the Aided Section and Self-Financed respectively. With their competent teams, both ensure that students are made aware of the status of their attendance. At the same time both committees have to consider cases where students may have missed lectures for genuine reasons. This responsibility would overwhelm a lot of people but the Attendance Committee of both sections have been ably managing this task for a number of years. Kudos to them!

Know The Departments

GEOGRAPHY

Founded in 1995, the Department of Geography specializes in remote sensing and spatial analysis (GIS). It offers students a comprehensive overview of the subject and opportunities for further specialization, by equipping them with a diverse skill set, including spatial analysis, data interpretation, and environmental assessment. As industries increasingly recognize the value of geospatial intelligence, Geography graduates and post graduates find themselves in high demand. Whether in government planning, environmental consultancies, or tech-driven spatial analytics firms, the career prospects for those well-versed in Geography are both varied and promising. The Department has many research projects and patents.

Assistant Prof. Ashley Fernandes

B-SECTION

The Department of Banking and Finance (popularly called the B-Section) is the amalgamation of B.Com. (Accounting and Finance), B.Com. (Banking and Insurance) and B.Com. (Financial Markets). These programmes are distinguished by its dynamic nature, which fosters a lively academic environment, producing graduates with an abundance of knowledge in the fields of Accountancy, Banking, Finance, Insurance and Financial Markets. The Department is known for its flagship intercollegiate seminar 'Quest', wherein students interact with industry experts, and the intercollegiate cultural fest 'Pravaah', filled with fun, learning, and sports, participated by several colleges across Mumbai. The Department clearly believes in the adage, 'All work and no play makes Jack a dull boy.'

The "From Ideas to Market: Incubatee Showcase & Sale" event, held on September 18, 2023, from 10:00 am to 12:00 pm, was a remarkable celebration of Ms. Devanshi Davda's creative journey. Her elegantly crafted sarees, stylish bags, and chic pouches served as a testament to her entrepreneurial spirit, while also highlighting the Incubation Cell's commitment to nurturing innovation. This event not only provided a platform for the community to support local entrepreneurship but also showcased the convergence of creativity and craftsmanship in a concise and inspiring manner.

Know the Faculties

Thomson Thomas
-Assistant Professor

Mr. Thomson Thomas is the senior-most faculty of the Allied Department of Mathematics and Statistics. Perhaps that explains his systematic method of working. His many years of experience also benefit the Gymkhana Department; as the Convener, Sir is able to foresee any possible problems and suggest pre-emptive measures. Among his colleagues, he is known for his sense of humour and his talent for singing.

Ms. Gargi Dubey
-Assistant Professor

Ms. Gargi Dubey, from the Department of BMS, also happens to be the Convener of Nkare. Although her beautiful singing voice would require her to be called the Nightingale of Nagindas Khandwala College, her extensive knowledge about nutrition and millets make her the Millet Queen of NK! Her skill in teaching Retail Management has inspired and encouraged her students to organise stalls every year.

Know the Administrative and Support Staff

Ms. Hema Desai -Junior Clerk

Ms. Hema Desai, our resident Tally Master, is also known as the Master and Blaster of Accounts. She is known and admired for her many talents, be it her sense of humour, her Excel skills, her Shayiri or her dance moves. She is truly a multi-talented personality.

Ms. Suman Balmiki
-Sweeper

Ms. Suman is the only lady peon of our College. She is known for her quiet nature and for completing her assigned duties with a smile.
