Covid - 19 has reiterated the significance of Swachha Bharat, Swastha Bharat; Ayushman Bharat and Aarogya Bharat. The National Education Policy alms at promoting skills and lifelong learning. It offers value education and practical hands on experience. Ek Bharat Shrestha Bharat. Bonds must be strengthened amidst a kaleidoscope of cultures. SabkaSaath, SabkaVikas. Only Inclusive growth can lead to sustainable development. Growth that encompasses all sections of society, progress which does not leave anyone behind, where the fruits of development are shared with all stakeholders can help India attain the

Food Security can prevent deficiency diseases due to undernourishment and malnourishment especially among women and children. The issue is not only of production but also of distribution. A very effective Targetted Public Distribution System is required to prevent starvation deaths. Digital advances have helped in unifying agricultural markets and improving returns to farmers. Crop insurance protects farmers against the vagaries of nature.

Introduction of GST has helped in introducing tax

reforms in India in the globalised scenario. All this has helped in streamlining Indian finances. The fiscal measures launched in successive budgets for startups and MSMEs have provided the required incentives. The Fiscal-Monetary policy reforms mix taking all sectors into account will truly ensure an Atmanirbhar Bharat. Some sectors have undergone radical changes in the Post-Covid scenario while others have received various incentives

The objective of this Online Conference is to create a platform for fruitful discussion among Academicians, Researcher Scholars, learners and other stakeholders regarding the various issues and challenges involved in Atmanirbhar Bharat.
