

Nagindas Khandwala College (Empowered Autonomous)

Photographic Book Review Competition

Date	:	23 rd January, 2026
Venue	:	Library, Main Building
Organizing Unit/Agency	:	Nagindas Khandwala College
Number of Participants	:	21
Activity	:	The Library and Information Centre of Nagindas Khandwala College organized a Photographic Book Review Competition on 23 rd January 2026 under the initiative Vachan Sankalp Maharashtra. The competition aimed to promote reading habits and introduce students to the creative and ethical use of Artificial Intelligence (AI) in academic activities.

The Library and Information Centre of Nagindas Khandwala College organized a Photographic Book Review Competition on 23rd January 2026 under the initiative Vachan Sankalp Maharashtra. The competition aimed to promote reading habits and introduce students to the creative and ethical use of Artificial Intelligence (AI) in academic activities.

In this competition, students were required to create an AI-generated image based on a book of their choice and explain the book through that image. The activity encouraged participants to interpret literary content visually and present their understanding in an innovative and meaningful way.

A total of 21 students participated enthusiastically in the competition. The entries demonstrated creativity, originality, and a clear connection between the AI-generated images and the selected books. Students effectively explained the themes, characters, and messages of the books using visual representation supported by verbal or written explanation.

The competition was evaluated on the basis of creativity, relevance of the AI-generated image to the book, clarity of explanation, and overall presentation. The event successfully blended literature with modern technology, making learning engaging and interactive.
